Guidance and Instructions

PL 113-128 Workforce Innovation and Opportunity Act (WIOA) of 2014
Title II – Adult Education and Family Literacy Act (AEFLA)

Program Guidance and Instructions for General Instruction, Institutional, and Integrated English Literacy and Civics Education Program Funding for a Continuation One Year Grant Period (2019-2020).

Effective Date: July 1, 2019

The “effective date” is the beginning date on which expenditures can be charged to the federal grant.

Application Deadline: Completed applications must be submitted through the Michigan Electronic Grants System (MEGS+) by 11:59pm on June 3, 2019.

Warning! Late applications will not be accepted and will not be considered for review.

Availability of Application: Grant applications will be available in MEGS+ on May 8, 2019.

Questions regarding this application should be sent to your regional coordinator.

IMPORTANT INFORMATION FOR ALL APPLICATIONS FOR THE 2019-2020 GRANT YEAR:

• All pages of the application must be updated as necessary.

• A budget for PY 2019-2020 must be submitted and approved before grant funds will be made available.

• Submission of this application certifies that it has been prepared by, or in cooperation with, the fiscal agency’s business office.

• A new narrative is not necessary but any changes/updates for PY 2019-2020 should be written in a WORD document and uploaded under Attachments.

• DO NOT DELETE ANY EXISTING UPLOADS.

Section 1: Requirements and Expectations

The Workforce Development Agency (WDA) is pleased to release the grant guidance for WIOA, Title II AEFLA funding to support adult education and literacy programs. This is a continuation grant beginning July 1, 2019 and ending June 30, 2020.

Title II is one of six core programs:
- Title I – Adults, Youth, & Dislocated Workers Programs
- Title II – Adult Education Program
- Title III – Wagner-Peyser Employment Services
- Title IV – Vocational Rehabilitation Program

The State of Michigan's Unified State Plan, approved by the U.S. Secretaries of Labor and Education, addresses Michigan’s overall adult education goals and strategies, encouraging coordination of local service delivery among multiple programs.

These federal funds are one component of Michigan’s efforts to provide effective adult education and family literacy services, which include: Adult Basic Education (ABE), Adult Secondary Education (ASE), High School Equivalency (HSE) Preparation, High School Completion (HSC), English as a Second Language (ESL), Family Literacy, Workplace Literacy, Integrated Education and Training (IET), and Integrated English Literacy and Civics Education (IELCE). A recipient is prohibited from using these funds for any other purpose.

Michigan’s adult education system is comprised of organizations with demonstrated effectiveness delivering adult education and literacy services to eligible individuals, including local education agencies, community colleges, universities, correctional institutions, literacy organizations, community-based and faith-based organizations, libraries, and nonprofit organizations. These entities may operate collaboratively or in consortiums to deliver services.

GRANT PURPOSE

AEFLA presents an extraordinary opportunity to improve the quality of life for individuals with low skills. Literacy and numeracy are fundamental skills necessary for workforce success, as well as for personal and social well-being. Services provided under AEFLA are intended to lead to further education, training opportunities, and work, and are to be based on best practices derived from the most rigorous research available. The diversity of individuals who possess low skills requires a broad approach to skills development.

As one of six core programs under WIOA, the AEFLA program plays an integral role in the workforce development system by providing access to educational services for adult learners through the One-Stop delivery system. The program seeks to increase opportunity in the educational and workforce development of adults as workers, parents, and citizens. While playing a critical role in adult attainment of a secondary school diploma, the program also aims to assist in the transition to post-secondary education and training through the use of career pathways.
The AEFLA program provides the following critical services and activities to support adult learners with the goal of improving access to education and training opportunities, as well as to employment:

- Assist adults to become literate and obtain the knowledge and skills for employment and economic self-sufficiency;
- Support the educational and skill achievement of parents and family members to participate in the educational development of their children and improve economic opportunities for families;
- Assist immigrants and English learners in improving their English and math proficiency and understanding of the rights and responsibilities of citizenship; and
- Assist incarcerated individuals in strengthening their knowledge and skills to promote successful re-entry into society.

SERVICES TO BE PROVIDED

Title II of WIOA requires that applicants receiving this grant must establish or operate one or more programs that provide services in one or more of the following categories:

Adult education and family literacy services, including workplace literacy services.

