BUILDING COMMITTEE / STATE ADMINISTRATIVE BOARD

January 30, 2024 / January 30, 2024
11:00 A.M. Lake Superior Room, 1st Floor
Michigan Library and Historical Center

.....
This agenda is for general informational purposes only. At its discretion, the Building Committee may revise this agenda and may take up other issues at the meeting.

AWARD OF CONSTRUCTION CONTRACT

1. DEPARTMENT OF HEALTH AND HUMAN SERVICES, SALINE – Center for Forensic Psychiatry – Replace Concrete/Parking Lot/Bar Screen
File No. 491/23067.SDW - Contract No. Y24095
Recommended Award: STE Group, LLC, Mt. Clemens; \$890,872.00

Description and Justification

The purpose of this contract is to remove and replace the heated concrete at the main entrance, remove and replace the barrier free parking lot by the building and modify the lift station equipment. The work is needed to protect the health, safety and welfare of the employees, visitors and patients.

Funding Source

100% Lump Sum Special Maintenance Funds

AWARD OF PROFESSIONAL SERVICES CONTRACT

2. DEPARTMENT OF ENVIRONMENT, GREAT LAKES AND ENERGY, VARIOUS – Professional Laboratory Testing Services – Various Assignments/Projects
File No. TBD - Contract No. TBD
Indefinite-Scope, Indefinite-Delivery (ISID) Contract Numbers: TBD

This approval will award 3 year-term contracts, with 1 option year of extension at the sole option and discretion of the State, for professional laboratory testing services to the following 3 firms: Eurofins Environment Testing North Central, LLC, Fibertec, Inc., and Merit Laboratories, Inc., Various Cities; \$2,000,000.00 each

Description and Justification

The purpose of this contract is to obtain, on assignment as needed, testing services in situations when the agency's environmental laboratory is unable to perform the testing. The laboratories will provide analytical environmental testing services for projects currently being administered by the agency. A number of contaminated sites have been identified in Michigan including sites appearing on the list of contaminated sites authorized by Part 201 and Part 213 of the Natural Resources Environmental Protection Act, 1994 PA 451, as amended. Key to resolving the contamination problems at these sites are remedial investigations and subsequent feasibility studies. Performing these environmental services require laboratory testing services to analyze samples collected from the contaminated sites. The contracts will be limited to three (3) years with a one

(1) year option with a maximum cumulative fee of \$2,000,000.00. No assignments are being made at this time. The State will benefit by having qualified laboratories which can perform analysis of environmental samples.

Funding Source

Varies by Individual Assignment

MODIFICATION TO PROFESSIONAL SERVICES CONTRACT

3. DEPARTMENT OF MILITARY AND VETERANS AFFAIRS, GRAND RAPIDS –
Veterans Home – Two New Veterans Homes
File No. 511/17006.CAK - Contract No. Y18242
The Christman Company, Lansing; Modification No. 11, Increase \$337,500.00

Description and Justification

The purpose of this modification is to provide additional construction management services for the new laundry, pharmacy, and office addition to the Grand Rapids veterans' home. These services will encompass preconstruction, bidding, and construction administration services. The need for this modification was identified by staff and will modify the construction management contract from the original construction of the facility to encompass the new scope.

REVISIONS TO CONSTRUCTION CONTRACTS

4. DEPARTMENT OF TECHNOLOGY, MANAGEMENT AND BUDGET, LANSING
 – Ottawa Parking Ramp – Fire Suppression Replacement
 File No. 171/21365.DPL - Contract No. Y23562
 RAS Contracting, Inc., Holt; CCO No. 1, Increase \$2,403,585.00

Description and Justification

The purpose of this change order is to incorporate the remaining construction phases of the fire suppression improvements as indicated in the original bid documents. The alternate #1 bid price was originally awarded for the construction contract to complete all phase 4 work. The remaining phases 1-3 and fire riser rooms work will be added to the construction contract. This is critical to ensure the entire parking garage fire suppression system is operational and up to current standards. The general contractor has agreed to honor their original bid price for the remaining construction phases.

ADDENDUM TO LEASE FOR PRIVATE PROPERTY

7. DEPARTMENT OF HEALTH AND HUMAN SERVICES, DETROIT - Addendum No. 1 to Lease No. 10479-1995 approved by the State Administrative Board on November 4, 1997, between Forest Park Properties, L.L.C, 11123 Bugai Road, Traverse City, MI , 49684, as Lessor, and the State of Michigan by the Department of Technology, Management & Budget for the Department of Health

and Human Services, as Lessee, for 49,950 square feet of space located at 1801 E. Canfield Street, Detroit, MI 48207. This Addendum provides for adding a two-year, nine month renewal option, exercising that option and updating some lease language. This Addendum is effective upon obtaining State Administrative Board approval and required signatures and continues to the termination date of the December 31, 2026, or any extension. The annual per square foot rental rate for this space beginning April 1, 2024, is \$21.50 (\$87,412.50 per month). This rate does not include public utilities, janitorial services and supplies, dumpster service, lawn care, snow removal, pest control, the replacement of tubes and bulbs or the annual operating and tax adjustment. This Lease contains a Standard cancellation clause with 120 days' notice, effective April 1, 2024. The Attorney General has approved this Addendum as to legal form.

