Background: The Unemployment Insurance Agency (UIA) is a required partner in the comprehensive, integrated workforce system. Individuals who have lost employment due to lack of suitable work and have earned sufficient wage credits may receive unemployment insurance (UI) benefits if they meet initial and continuing eligibility requirements. Since 2005, the United States Department of Labor (USDOL) and participating state UIAs have been addressing individual reemployment needs of the UI claimants to prevent and detect improper UI payments. This program has replaced the Mandatory Profiling program. The UIA submitted a proposal to the USDOL developed by the UIA and the Michigan Talent Investment Agency/Workforce Development Agency (TIAWDA) to continue the RESEA program.

Policy: This policy change extends the expiration date of these funds to September 30, 2019.

TED is an equal opportunity employer/program.

Auxiliary aids, services and other reasonable accommodations are available upon request to individuals with disabilities.