The term "adult education" is defined as services or instruction below the post-secondary level for individuals:

- Who have attained 16 years of age;
- Who are not enrolled or required to be enrolled in secondary school under State law; and
- Who
  (1) Lack sufficient mastery of basic educational skills to enable the individuals to function effectively in society;
  (2) Do not have a secondary school diploma or its recognized equivalent and have not achieved an equivalent level of education; or
  (3) Are unable to speak, read, or write the English language.

General Instruction

AEFLA requires that applicants receiving the General Instruction grant must establish or operate one or more programs that provide services in one or more of the following categories:

- Adult education.
- Literacy.
- Workplace adult education and literacy activities.
- Family literacy activities.
- English language acquisition activities.
- Integrated English literacy and civics education services.
- Workplace preparation activities.
- Integrated education and training.

Refer to Section VIII for the definition of each allowable activity.
Institutional Programs
Grants awarded under Section 225 for Corrections Education may only be used for educational programs for criminal offenders in correctional institutions and for other institutionalized individuals, including academic programs for –

1. Adult education and literacy activities.
2. Special education, as determined by the state office.
3. Secondary school credit.
4. Integrated education and training.
5. Career pathways.
6. Concurrent enrollment.
7. Peer tutoring.
8. Transitions to re-entry initiatives and other post-release services with the goal of reducing recidivism.

Correctional facilities operated by the Michigan Department of Corrections for adults and by the Michigan Department of Health and Human Services (DHHS) for youth are qualified to participate. County jail facilities served by local providers of adult education programs are also eligible for funding under the Institutional funding category.

Types of correctional institutions include any prison; jail; reformatory; work farm; detention center; or halfway house, community-based rehabilitation center, or any other similar institution designed for the confinement or rehabilitation of criminal offenders.

Assistance provided under AEFLA Section 225 to carry out a program for criminal offenders in a correctional institution shall give priority to serving individuals who are likely to leave the correctional institution within five years of participation in the program.

IELCE Program
Grants awarded under Section 243 for IELCE may only be used for education services provided to English language learners who are adults, including professionals with degrees or credentials in their native countries, that enable such adults to achieve competency in the English language and acquire the basic and more advanced skills needed to function effectively as parents, workers, and citizens in the United States.

IELCE programs must include instruction in literacy, ESL, civics education, and be provided in combination with IET.

Each eligible provider that receives funding under IELCE (Sec. 243) is designed to:

- Prepare adults who are English language learners for and place such adults in, unsubsidized employment in in-demand industries and occupations that lead to economic self-sufficiency; and
- Integrate with the local workforce development system and its functions to carry out the activities of the program.
PARTICIPANT ELIGIBILITY

Individuals must meet the following criteria to be eligible for adult education and literacy services under AEFLA:

(A) Attained 16 years of age;
(B) Not enrolled or required to be enrolled in secondary school under State law; and
(C) who--
   (i) is basic skills deficient;
   (ii) does not have a secondary school diploma or its recognized equivalent, and has not achieved an equivalent level of education; or
   (iii) is an English language learner.

An English language learner is defined as an eligible individual who has limited ability in reading, writing, speaking, or comprehending the English language, and

(A) whose native language is a language other than English; or

(B) who lives in a family or community environment where a language other than English is the dominant language.

Section II - Provider Requirements

ELIGIBLE PROVIDERS

An organization that has demonstrated effectiveness in providing adult education and literacy activities is eligible for a grant. These organizations may include:

- A local educational agency;
- A community-based organization or faith-based organization;
- A volunteer literacy organization;
- An institution of higher education;
- A public or private nonprofit agency;
- A library;
- A public housing authority;
- A nonprofit institution that is not described in any of these subparagraphs and has the ability to provide literacy services to eligible individuals;
- A consortium or coalition of the agencies, organizations, institutions, libraries, or authorities described in any of the entities listed above; and
- A partnership between an employer and an entity listed above.

The fiscal agent is required to be a provider of services and cannot be a flow through entity. It is the expectation of the WDA that sub-recipients of AEFLA funds are the direct providers of services.

Contracted or purchased services to provide additional opportunities or supplemental services for participants, such as tutoring services, are allowable.
DEMONSTRATED EFFECTIVENESS

An eligible provider must have demonstrated past effectiveness in improving the skills of eligible individuals, including those who have low levels of literacy, in the content domains of reading, writing, mathematics, English language acquisition, and other subject areas relevant to the services identified in Section I, above. An eligible provider must also have provided information regarding its outcomes for participants related to employment, attainment of secondary school diploma or its recognized equivalent, and transition to post-secondary education and training.

