

The State of Michigan is collecting and managing financial, material and in-kind donations to be used to meet the most pressing needs of Michigan residents during the COVID-19 pandemic. All donations will be tracked by the Michigan Community Service Commission, the state's lead agency on volunteerism. The Commission is the lead for volunteerism and donations management during times of disaster.

Donations can be directed to the Michigan Community Service Commission at COVID19donations@michigan.gov or 517-335-4295.

The Michigan COVID-19 donations will support the delivery of critical community-based services and interventions that address and mitigate the impacts created by COVID-19. Below are the material donations most needed by the State at this time. This list will be updated as efforts continue to progress.

Below are the material donations most needed at this time:
