

Learn More, Earn More!

ESL

Do you...

Need to improve your English language skills?

Need to improve your math, reading or writing skills in English?

Need help understanding things like bus schedules, how to use the bank, how to speak with the staff at your child's school?

If you answered **“yes”** to any of these questions, then Adult Education might be right for you!

WHAT DOES ADULT EDUCATION DO?

Classes help you to:

- Improve English language skills.
- Improve reading, writing and math skills.
- Earn a high school diploma or equivalent.
- Prepare for college, job training, and employment.
- Learn about citizenship and your community.
- Improve your computer skills and use the library.
- Improve communication with school staff, community members and neighbors.
- Assist your children with school work and activities.
- Better understand your doctor and medical instructions

DID YOU KNOW?

About **50%** of immigrants that come to the U.S. each year lack high school education and don't speak English well enough to find good jobs and education opportunities, including people with professional degrees from their own country.
