11:00 A.M. Lake Superior Room, 1<sup>st</sup> Floor  
Michigan Library and Historical Center

.....  
This agenda is for general informational purposes only. At its discretion, the Building Committee may revise this agenda and may take up other issues at the meeting.

### **AWARD OF CONSTRUCTION CONTRACTS**

1. DEPARTMENT OF TECHNOLOGY, MANAGEMENT AND BUDGET, SAGINAW  
– Jerome Hart State Office Building – Fire-Alarm System Replacement  
File No. 171/22202.HJD - Contract No. Y24391  
Recommended Award: J & B Associates, LLC, Gladwin; \$994,000.00

#### **Description and Justification**

The purpose of this contract is to replace the fire alarm system in the site and install a new head-end system at the Joint Operations Center. The existing proprietary fire alarm system utilizes outdated technology that is discontinued and replacement devices are no longer manufactured. The fire alarm system and related technology must be replaced to continue providing safety to building occupants.

#### **Funding Source**

100% Enterprisewide Funds

2. DEPARTMENT OF CORRECTIONS, MUSKEGON HEIGHTS – Muskegon  
Correctional Facility – Emergency Generator and Switch Gear Upgrade  
File No. 472/23313.HJD - Contract No. Y24392  
Recommended Award: Russel & Associates, LLC, Lake Odessa; \$3,218,500.00

#### **Description and Justification**

The purpose of this contract is to replace the high voltage primary switchgear, emergency generators and low voltage distribution switchgear. The current generator has exceeded its expected service life and cannot support the electrical capacity required for the facility. The new generator will provide capacity for the entire facility in the event of a power outage. This work is required to maintain the safety and welfare of occupants.

#### **Funding Source**

100% Enterprisewide Funds

3. DEPARTMENT OF CORRECTIONS, MUSKEGON HEIGHTS – Muskegon  
Correctional Facility – New Educational Greenhouse  
File No. 472/23352.HJD - Contract No. Y24393  
Recommended Award: Tamarack Builders, Inc., Lakeview; \$959,000.00

**Description and Justification**

The purpose of this contract is to provide a new educational greenhouse to replace the previous greenhouse, which was damaged when the roof collapsed from excessive snow. The new greenhouse will continue to serve the existing horticultural education program at the facility.

**Funding Source**

100% Agency Operating Funds

4. DEPARTMENT OF HEALTH AND HUMAN SERVICES, SALINE – Center for Forensic Psychiatry – Anti-Ligature  
File No. 491/21166.TYC - Contract No. Y24394  
Recommended Award: RAS Contracting, Inc., Holt; \$2,943,500.00

**Description and Justification**

The purpose of this contract is to furnish and install renovations, including fixed equipment and accessories for compliance with federal anti-ligature requirements. This work is needed for the facility to maintain compliance with licensing requirements of the state and federal governments.

**Funding Source**

89% Lump Sum Special Maintenance Funds

11% Agency Operating Funds

5. DEPARTMENT OF STATE POLICE, SAULT STE. MARIE – Michigan State Police Post – Locker Room/Breakroom Renovations  
File No. 551/22205.ABG - Contract No. Y24395  
Recommended Award: Nomad Construction, Inc., Sault Ste. Marie; \$580,000.00

**Description and Justification**

The purpose of this contract is to renovate the existing locker rooms and breakroom including new single occupancy toilet/shower rooms, new staff locker room, finish updates to the existing breakroom, new server room and storage room. The existing toilets and shower do not meet ADA requirements nor provide the necessary privacy and the project will better serve the state troopers working in the facility.

**Funding Source**

6. DEPARTMENT OF NATURAL RESOURCES, DETROIT – Belle Isle Park — Wilson and Driker Trails  
File No. 751/22189.MNB - Contract No. Y24396  
Recommended Award: Anglin Civil Constructors, Ltd., Novi; \$4,155,472.60

**Description and Justification**

The purpose of this contract is to reinforce portions of the Belle Isle northern shoreline, plant a stabilizing plant cover at the southern shore and to build a walking path circling portion of Belle Isle. The shoreline stabilization and reinforcement are needed to protect the shores against erosion resulting from the Detroit River wave action. The walking

path is needed for pedestrian safety since there is no dedicated walking path at the southern side of Belle Isle.

12. DEPARTMENT OF ENVIRONMENT, GREAT LAKES AND ENERGY  
 MUSKEGON – Former Ott/Story/Cordova Superfund Site – Operation and  
 Maintenance  
 File No. 761/10345.SAR - Contract No. Y14339  
 Fishbeck, Grand Rapids; Modification No. 15, Increase \$1,985,407.00

**Description and Justification**

The purpose of this modification is to provide continued operation and maintenance (O&M) of the existing contaminated groundwater extraction and treatment system for one year. The site was a former specialty organic chemical manufacturer. Disposal practices resulted in contamination of the site soils and groundwater. The contaminated groundwater is controlled from migrating to the adjacent surface water body by the groundwater extraction system. Extracted groundwater is treated for discharge to the North Muskegon River. It is anticipated that the system will continue to operate until a complete remediation system is installed, or the site is remediated. Tasks include O&M of the groundwater treatment facilities, extraction well system, and other infrastructure;

home office support; chemicals to operate the treatment facilities including activated carbon; sludge removal; supplemental laboratory fees; utilities; engineering design services for equipment repair/replacement, and additional as-needed engineering support; and reporting. The work is needed to protect public health, safety, welfare, and the environment.

 File No. 761/16174.SAR - Contract No. Y16237  
 Weston Solutions of Michigan, Inc., Okemos; Modification No. 9, Increase  
 \$105,515.04

### **Description and Justification**

The purpose of this modification is to continue operation and maintenance (O&M) oversight services and monitoring for one additional year. The site is a former dry cleaner. The tasks include review of monthly O&M reports and site data; update the

existing conceptual site model; review of monthly invoices and inspection of the system; review of monthly data collected by the O&M contractor; completion of monthly online National Pollutant Discharge Elimination System permit reporting; evaluation of groundwater data to identify data gaps; and updating the area-wide groundwater model. The work is needed to protect public health, safety, welfare, and the environment.

 File No. 472/19446.HJD - Contract No. Y21162  
 RAS Contracting, Inc., Holt; CCO No. 6, Increase \$339,983.40

### **Description and Justification**

The purpose of this change order is for shoring and repairing deteriorated structural steel columns within the kettle pan support wall, repairing the plumbing at existing floor drains, replacing deteriorated water lines, and replacing a deteriorated electrical panel. These items were originally concealed within walls and floors and were not visible prior to construction. The deterioration was discovered during food service kitchen renovations. Add for work associated with the renovation and installation of a new freezer system to replace the existing freezer room. The existing freezer room was originally design as a cooler space and is not insulated properly to maintain required freezer temperatures for proper food storage, especially during high outdoor

temperatures. Lack of insulation has resulted in deterioration and shifting of an interior structural block wall and lintel damage due to continuous freeze/thaw damage. This work should be completed simultaneously with the food service kitchen renovation work to minimize disruption to the food service operations. This work is required to maintain health and safety of building occupants.

## **GRANT OF EASEMENTS**

21. DEPARTMENT OF TECHNOLOGY, MANAGEMENT AND BUDGET (DTMB) FOR THE DEPARTMENT OF CORRECTIONS, TOWNSHIP OF KINROSS, CHIPPEWA COUNTY: A recommendation and request that the State Administrative Board grant to Cloverland Electric Cooperative, whose address is 2916 W. M-28, Dafer, MI 49724, a permanent non-exclusive easement for purposes of allowing Grantee to install, construct, maintain, operate, repair and replace a buried electric power line and related appurtenances as needed to provide electric power service to the Michigan Department of Corrections (DOC) staff gunnery range which is part of the Kinross Correctional Facility located at 4533 W. Industrial Park Drive, Kincheloe, MI 49788. Said easement is described as follows:

A 16' wide utility easement over and across that part of the Southeast 1/4 of the Northeast 1/4 of Section 32, Town 45 North, Range 01 West, Kinross Township, Chippewa County, Michigan, Commencing at the East 1/4 corner of said Section 32 (the East line of said Section 32 bears N02°15'54"W); thence N45°35'12"W a distance of 969.54 feet to the POINT OF BEGINNING of this description; thence N57°28'50"W a distance of 16.11 feet; thence S39°14'15"W a distance of 80.12 feet; thence S19°03'28"E a distance of 11.88 feet; thence N62°41'34"E a distance of 2.08 feet; thence S27°19'06"E a distance of 47.99 feet; thence N62°41'11"E a distance of 7.12 feet; thence N19°03'28"W a distance of 49.13 feet; thence N39°14'15"E a distance of 73.08 feet to the POINT OF BEGINNING.

This easement would be granted subject to easements and restrictions of record, if any. The Office of the Attorney General has approved this easement agreement as to legal form.

### **Purpose:**

This easement will allow the Grantee to install, construct, maintain, operate, repair, and replace a buried electric power line and related appurtenances on State-owned property under DOC's administrative jurisdiction.

**Benefit:** The electric power line made possible by this easement will provide electric power to the Kinross Correctional Facility's gunnery practice range for staff as needed for lighting, signaling and automatic target manipulation.

### **Commitment:**

This easement will be a permanent, non-exclusive easement subject to existing easements and restrictions of record, if any. If the easement remains unused for a period of two years, it will revert to the Grantor. The power line to be installed pursuant to this easement will be used to serve old DOC and no other customer of Cloverland Electric Cooperative.

**Risk Assessment:**

Failure to grant this easement will preclude the State from earning the easement revenue specified above for the General Fund.

22. DEPARTMENT OF TECHNOLOGY, MANAGEMENT AND BUDGET (DTMB) FOR THE DEPARTMENT OF CORRECTIONS, TOWNSHIP OF BLACKMAN, JACKSON COUNTY: A recommendation and request that the State Administrative Board grant to the County of Jackson, whose address is Jackson County Tower Building, 120 W Michigan Avenue, Jackson, MI 49201, a permanent non-exclusive easement for purposes of constructing, maintaining and operating a public recreational trailhead as part of Grantee's "Mike Levine Lakelands Trail" on land which is owned by the State of Michigan and under the administrative jurisdiction of its Department of Corrections (DOC). The easement area is located in the southwest 1/4 of Section 14, Town 2 South, Range 1 West, Blackman Charter Township, Jackson County and is more specifically described as:

BEGINNING AT THE INTERSECTION OF THE NORTHERLY RIGHT-OF-WAY LINE OF PARNALL ROAD (66 FEET WIDE) AND THE WESTERLY RIGHT-OF-WAY LINE OF COOPER STREET (66 FEET WIDE) SAID INTERSECTION BEING 892.14 FEET S 89° 28' 14" W (ALONG THE SOUTH LINE OF SAID SECTION 14) AND 36.20 FEET N 23° 44' 56" E (ALONG THE WESTERLY RIGHT-OF-WAY LINE OF COOPER STREET) FROM THE SOUTH 1/4 CORNER OF SAID SECTION 14; THENCE S 89° 28' 14" W 40.01 FEET ALONG SAID NORTHERLY RIGHT-OF-WAY LINE OF PARNALL ROAD; THENCE N 33° 19' 31" E 37.36 FEET; THENCE N 89° 29' 27" E 33.19 FEET TO SAID WESTERLY RIGHT-OF-WAY LINE OF COOPER STREET; THENCE S 23° 44' 56" W 34.02 FEET ALONG SAID WESTERLY RIGHT-OF-WAY LINE OF COOPER STREET TO THE POINT OF BEGINNING.

This easement has a total area of 1,135 square feet abutting the NW corner of Parnall Road and Cooper Street. The Office of the Attorney General has approved this easement agreement as to legal form.

