Background:
The WIOA, which supersedes the Workforce Investment Act of 1998, presents an extraordinary opportunity to improve job and career options for our nation’s workers and job seekers through an integrated, job-driven public workforce system that links diverse talent to businesses.

The WIOA supports the development of strong, vibrant regional economies where businesses thrive, and people want to live and work. This revitalized workforce system will be characterized by three critical hallmarks of excellence:

1. The needs of business and workers drive workforce solutions.
2. One-Stop Centers provide excellent customer service to workers, job seekers and employers, and focus on continuous improvement.
(3) The workforce system supports strong regional economies and plays an active role in community, economic, and workforce development.

The Michigan Talent Investment Agency/Workforce Development Agency (TIA/WDA) has identified $1,000,000 in Appropriation Year 2017 WIOA Statewide Activity funds to be used in support of IET programs.

Policy:

The funding awarded in this policy must be spent in accordance with the requirements of this policy and PI 18-44, issued December 7, 2018. Funding allocations for each MWA were determined by applying a formula that took into account the number of IET programs currently in operation in the local area and the number of adult education providers in the local area required by WIOA Title II to offer the IET programs.

The funds allocated via this policy are available for expenditure through March 31, 2020. Any funding unexpended as of March 31, 2020, will be recaptured by the WDA.

At least 70 percent of the funds awarded in this policy must be used for allowable training costs associated with an IET program. Up to 20 percent of the funds allocated via this policy may be used for allowable supportive services costs for individuals participating in an IET program. No more than 10 percent of the funds awarded in this policy may be used for allowable administrative costs.

Since the funding awarded via this policy is WIOA Title I funding, eligible training provider requirements apply and the selected programs of training must be listed on Michigan Training Connect.

It is the expectation of the WDA that the funds allocated by this policy will support IET programs that have already been developed by adult education providers and/or that will be developed jointly by the MWAs and adult education providers. For the purposes of expending the funding awarded in this policy, the MWAs should only be partnering with adult education providers that receive funding from the WDA.

One-Stop Management Information System (OSMIS) Data Entry

Participants served with the funding awarded in this policy are to be tracked in the OSMIS using a Special Initiatives Indicator. Click on the “Special” tab in the OSMIS and then select “Yes” for the “Adult Education, Integrated Education and Training” indicator.
When selecting a funding source in the OSMIS for participants served with the funding awarded in this policy, select “Yes” for “Adult (Statewide 15% Activities):” from the “Adult” tab on the “View Funding Sources/Programs” screen.

Finally, training activities for the participants served with the funding awarded via this policy should be entered into the OSMIS using the “Training Information” tab on the “Enter Training Activity” screen by selecting “ABE or ESL (contextualized or other) in conjunction with Training” from the “Type of Training” dropdown menu.
Profit

Please refer to the agency’s Procurement Policy, PI 15-12, issued July 16, 2015, or any policy replacing PI 15-12, for further information regarding profit and corresponding limitations.

Fiscal Information

The local area will process all cash requests through the Management of Awards to Recipients System (MARS) in accordance with the MARS Manual. The local area must have on file appropriate documentation to support each cash draw.

The U.S. Department of Labor Employment and Training Administration requires all grantees to report all financial transactions on a full accrual basis. Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for (1) goods and other tangible property received; (2) services performed by employees, contractors, sub-grantees, sub-contractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit amounts. In general, total accrued expenditures are costs incurred for goods and services received regardless of whether the payment has been made.

All reporting of fiscal expenditures for the funds provided in this policy must be reported to the WDA on a quarterly basis. A final close-out
report is also required. All quarterly financial expenditure reports are due to the WDA no later than the 20th calendar day after the end of the calendar quarter. The final close-out report is due to the WDA no later than 60 days after the end of the grant period. In the event that the due date falls on a weekend or state government holiday, the report is due on the last business day prior to the due date. Local areas must submit reports in the MARS. If there are any questions regarding cash requests or the submission of required expenditure reports, please call Ms. Marilyn Carey at 517-241-6742.

**Action:**

The MWAs shall prepare and submit a signed Approval Request form (Attachment A) and a Budget Information Summary (BIS) to the WDA within 30 days from the issue date of this policy.
