

## 1710.17 State-Owned Mineral and Gas Storage Rights

Issued: January 1, 1994  
Revised: February 14, 2024

### PURPOSE

---

To provide proper control for removal of and compensation for state-owned mineral rights and for the proper control and compensation for storage of gas or other mineral products on state-owned lands.

### APPLICATION

---

Executive Branch Departments and Sub-units.

### CONTACT AGENCY

---

Department of Natural Resources (DNR)  
Minerals Management Section

Telephone: 517-284-5850

Email: [DNR-Minerals@Michigan.gov](mailto:DNR-Minerals@Michigan.gov)

### SUMMARY

---

If approached by an individual or mineral industry representative to remove, explore for, or develop minerals, or store gas or other mineral products on lands you occupy or manage, contact the DNR. Only the DNR is authorized to enter into leases or agreements for removal of state-owned minerals and storage of gas or other mineral products.