Purpose/Business Case:

Add two years and nine months to the lease term, exercise that option and update lease language.

Benefit:

It allows DHHS to remain in the space for some additional time while they locate new space. The rental rate is within market rate for comparable space.

Funding Source:

45% General Fund; 55% Federal Funds

Commitment Level:

Through December 31, 2026; however, this Lease contains a Standard cancellation clause with 120 days' notice.

Risk Assessment:

Non-approval of this Lease will hinder the Department from remaining in its current space while looking for new space and could put them at risk of needing to find temporary space, which could cause them to incur costs they would not otherwise.

Zip Code:

48207

8. DEPARTMENT OF CIVIL RIGHTS, LANSING - Addendum No. 4 to Lease No. 10900-2008 approved by the State Administrative Board on March 3, 2009, by and between Capital Center Associates, L.L.C., and subsequently assigned to Capital Tower, LLC c/o Reid Real Estate LLC, whose address is 110 West Michigan Avenue, Suite 750, Lansing, MI 48933, as Lessor, and the State of Michigan by the Department of Technology, Management & Budget for the Department of Civil Rights, as Lessee, for 13,613 square feet of office space located at 110 West Michigan Avenue, Lansing, Michigan 48933. This Addendum provides for adding two one-year renewal options at the current rental rate to the Lease and updating Lease language. This Addendum is effective upon obtaining State Administrative Board approval and required signatures and continues to the termination date of the February 28, 2025, or any extension. The annual per square foot rental rate for this space beginning March 1, 2024, is \$16.00 (\$18,150.67 per month). This Addendum contains two one-year renewal options with an annual per square foot rental rate of \$16.00 (\$18,150.67 per month). This is a full-service Lease. This Lease contains a Standard cancellation

clause with 90-days' notice. The Attorney General has approved this Addendum as to legal form.

Purpose/Business Case:

Extend the current agreement while DCR evaluates their current space and future department space needs to accommodate growth and return to office workplan.

Benefit:

Extend the Lease for a short amount of time to give the department more time to evaluate long term space needs. The rental rate is below market rate for comparable space.

Funding Source:

100% General Fund

Commitment Level:

One year; however, this Lease contains another one-year renewal option and a Standard cancellation clause with 90-days' notice.

Risk Assessment:

Non-approval of this Lease will force the Lease into Holdover after February 29, 2024.

Zip Code:

48933

DEPARTMENT OF NATURAL RESOURCES
LANSING

January 30, 2024 No. 37

M. SCOTT BOWEN
DIRECTOR

December 21, 2023

To: Kristin Phillips, Chief Administrative Officer

Transaction: Direct Metallic Mineral Leases – Development, Nondevelopment, and Development with Restrictions

Authority: Part 5, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

Applicant: Talon Michigan LLC, of Tamarack, Minnesota

Jurisdiction: Department of Natural Resources (DNR) state-owned metallic mineral rights

Legal Description: Covington and Spurr Townships, Baraga County; Duncan Township, Houghton County; Bates, Crystal Falls, Hematite and Iron River Townships, Iron County; and Michigamme and Republic Townships, Marquette County, containing 23,288.40 acres, more or less (see attached map and parcel classification report for full legal description)

Comment: During the initial 60-day public comment period, which began on March 29, 2023, and ended on May 31, 2023, Minerals Management Section (MMS) received approximately 2800 comments. Of the comments received, approximately 2720 appeared to be a template letter sent from a worldwide call to action type of mailing list. The remaining approximately 80 comments consisted of two template letters and 30 unique submissions opposing approval of this request. Comments were received in the Lease Management Unit email inbox and the MMS general email inbox. Many of the comments received appeared to be duplicate or triplicate.

A virtual multi-agency informational public meeting was held to address previously submitted comments and questions with approximately 61 attendees. An additional 30-day question and comment period was provided after the meeting with approximately 76 additional questions and comments submitted. Questions submitted during and after the meeting were included in a summary report and posted on the DNR Metallic Minerals web page.

Direct Metallic Mineral Leases – Development, Nondevelopment, and Development with Restrictions

December 21, 2023

The recurring themes included perceived threats to the environment, possible loss of tourism revenue, and a perceived distrust in the applicant. The primary environmental concerns addressed included pollution to waterways and the use of toxic chemicals. The three submitted template letters and a copy of the report submitted by the Mining Action Group of the Upper Peninsula Environmental Coalition are attached to this memo.

