Re: WARN Notice – Detroit - Thrift Books Global LLC.

Dear Yvette Harris,

Thrift Books Global LLC. Is providing the following information pursuant to the Federal Worker Adjustment and Retraining Notification Act of 1988 (“WARN Act”) which requires employers to give notice to certain persons and government officials of a pending mass layoff or plant closing.

Due to a change in its distribution model, Thrift Books will be permanently closing its Detroit Processing Center, located at 20509 Sibley Road, Riverview, MI 48193. As a result, we are expecting to permanently lay off all 51 employees at the location. The layoffs are anticipated to be scheduled to begin near January of 2018, continuing through March of 2018.

The employees affected by the layoff are not represented by a collective bargaining representative or chief elected officer.

The Company will maintain a list of the positions to be affected and the number of employees in each job classification for inspection upon request.

If you have any questions, or need further information, please contact me at (253) 275-2241 ext. 7123.