**Purpose:**

The easement would allow Jackson County to construct, maintain and operate a public recreational trailhead as part of its "Mike Levine Lakelands Trail". The trail, including that small part of it in the proposed easement area would for non-motorized uses and operate from dawn to dusk only. The trailhead could be temporarily closed by DOC if DOC's own security needs ever require it. The trailhead would also be subject to

various other prudent operating requirements of the State as stated in the terms of the easement.

**Benefit:**

Granting of this easement will allow the State to facilitate local government public recreation development plans at no expense or inconvenience to the State while generating \$750.00 in revenue for the General Fund in accordance with the Easement Fee Schedule adopted by the State Administrative Board. The County's trailhead infrastructures planned for installation in the easement area will also likely have the effect of making the intersection of Parnell Road and Cooper Street safer for both pedestrians and motorists.

**Commitment:**

This easement will be a permanent, non-exclusive easement subject to existing easements and restrictions of record, if any. If the easement remains unused for a period of two years, it will revert to the Grantor.

**Risk Assessment:**

Failure to grant this easement will preclude Jackson County from developing and utilizing a small but important trailhead for its public recreation project known as the Mike Levine Lakelands Trail and would impose a break in that trail which is not optimized for trail safety at a busy road intersection. Note that the easement area is completely outside any fenced or otherwise secure area of the nearby Cooper Street prison.

**LEASE FOR PRIVATE PROPERTY**

23. DEPARTMENT OF STATE, TROY - Renewal Lease No. 10680-2023 with Long Lake Plaza Associates, L.L.C., 1147 East Long Lake Road, Suite No. 1, Troy, Michigan 48085, as Lessor, and the State of Michigan by the Department of Technology, Management & Budget for the Department of State, as Lessee, for 4,629 square feet of office space located at 1111 East Long Lake Road, Troy, Michigan 48085. The Lease is effective upon obtaining State Administrative Board approval and required signatures. The annual per square foot rental rate for this space beginning June 1, 2024, is \$21.50 (\$8,293.63 per month). This rate does not include public utilities, and janitorial. This Lease contains two 5-year renewal options with an annual per square foot rental rate of \$23.00 (\$8,872.25 per month) and \$24.50 (\$9,450.88 per month) respectively. This Lease contains a Standard cancellation clause with 90 days notice. The Attorney General has approved this Lease as to legal form.

**Purpose/Business Case:**

The Department would like to renew their Lease at their current location.

**Benefit:**

The benefit of renewing this Lease allows the Department to continue serving their clients in a location that continues to meet both Department's needs and their client's needs alike. The rental rate is within market rate for comparable space.

**Funding Source:**

.72% General Fund; 99.28% Restricted Funds (Auto Repair Facility Fees 1.18%, Driver Fees 7.02%, Enhanced DL & Personal ID Card Fund 3.50%, Transportation Administration Collection Fund 87.58%).

**Commitment Level:**

Ten (10) years; however, this Lease contains two 5-year renewal options and a Standard cancellation clause with 90 days notice.

**Risk Assessment:**

Non-approval of this Lease will hinder the Department from renewing their tenancy at a location that is familiar to their clientele. Further, a move would expose the Department to unknown relocation costs, rental rates, and build out costs.

## **CONTRACTS**

### 3. **\*HIGHWAYS (Maintenance) - State Trunkline Maintenance**

Contract (2024-0323) between MDOT and the City of Grand Rapids will provide for statewide trunkline maintenance for a five-year period. The contract will be in effect from October 1, 2024, through September 30, 2029.

Public Act (PA) 17 of 1925 authorizes MDOT to contract with cities, villages, and boards of county road commissions for the construction, improvement, and maintenance of state trunkline highways. Under the terms of the standard maintenance contracts, the cities, villages, and boards are reimbursed for audited labor, equipment rental, and material charges in accordance with the provisions of the contracts. This maintenance contract was not competitively bid but was negotiated with the local unit of government. MDOT has made findings that such negotiated contracts are in the public interest and has transmitted those findings in accordance with Section 11c of 1951 PA 51, MCL 247.66a(c).