- Lease Terms:** Primary term of ten years; rental for the first through fifth year at \$3.00 per acre, increasing to \$6.00 per acre for the sixth through tenth years; variable production royalty rate; option to extend term of lease from the 11th through 20th years at \$10.00 per acre beginning year 11, increasing \$5.00 per acre per year, not to exceed \$55.00 per year; and bonus consideration of \$69,867.00 (\$3.00 per acre).
- Restrictions:** A lease alone does not grant a lessee the right to explore or mine. No exploration activity shall take place on leased premises without an Exploration Plan developed by Lessee and approved by Lessor. Further permissions, including environmental permitting, would be required from local, state and/or federal authorities before any invasive exploration or development activities could occur. See attached parcel classification list for parcel classification information.
- Notice:** Public Notices were published in each county, notices were sent to those that subscribe to the State of Michigan GovDelivery news service, and notices were emailed individually to all County Commissioners, Township Supervisors, applicable Legislators, surface owners, and the Keweenaw Bay Indian Community. Additionally, maps and parcel classification reports were published on the DNR Metallic Minerals web page and a multi-agency virtual public meeting was held on October 11, 2023. This item appeared on the December 5, 2023, DNR Business Calendar and was eligible for approval December 12, 2023.
- Recommendation:** This direct lease application complies with the DNR-MMS Administrative Rules and was processed in accordance with the DNR Metallic Minerals Leasing Policy and Procedures (27.23-12), approved by the director on July 1, 2021.

Parcels were assigned to field staff responsible for review and provided the opportunity to recommend any applicable leasing

restrictions and stipulations. The included parcel classification report reflects consideration of such recommendations. All parcels were assigned leasable classifications by the responsible District Manager.

Therefore, the Minerals Management Section recommends that the metallic mineral leases be issued to the applicant pursuant to the above terms and classifications.

Matt Fry, Manager
Minerals Management Section
Finance and Operations Division

I approve the staff recommendation.

President
Michigan Strategic Fund Board

FROM: Kevin L. Francart
Chief Compliance Officer

RE: FY2024 Q1 Report of the Chief Compliance Officer. October 1, 2023 – December 31, 2023)

The Chief Compliance Officer is required to report quarterly to the State Administrative Board and the Michigan Strategic Fund Board regarding compliance with internal policies and procedures as well as applicable laws related to 21st century jobs fund programs. I am pleased to report that all compliance matters addressed during the first quarter of the 2024 fiscal year were either successfully resolved, are being appropriately addressed, or are undergoing review and are currently being evaluated.

With respect to the Michigan Strategic Fund Board, the Michigan Strategic Fund Act requires the Chief Compliance Officer to review and evaluate compliance with internal policies and procedures along with applicable state and federal law. The Chief Compliance Officer (CCO), along with the AG and MEDC Legal, assisted with the Finance and Investment Subcommittee and the Policy and Planning Subcommittee. The review of the relationship with and the economic incentives provided to Michigan Community Capital as reported previously continued. The CCO continued to assist the Department of Technology, Management, and Budget with the workgroup to implement the requirements of the Economic Development Incentive Evaluation Act, MCL 18.1751 *et seq.* The Evaluation for MSF's Capital Access programs is ongoing.

As reported previously, the CCO advised the MSF Fund Manager and Associate Fund Manager to implement the recommendation in the MSF E&I Program Evaluation to collect the tax identification number/employer identification numbers (TIN/EIN) for all of the participants in the program. In response to this advice this office was informed that: the E&I program is working with a consulting firm to assist with implementing the recommendations from the Economic Development Incentive Evaluation Act report; implementation would begin after the review is completed; and, this office will be consulted on proposed program changes to make sure that all relevant laws and regulations are being followed. The CCO assisted the MSF and AG with amending the Consent Agenda Policy. As reported previously, the CCO was advised by the AG that an analysis of Board delegations and guidelines was being conducted, in addition the AG requested that the CCO assist the MSF Board with the creation, implementation,

monitoring, and enforcement of an Investment Policy. These issues are being address by this office, the AG, MEDC, and the MSF Board through a workgroup established by Board Member Warner to address multiple topics including investments, delegations, and program guidelines. This office will assist with the drafting, monitoring, and enforcement of any policies adopted. The question previously referred to the AG regarding MCL 423.321 *et sec.*, and *Wisconsin Dept of Indus, Labor & Human Relations v Gould Inc*, 475 US 282; 106 S Ct 1057; 89 L Ed 2d 223 (1986), remains outstanding. As reported previously, the site visit guidelines were changed by the MEDC compliance section to no longer require a minimum number of site visits, thus, site visits are being performed pursuant to the site visit guidelines.

The Chief Compliance Officer provided informal advice regarding various issues arising this quarter concerning such topics as the conflict of interest determination, authorized use of 21st century job fund funds, and compliance with established Board policy and limitations.
