Create MIlogin Account

Step 1: Create Your Account

Note: If you have already created a MIlogin for Citizens account, please go to page 4 for instructions on how to link your account to MiWAM. If you have NOT created a MIlogin for Citizens account, please follow instructions below for account set up.

If you are beginning the process at Michigan Web Account Manager (MiWAM):

Visit https://miwam.unemployment.state.mi.us/ClmMiWAM

OR www.michigan.gov/uia and select Online Services from the top menu bar.

Click the Sign-In with MIlogin button.

At the Confirmation pop-up, click SIGN UP to create a new account.

If you are beginning the process at Pure Michigan Talent Connect (PMTC):

Visit https://www.mitalent.org

Click the Create an Account button. The pop-up screen will appear.

Select Job Seeker as the type of account you would like to create.

At the Confirmation pop-up, click SIGN UP to create a new account.

Do not create a separate account for MiWAM and PMTC. You should have only ONE account which will grant you access to both sites.
Step 2: Create Your Account – Profile Information

Complete the required fields on the Profile Information page. If you have an existing PMTC job seeker account, these fields will be pre-populated.

Mobile Number is not required but is necessary if you chose Mobile (Text/SMS) as a security option for password recovery. (Do not use a landline phone number).

Accept the terms and conditions by checking the box to complete this step. The terms & conditions link opens in a new window if you wish to read them.

Click Next. If you make an error, you can click the Reset button.
Step 3: Create Your Account – Security Setup

Note: Write down your User ID and password before you proceed to the security options. You will need to provide your User ID from this point forward every time you access the system.

Create a User ID and password for your MILogin account. Select a Security Option for the preferred password recovery method choices of Email, Mobile (Text/SMS) and/or Security questions.

If you select Mobile (Text/SMS) as a preferred password recovery method:

You will receive two text messages:
1. The first message will contain your PIN number.
2. The second message will confirm your account creation was successful.

Verify Personal Identification Number (PIN) pop-up window will appear. Enter the PIN you receive.

Click the Confirm button. If you do not receive the text message with the PIN number, click on Resend PIN button. Click Create Account

You’re not done yet! You must now link your MiWAM and PMTC accounts together. See directions on the next page for instructions on how to link your accounts together.
