Re: Notice to State of Michigan of Mass Layoff

Dear Ms. Beckhorn:

Pursuant to the *Worker Adjustment and Retraining Notification Act* ("WARN"), you were provided with an August 30, 2017 notice that Dematic Corp anticipated that 30-50 employees will be laid off each month during the months of October, November and December of 2017 from our facility at 507 Plymouth Avenue, N.E., Grand Rapids, Michigan, 49505. This letter supplements the August 30 notice. We continue to expect that a significant number of employees will be laid off over a period of time in accordance with a reduction in work available. Our expectations for October and November are unchanged. However, more than 50 employees could be laid off in December. We now anticipate that approximately 30-70 employees will be laid off in December of 2017. Employees will be laid off in accordance with the Labor Contract and Shutdown Agreement between Dematic and the Union. Further information can be obtained from Kayce Gunter at (616) 913-6929.