DISTRIBUTION OF FUNDING

The WDA allocates the AEFLA funds to eligible fiscal agents statewide. The WDA reserves the right to conduct a subsequent competitive bid process in one or more regions.

To ensure quality programming that meets the regional needs, adult education services must be aligned with workforce development, post-secondary education and training, community partners, and economic development within the region. Adult education services within the region must align with the local and regional strategic plan on the development of career pathways.

REGIONAL PARTNERSHIPS

The WIOA requires collaboration at all levels – federal, state, and local – and between core programs. The formation of regional partnerships aligns multiple resources to provide comprehensive services to learners. At a minimum, such partnerships should include adult education partners, post-secondary education, vocational rehabilitation, and workforce development agencies. Other valuable partners may include:

- Literacy Councils.
- Libraries.
- School Districts.
- Employers.
- Community-based Organizations.
- Faith-based Organizations.
- Job Training Programs (integrated with occupational training).
- Regional Economic Development Representatives.
- Proprietary Schools.
- Local Offices of State Government (e.g., DHHS, Vocational Rehabilitation Employment Services, Community Mental Health, Corrections).
- Local Foundations/United Way.

While the scope, content, and organization of activities may vary from region to region, during the 2017 grant competition, priority was given to those applicants with strong collaborative partnerships as defined above and those that have effective strategies to deal with diverse populations, including those with barriers to employment such as low basic skills, English language learners, low income participants, individuals with disabilities, single parents, and displaced homemakers. Additional target populations include individuals without high school diplomas and inmates of correctional institutions.
ONE-STOP PARTNER REQUIREMENTS

Per 34 CFR 678.415, the WDA Office of Adult Education (which includes Adult Education) is the required One-Stop partner for Title II and the WDA may delegate that responsibility to one or more adult education providers or a consortium of providers in the region. As such, adult education providers that receive AEFLA funding assume the roles and responsibilities of One-Stop partners, including contributing to infrastructure costs.

Under WIOA, each required partner must:

a) Provide access to its programs or activities through the One-Stop delivery system, in addition to other appropriate locations; AND

b) Use a portion of local administrative funds to provide applicable career services and work collaboratively with the state and local workforce board to establish and maintain the One-Stop delivery system, which includes jointly funding the One-Stop infrastructure through partner cash, noncash, or third-party contributions.

Infrastructure costs are the responsibility of all One-Stop partners, whether they are physically located in the One-Stop center or not. Each partner’s contribution to these costs may vary, as these contributions are to be based on the proportional use and relative benefit received by each program.

Refer to WDA Policy Issuance (PI) 17-12 for more information on executing infrastructure agreements under WIOA.

Section III – Program Design

ASSESSMENTS

All recipients of adult education funds must follow the WDA Assessment Policy. The WIOA requires assessment procedures to be valid, reliable, and appropriate to determine the effectiveness of instructional activities. The Assessment Policy provides guidelines for:

1. Using NRS/state-approved assessments in a standardized and consistent manner.
2. Placing a participant accurately into appropriate program and instructional level.
3. Obtaining diagnostic information to guide instruction.
4. Determining educational functioning level at intake (pre-test) and at the end of the instructional period (post-test).
5. Training staff and implementation of test security requirements.

All local adult education providers in Michigan must employ proper testing, scoring, and reporting protocols in accordance with the Assessment Policy and publishers’ guidelines. All local programs must also establish an assessment policy that outlines assessment process and procedures; and is aligned with the WDA Assessment Policy. Local assessment policies will be reviewed during monitoring visits.

The following assessments have been determined to:

- Be appropriate for measuring literacy and language development of adult participants.
- Have standardized administration and scoring procedures.
• Have alternate equivalent forms for pre-testing and post-testing.
• Have evidence linking them to National Reporting System (NRS) educational functioning levels.
• Be NRS approved tests and appropriate forms.

ADULT LEARNING PLAN

The WDA requires all recipients of adult education funds to maintain the state-approved Adult Learning Plan (ALP) for all adult education participants. The ALP is designed to document information that tracks participant’s progress towards goals achievement and enhances the academic performance and economic success of the adult education participant.

The ALP is initiated at intake and utilized for the entire duration of the participant’s adult education services across program years.

