WORKFORCE PROGRAMS

December 19, 2017

Ms. Krista Johnson, WIA, Manager  
Workforce Development Agency, State of Michigan  
201 North Washington Square, 5<sup>th</sup> Floor  
Workforce Programs  
Lansing, MI 48913

Dear Ms. Johnson:

Subject: Notice of Mass Layoff Pursuant to the W.A.R.N. Act

Pursuant to the "Worker Adjustment and Retraining Notification Act" (W.A.R.N.), including its encouragement of employers to provide notices of layoffs regardless of whether technically required by the Act, GM Subsystems Manufacturing LLC (Subsystems) is providing notice of mass layoffs that will be affecting Subsystems' employees at its Detroit Hamtramck operations, located at 2500 East Grand Blvd, Detroit, MI 48211

Specifically, it is anticipated that the elimination of second shift production of the Detroit Hamtramck Assembly Plant, will begin no earlier than March 6<sup>th</sup>, 2017, and continue through March 19<sup>th</sup>, 2017. As a result of the cessation of second shift production operations, the majority of layoffs will begin no sooner than March 6<sup>th</sup>, 2017. The cessation of GM's second shift production operations will result in the permanent layoff of approximately 30 Subsystems' temporary employees, and 48 Subsystems' regular employees all represented by the U.A.W. International Union, Dennis Williams, President, 8000 East Jefferson, Detroit, Michigan 48214.

Affected employees do not have bumping rights to remain in the plant. The currently anticipated job classifications and number of employees to be laid off are attached.

Attachment      number and classification of hourly employees who will be laid off pursuant to the Local Seniority Agreement

Employees laid off by this action may be eligible to receive State Unemployment Compensation. Any questions regarding this matter may be directed to:
