IV. OTHER BUSINESS

- a. S. Irwin reported that the recommendation to change the enabling legislation to allow grants up to \$25,000, allow the purchase of hardware as well as software, and extend the time frame was removed from the supplemental budget submitted in February but the reason was unclear. Some discussion occurred about contacting the lobbyist Bill Zaagman regarding its status.
- b. The question of how many counties are e-recording was raised again. It was noted that the software vendors likely know which counties are not yet e-recording.