Refer to the ALP Policy and technical assistance paper on the WDA, Adult Education website for more information.

INTEGRATED EDUCATION AND TRAINING

IET is an approach that can help individuals acquire or refresh key basic skills while also pursuing occupation or industry-specific training. There are three required components of an IET program: (1) adult education and literacy activities, (2) workforce preparation activities, and (3) occupational training. The three required components must occur simultaneously within the overall scope of the IET program and must each be of sufficient intensity and quality.

IET programs may be funded with a single funding source or by combining multiple sources to achieve service integration. Up to 20 percent of a provider’s IELCE grant award can be spent on workforce training. General Instruction and Institutional grant funds cannot be used for workforce training.

Refer to WDA PI 18-44 for more information on IET program requirements.

Section IV – Performance Management

PERFORMANCE MEASURES

The WIOA establishes common performance accountability measures across the six core programs. These measures are applicable to federal and state funded programs and must be reported in the Michigan Adult Education Reporting System (MAERS). At the end of the program year, the WDA will review the grantee’s performance based on participant progress and the effectiveness of the program that shows continuous improvement in order to optimize the return on investment of federal and state funds for adult education and family literacy activities.
The primary indicators of performance for activities provided under the WIOA, which include for the adult and dislocated worker programs, adult education and family literacy activities, employment services programs under Wagner-Peyser, and vocational rehabilitation programs are:

I. The percentage of program participants in unsubsidized employment in the 2nd quarter after exit;
II. The percentage of program participants in unsubsidized employment in the 4th quarter after exit;
III. Median earnings of program participants who are employed during the 2nd quarter after exit;
IV. The percentage of program participants who obtain a recognized post-secondary credential, or a secondary school diploma or its recognized equivalent (subject to clause (iii)) during participation in or within 1 year after exit;
V. The percentage of program participants achieving measurable skill gains; and
VI. Effectiveness in serving employers.

*Clause (iii) states that program participants who obtain a secondary school diploma or its recognized equivalent shall be included in the percentage counted as meeting the criterion only if, in addition to obtaining diploma or equivalent, they have obtained or retained employment or are in an education or training program leading to a post-secondary credential within 1 year after exit from the program. (Section 116(b)(2)(iii))

For Program Year 2019-2020, the United States Department of Education (USDOE) will only negotiate and hold states accountable for one indicator for the AEFLA program – (V.) measurable skill gain indicator. Local programs must collect and report data into MAERS on all six measures. The data will be used to establish baselines for the other five indicators during this period. “Baseline” indicators will not be used in the end of year performance calculations and will not be used to determine failure to achieve adjusted levels of performance for purposes of sanctions.

DATA ENTRY REQUIREMENT

The data entry requirement is part of a comprehensive performance accountability system. The WDA requires that all federal and state funded adult education programs must enter data into MAERS for every adult education participant that registers for services and attends one or more instructional hours.
MAERS was developed to meet the USDOE data requirements specified in the NRS Implementation Guidelines. The WDA must complete and file a report with USDOE every year using MAERS data to fulfill NRS reporting requirements. The final report is due to USDOE on October 1st following the end of the program year.

Per USDOE requirements, data must be entered into MAERS monthly, at a minimum, and no later than the last day of the subsequent month. This includes class functions, registration, daily attendance hours for every participant enrolled in an adult education class, assessments (pre- and post-tests), class enrollment(s), program exits, and follow-up data. Programs must ensure that any information entered into MAERS is accurate and complete.

The deadline for data entry into MAERS is September 17th following the end of the program year.

Additional information regarding MAERS is available in the MAERS section of the Adult Education website. The official MAERS website for entering and retrieving data requires prior authorization with an assigned username and password that can be obtained by contacting the Office of Adult Education.

FINAL REPORT & LOCAL PROGRAM IMPROVEMENT PLANS

At the end of the program year, grantees must analyze their performance data and evaluate their level of performance against the negotiated performance levels for the state. In each area where the local program falls below the state negotiated benchmarks, improvement plans may be required. Continuous improvement is the desired outcome for all levels, even those programs that exceed the state benchmarks. In addition, grantees are expected to monitor performance outcome information and adjust program content and design to continuously improve achievement and performance.

PROGRAM MONITORING AND COMPLIANCE

All recipients of adult education funds are responsible for managing the day to day operations of grant activities to assure that the program is in compliance with federal and state requirements. The WDA will monitor programs to ensure compliance with federal and state regulations.

Section V – Funding Information

FUNDING FOR PROGRAM PERIOD - JULY 1, 2019 THROUGH JUNE 30, 2020

Successful applicants will qualify for funding for a one-year grant cycle (2019-2020). Funding for subsequent year(s) is determined based on the successful completion of all previous year-end reports, complete data entry and reporting in MAERS, meeting the WDA reporting requirements, and meeting all financial and budgetary requirements for federal and/or state funding.

A separate budget for each fiscal agent and provider is required for each fiscal year. Changes in program plans, budgets, or funding requirements over the one-year period that are determined to be reasonable and necessary by the WDA may be requested.
SUPPLEMENT NOT SUPPLANT

Funds made available for adult education and literacy activities under this title shall supplement and not supplant other state or local public funds expended for adult education and literacy activities.

Section VI – Financial Management Requirements

GRANT REQUIREMENTS

It is the responsibility of all programs funded by AEFLA to ensure appropriate stewardship of federal funds entrusted to them. Under AEFLA and Uniform Grant Guidance regulations, all programs must maintain financial management systems that provide accurate, complete, and current disclosure of the revenues and expenditures supporting the adult education and family literacy program. To meet this requirement, sub-recipients must have adequate accounting practices and procedures, internal controls, audit processes, and cost allocation procedures in place. Sub-recipients are responsible for managing the day-to-day operations of grant supported activities to assure that all funding requirements of this award are in compliance with applicable federal regulations.

Sub-recipients are required to request application amendments for any new activity or any change in a line item that exceeds 10% of the approved budget. Amendments must be submitted and approved in MEGS+ before dollars can be expended for new projects or activities. All funded activities must be within the WIOA Title II guidelines.

Sub-recipients must request federal funds on an accrual basis at least quarterly in the Cash Management System (CMS), and may not request funds that exceed their needs for three days cash on hand.

Prior to purchasing services from any vendor, sub-recipients are required to follow federal procurement standards consistent with Title 2 of the Code of Federal Regulations, Part 200, as codified by the USDOE.

Sub-recipients are required to permit access by the WDA and auditors to records and financial statements as necessary for the WDA to comply with requirements of the Uniform Grant Guidance and other applicable laws.

ADMINISTRATIVE COSTS

Section 233(a)(2) of AEFLA states that not less than 95% of the funding received by a local applicant shall be expended for carrying out adult education and family literacy activities and the remaining amount, not to exceed 5%, shall be used for planning, administration (including carrying out the performance requirements), professional development, activities to ensure alignment with the local plan, and carrying out One-Stop partner responsibilities.

The AEFLA also provides for the “Special Rule” that in cases where the cost limits described above are too restrictive to allow for these activities, the local provider may negotiate with the Grant Administrator in order to determine an adequate level of funds to be used for non-instructional purposes.
ALLOWABLE COSTS

Under AEFLA and 2 CFR Uniform Grant Guidance all costs must be allowable, allocable, necessary, and reasonable for the performance of the federal award, and legal under state and local law.

Vocational and technical education courses taken by adult participants to fulfill the local requirements for high school completion or that satisfy adult basic education programming requirements are allowable. (Funds may not be used to support regular state funded K-12 participants or K-12 alternative participants.)

It is the expectation of the WDA that the AEFLA funds are primarily used for instruction and program costs. Adult education providers are expected to operate cost-effective programs, and budgets should be detailed and transparent. Fiscal agents and providers must have on file appropriate documentation to support expenditures.

Program Costs: The costs associated with the direct provision of services to program participants. Program activities include, but are not limited to, participant assessment and instruction, classroom supplies and materials, data entry, support services, and building operations.

Administrative Costs: The costs associated with performing activities or functions that are not related to the direct provision of services to program participants are administrative costs. An eligible provider receiving a grant or contract under this part may consider costs incurred in connection with the following activities to be administrative costs:

- Planning;
- Administration, including carrying out performance accountability requirements;
- Professional development;
- Providing adult education and literacy services in alignment with local workforce plans, including promoting co-enrollment in programs and activities under Title I, as appropriate; and
- Carrying out the One-Stop partner responsibilities, including contributing to the infrastructure costs of the One-Stop delivery system.

UNALLOWABLE COSTS

Any costs that are general in nature and cannot be directly attributed to the programs being offered for adult education participants are unallowable costs.

AEFLA funds cannot be used to support the costs of a HSE test administrator/proctor, HSE tests, and any other costs associated with this activity.

PURCHASE OF EQUIPMENT

The purchase of equipment, not specifically listed in the approved budget, must have prior written approval of the Grant Administrator. Equipment is defined as tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost of $5,000 or more. Such equipment shall be retained by the Grantee.
unless otherwise specified at the time of approval. None of the funds expended under this act may be used to acquire equipment, including computer software, in any instance in which such acquisitions results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

TANGIBLE PERSONAL PROPERTY

2 CFR 200 requires written policies and procedures to demonstrate internal controls which provides safeguards against loss or unauthorized use or disposition. Subrecipients are required to track tangible personal property purchased with federal funds to demonstrate there has been an allocable benefit to the adult education program. Tangible personal property includes computing devices, supplies, and information technology systems. The tracking mechanism must include at a minimum: the item, serial number (or other identification number), funding source, location, and disposition.

PROGRAM INCOME (TUITION AND FEES)

Program income from tuition and fees must be (1) governed by the terms of the agreement between the State grantee and the local sub-grantee to which the State provides federal funds, (2) accounted for in program records, and (3) used only for costs allowable under AEFLA. Local providers charging tuition or fees to participants and employers must use the generated program income for allowable costs under AEFLA, including expanding available resources for adult education, workplace literacy, English language acquisition and adult basic and secondary education. Fees established by local programs must be necessary and reasonable and must not impose a barrier to the participation of disadvantaged persons in the adult education program.

FINAL REPORTING REQUIREMENTS

A Final Expenditure Report certifying and reporting actual expenditures must be completed electronically and submitted into the CMS no later than 60 days after the end of the program year, or August 29, 2020.

A final narrative and program summary report for the grant year must be completed electronically in MEGS+ no later than October 31, 2020.

Local programs with a Tuition and Fees budget in the grant application must complete a Tuition and Fees final expenditure report within the MEGS+ final narrative report no later than October 31, 2020.

SINGLE AUDIT REPORTING REQUIREMENTS

Per 2 CFR Uniform Grant Guidance regulations, Michigan school districts that expend $750,000 or more in federal awards during the fiscal year must forward a copy of their Single Audit to Michigan Department of Education, Office of Financial Management Audits.

Non-school district sub-recipients of this grant that expend $750,000 or more in federal awards during the fiscal year must forward a copy of their Single Audit report covering the grant period to the WDA, Adult Services Section, within nine months of the close of the fiscal year.
RECORD RETENTION

Local programs shall retain all financial records, supporting documents, statistical records, and all other pertinent records for a period of seven (7) years or greater as provided by law following the creation of the records or documents.

Section VII – Professional Development

STATE LEADERSHIP ACTIVITIES (Sec. 223)

The state will provide professional development and technical assistance throughout the year to all local providers to support and encourage:

- The alignment of adult education and literacy activities with other core programs, One-Stop partners and eligible providers to implement strategies in the Unified State Plan, including the development of career pathways to provide access to employment and training services for individuals in adult education and literacy activities;
- The establishment or operation of high-quality professional development programs to improve instruction related to teaching adults and the specific needs of adult learners, and the dissemination of information about models and promising practices related to instruction;
- The provision of technical assistance to providers of adult education and literacy activities state and/or federal funds; and
- The monitoring and evaluation of the quality of, and the improvement in, adult education and literacy activities and the dissemination of information about models and proven or promising practices within the State.

Section VIII - Important WIOA-AEFLA Definitions

**Adult Education** – *Section 203(1)*

The term “adult education” means academic instruction and education services below the post-secondary level that increase an individual’s ability to:

(A) Read, write, and speak in English and perform mathematics or other activities necessary for the attainment of a secondary school diploma or its equivalent;

(B) Transition to post-secondary education and training; and

(C) Obtain employment.

**Adult Education and Literacy Activities** - *Section 203(2)*

The term “adult education and literacy activities” means programs, activities, and services that include adult education, literacy, workplace adult education and literacy activities, family literacy activities, English language acquisition activities, integrated English literacy and civics education, workforce preparation activities, or integrated education and training.
Career Pathway – Section 3(7)
The term “career pathway” means a combination of rigorous and high-quality education, training, and other services that -

(A) Aligns with the skill needs of industries in the economy of the State or regional economy involved;
