**Source of Funds:**

100% General Fund

**Commitment Level:**

Five years; however, this Lease contains a Standard cancellation clause with 90-days' notice requirement.

**CONVEYANCE OF REAL PROPERTY**

22. THE DEPARTMENT OF TECHNOLOGY, MANAGEMENT & BUDGET (DTMB) and the MICHIGAN STATE POLICE (MSP) request the conveyance of real

property described below, located in the City of Manistee, Manistee County, Michigan (the "Property") to Mr. Vishwajit Jariwala for consideration of Seventy Nine Thousand Dollars and 00/100 (\$79,000.00). The office of the Attorney General has approved the quitclaim deed as to legal form.

### **Legislative Background**

2017 Public Act 512 (the "Act") authorizes the Department of Technology, Management, and Budget to convey the surplus, former Michigan State Police Post in Manistee, Michigan, containing a two-story building on .57 acres. The property is more particularly described as follows:

Commencing on the Westerly right-of-way line of Highway U.S. 31 at a point 27 feet South of the Southeast corner of Lot "I" of S. C. Thompson's Addition to the City of Manistee, Michigan, thence South 82° 33' West 174.2 feet to the Westerly line of Lot "K", thence North 28° West along the Westerly line of Lot "K" of S. C. Thompson's Addition 15.7 feet to the Southwest corner of Lot "I" and the Northwest corner of Lot "K" of S. C. Thompson's Addition, thence South 78° 30' West 44 feet, thence North 36° West 97.5 feet to the Northwesterly corner of the description, thence North 82° 33' East 272 feet to an intersection with the Westerly right-of-way line of Highway U. S. 31, thence South 6° 22' East 100 feet along said Westerly right-of-way line to the place of beginning; said parcel being a part of Lots "H" and "K", and all of Lot "I", of S. C. Thompson's Addition to the City of Manistee, Michigan.

The property description is approximate and is subject to adjustment as the State Administrative Board or Attorney General considers necessary by survey or other legal description. The conveyance includes all surplus, salvage, and scrap property or equipment as of the date of the Act.

The net revenue received from the sale of the Property must be distributed as follows: 100% General Fund.

### **Purpose/Business Case**

The conveyance satisfies the criteria set forth in 2017 PA 512. The Act authorizes the sale of the property, approximately .57 acres of land with a 2,348 square foot surplus police post built in 1936.

### **Benefit**

This conveyance allows the State to end its ownership obligation for the subject surplus property and allows the property to be placed back into productive reuse and added to the City of Manistee tax rolls.

### **Risk Assessment**

Failure to approve this conveyance would preclude the opportunity for the State to convey the property and relieve itself from maintenance obligation and legal liability. There is no risk to the state.

23. THE DEPARTMENT OF TECHNOLOGY, MANAGEMENT & BUDGET (DTMB) and the DEPARTMENT OF HEALTH & HUMAN SERVICES (DHHS) request the conveyance of real property described below, located in the Township of Indian Fields, County of Tuscola, Michigan (the "Property") to the Tuscola Area Airport Authority in consideration of One Dollar and 00/100 (\$1.00). The office of the Attorney General has approved the quitclaim deed as to legal form.

#### **Legislative Background**

2018 Public Act 578 (the "Act") authorizes the Department of Technology, Management, and Budget to convey the following surplus and vacant land at the Caro Center Hospital commonly known as parcel 4, located in Tuscola County, Michigan, containing 81.3 acres, more or less, and more particularly described as follows:

**DESCRIPTION:** A parcel of land situated in Section 18, Town 12 North, Range 9 East, Township of Indianfields, County of Tuscola, State of Michigan, and described as follows to-wit:

Beginning at the Southeast corner of Section 12, Town 12 North, Range 8 East, said point also being on the centerline of State Highway M-81; thence, along said centerline, on a 250.06 foot curve to the left, having a radius 34379.29 feet and a chord bearing and distance of South 89°35'59" East 250.06 feet; thence, continuing on said centerline, South 89°35'59" East 566.52 feet; thence North 01°58'02" West 1348.13 feet; thence South 89°39'42" East 1324.28 feet to the North and South one-quarter line of said Section 18; thence North 01°54'51" West, along said North and South one-quarter line, 1210.97 feet to the East and West one-quarter line of said Section 18; thence South 88°02'38" West, along the East and West one-quarter line of said Section 18, 2094.39 feet to the West line of said Section 18; thence South 00°54'19" East, along the West line of said Section 18, 2472.91 feet to the Southeast Corner of Section 12, Town 12 North, Range 9 East and the Point of Beginning. Parcel contains 81.32 acres of land, more or less.

(Description constitutes the remainder of land in the Southwest one-quarter of Section 18, T12N-R9E from deed Liber 156 Page 562 granted from Martha Gamble to the State of Michigan after the recording of deed Liber 922 pages 868-870 selling land from State of Michigan to the Tuscola County Airport Authority.)

**SUBJECT TO** a 66 foot wide highway easement for M-81 over the southerly 33 foot thereof. Also subject to all agreements, covenants, easements, rights-of-way, reservations and restrictions of record, if any.

The property description is approximate and is subject to adjustment as the State Administrative Board or Attorney General considers necessary by survey or other legal description. The conveyance includes all surplus, salvage, and scrap property or equipment as of the date of the Act.

The net revenue received from the sale of the Property must be distributed as follows: 100% General Fund.

**Purpose/Business Case**

The conveyance satisfies the criteria set forth in 2018 P.A. 578. The Act authorizes the conveyance of the property, approximately 81 acres of vacant and unimproved land adjacent to the Tuscola Airport.

**Benefit**

Conveying the property to the Tuscola Area Airport Authority for \$1.00 will ensure that the property is used for public purpose for a minimum of 30 years before the public use purpose automatically terminates. The Airport states that the property will increase its runway area safety zone. The benefit to the state is negligible.

**Risk Assessment**

Failure to approve this conveyance would preclude the opportunity for the Airport Authority to expand the area near its runway. There is no risk to the state.
