Krista Johnson
WIOA Title I Section Manager
Workforce Development - Office of Talent Policy and Planning
201 North Washington Square
Lansing, MI 48913

Dear Ms. Johnson,

The Bon Ton Stores recently announced the closing of multiple locations throughout the company. Listed below are locations closing in Michigan that are closing but did not require a WARN notice. We wanted to be proactive in reaching out so that any support or resources available to our Associates could be communicated as soon as possible.

If we can help with any additional information that the location contact cannot supply please contact me.

Steve Shimp, Divisional VP HR/DC