This contract is on a cost reimbursement basis, subject to final audit to actual costs. Billings are submitted by the municipality on a quarterly basis to be approved by the Region. Actual work is planned by the Region in cooperation with the municipality. In general, the total amount for the maintenance budget is based on legislative appropriations; the Region establishes and administers the individual municipal budget. Source of Funds: 100% State Restricted Trunkline Funds.

### 4. **\*HIGHWAYS (Maintenance) - Construction of a Concrete Wall Chemical Storage Facility**

Contract (2024-0608) between MDOT and the Marquette County Road Commission will provide for the construction of a chemical storage facility in Marquette County. The contract will be in effect from the date of award through two years. The contract amount will be \$3,000,000. Source of Funds: 98% State Restricted Trunkline Funds and 2% Marquette County Road Commission.

## MEMORANDUM

July 9, 2024

TO: Honorable Gretchen Whitmer  
Governor and Chairperson of the State Administrative Board.

Quentin L. Messer Jr.  
President  
Michigan Strategic Fund Board

FROM: Kevin L. Francart  
Chief Compliance Officer

RE: FY2024 Q3 Report of the Chief Compliance Officer. April 1, 2024 – June 30, 2024

The Chief Compliance Officer is required to report quarterly to the State Administrative Board and the Michigan Strategic Fund Board regarding compliance with internal policies and procedures as well as applicable laws related to MSF programs. I am pleased to report that all compliance matters addressed during the third quarter of the 2024 fiscal year were either successfully resolved, are being appropriately addressed, or are undergoing review and are currently being evaluated.

With respect to the Michigan Strategic Fund Board, the Michigan Strategic Fund Act requires the Chief Compliance Officer to review and evaluate compliance with internal policies and procedures along with applicable state and federal law. The Chief Compliance Officer (CCO), along with the AG and MEDC Legal, assisted with the Finance and Investment Subcommittee and the Policy and Planning Subcommittee. The review of the relationship with and the economic incentives provided to Michigan Community Capital, as reported previously, continued. The CCO continued to assist the Department of Technology, Management, and Budget with the workgroup to implement the requirements of the Economic Development Incentive Evaluation Act, MCL 18.1751 *et seq.* The Evaluation for MSF's Capital Access programs was completed and a phase 3 is being planned to evaluate the Michigan State Trade Expansion Program (MI-STEP). The CCO assisted the MSF and the AG in analyzing a question from a MSF Board member regarding SSBCI Insider regulations and the rules and agreements surrounding both the manner of funding and use of funds by a recipient. The analysis found that the federal regulations would have allowed for segregation of funds allowing an recipient of the SSBCI funds to invest in an MSF Board Member's company (provided all other conflict of interest rules were followed), however the agreements between the MSF and recipients did not allow for the segregation of funds, thus the investment would not be allowable. The CCO coordinated with the FBI in providing services to the MSF, MEDC, and incentive recipients. As reported previously, the CCO was advised by the AG that an analysis of Board delegations and guidelines was being conducted, in addition the AG requested that the CCO assist the MSF Board with the creation, implementation, monitoring, and enforcement of an Investment Policy.

These issues are being address by this office, the AG, MEDC, and the MSF Board through a workgroup established by Board Member Warner to address multiple topics including investments, delegations, and program guidelines. This office will assist with the drafting, monitoring, and enforcement of any policies adopted. The question previously referred to the AG regarding MCL 423.321 *et sec.*, and *Wisconsin Dept of Indus, Labor & Human Relations v Gould Inc*, 475 US 282; 106 S Ct 1057; 89 L Ed 2d 223 (1986), remains outstanding. Additionally, a question from a Board member was referred to the AG in November 2023 regarding “does the MEDC have a fiduciary responsibility to the MSF Board? If so, what is it and how is it enforced/monitored?” remains outstanding as well. As reported previously, the site visit guidelines were changed by the MEDC compliance section to no longer require a minimum number of site visits, thus, site visits are being performed pursuant to the site visit guidelines.

The Chief Compliance Officer provided informal advice regarding various issues arising this quarter concerning such topics as the conflict of interest determination, authorized use of 21st century job fund funds, and compliance with established Board policy and limitations.
