Workforce Development Agency (WDA)
Policy Issuance (PI) 14-02

Date: July 2, 2014

To: Michigan Works! Agency (MWA) Directors

From: Stephanie Beckhorn, Director (**SIGNED**)
Office of Workforce Policy and Strategic Planning

Subject: Statewide Activities Funding for Program Year (PY) 2014
(July 1, 2014 through June 30, 2015) Service Center Operations

Programs Affected: Michigan Works! Service Center (MWSC) Operations

Rescissions: None

References: The Workforce Investment Act (WIA) of 1998

Michigan Department of Labor & Economic Growth (DLEG)/Bureau of
Workforce Programs PI 02-11, issued April 2, 2002, and subsequent changes

Background: The WDA has identified \$530,833 in Appropriation Year (AY) 2014 WIA Statewide Activities (SWA) funds to be used in support of Michigan Works! Service Center (MWSC) operations for PY 2014. The allocation for each MWA was based on a formula derived from the relative size of the MWA area labor force; however, the number of customers served by the service center(s) and the number of service centers in the MWA area, full and satellite, were taken into account in the determination of the final award. The \$530,833 is the initial allocation for PY 2014 MWSC operations and additional funding, in an indeterminate amount, may be provided to support service centers commensurate with the level of SWA funds available during the Program Year.

Victor Office Center | 201 North Washington Square, 5th Floor | Lansing, Michigan 48913
517.335.5858 | TTY 888.605.6722

Policy: Service center operation funds may be used in support of all activities to improve customer service, inform and educate the public about the service centers, and upgrade facilities. Service center funding may not be utilized to purchase or maintain participant reporting systems or job matching systems that duplicate those provided by the State.

Each MWA, as a condition to receive MWSC funding, is required to submit a spending plan, either as a Word document or an Excel spreadsheet, which describes in detail how the MWSC operations funding will be used at the local level. Cost should be broken down and reported by activity.

Carry-forward funding from PY 2014 into PY 2015 for the allocations detailed in this policy issuance is subject to a 15 percent limitation of total current year allocations. The June 30th Accrued Expenditure Report, as reported in the Management of Awards to Recipients System (MARS), will be used to determine the percent of carry-in funds.

Funding for local administration is ***not authorized*** for PY 2014 MWSC funding.

Unexpended funds as of June 30, 2016, will be recaptured by the WDA.

Action: The MWA officials must adhere to state procurement and administrative policies when expending statewide activity funding.

The WIA Budget Information Summary (BIS) and the required spending plan are to be submitted electronically to the WDA within 30 calendar days from the issue date of this policy issuance to Ms. Teresa Keyton at keytont@michigan.gov.

The required, original signed Approval Request form must be submitted within 30 calendar days from the issue date of this policy issuance to:

Cash Requests/Financial Reporting:

The MWA will process all cash requests through the MARS in accordance with the MARS Manual. The MWA must have on file appropriate documentation to support each cash draw.

All reporting of fiscal expenditures for the funds provided through this grant must be reported to the WDA on a quarterly basis. A final close-out report is also required. All quarterly financial expenditure reports are due to the WDA no later than the 20th calendar day after the end of the calendar quarter. The final close-out report is due to WDA no later than 60 days after the end of the grant period. In the event that the due date falls on a weekend or state government holiday, the report is due on the last business day prior to the 20th.
