Google Cloud Master Agreement– Public Sector Direct

This Google Cloud Master Agreement is comprised of the Google Cloud Master Agreement General Terms (“General Terms”), and all Services Schedules and Order Forms that are incorporated by reference into the Google Cloud Master Agreement (collectively, the “Agreement”), and is entered into by Google LLC, with offices at 1600 Amphitheatre Parkway, Mountain View, CA 94043 (“Google”) and the State of Michigan, with offices at 320 S Walnut St #6, Lansing, MI 48933 (“Customer”).

This contract consists of the following documents. If there is a conflict among the documents that make up the Agreement, then the documents will control in the following order:

1. Addendum to Contractor terms for cloud and infrastructure as a service (IaaS) products
2. Google Cloud Master Agreement
3. Google Cloud Platform Services Schedule
4. Implementation Services Schedule

Google Cloud Master Agreement General Terms

1. **Services.** The Customer is seeking to consume Services for the purpose of provision processing, storage, networks, and other fundamental computing resources where the State is able to deploy and run arbitrary software, which can include operating systems and applications. Google will provide the Services specified in an Order Form in accordance with the Agreement, including the SLAs, and Customer and its End Users may use the Services in accordance with the Services Schedule.

2. **Customer Obligations.**

2.1 **Consents.** Customer is responsible for any consents and notices required to permit (a) Customer’s use and receipt of the Services and (b) Google’s accessing, storing, and processing of data provided by Customer (including Customer Data, if applicable) under the Agreement.

2.2 **Compliance.** Customer will (a) ensure that Customer and its End Users’ use of the Services complies with the Agreement, (b) use commercially reasonable efforts to prevent and terminate any unauthorized access or use of the Services, and (c) promptly notify Google of any unauthorized use of, or access to, the Services of which Customer becomes aware.

2.3 Use Restrictions. Customer will not, and will not allow End Users to, (a) copy, modify, create a derivative work of, reverse engineer, decompile, translate, disassemble, or otherwise attempt to extract any of the source code of the Services (except to the extent such restriction is expressly prohibited by applicable law); (b) sell, resell, sublicense, transfer, or distribute the Services; or (c) access or use the Services (i) for High Risk Activities; (ii) in a manner intended to avoid incurring Fees; (iii) for materials or activities that are subject to the International Traffic in Arms Regulations (ITAR) maintained by the United States Department of State; (iv) in a manner that breaches, or causes the breach of, Export Control Laws; or (v) to transmit, store, or process health information subject to United States HIPAA regulations except as permitted by an executed HIPAA BAA.

3. Payment Terms.

3.1 Payment. Google will invoice Customer for the Fees. Customer will pay Google all invoiced amounts by the Payment Due Date. All payments are due in the currency described in the invoice. Wire transfer payments must include the bank information described in the invoice.

3.2 Taxes. Google will itemize any invoiced Taxes. Customer will pay invoiced Taxes unless Customer provides a valid tax exemption certificate or is an agency or department of a U.S. federal, state, or local government. Customer may withhold Taxes if Customer provides a valid receipt evidencing the taxes withheld.

3.3 Invoice Disputes. Customer may dispute invoiced Fees if Customer believes in good faith that Fees were inaccurately invoiced (an "Invoice Dispute"). Invoice Disputes must be submitted to collections@google.com and identify all disputed amounts and the reasons for dispute. Google will review in good faith all Invoice Disputes, and will provide Customer an explanation of Fees due following such review (an "Invoice Dispute Report"). If an Invoice Dispute is submitted before the Payment Due Date, then notwithstanding Section 3.1 (Payment), (a) Customer must only pay the amounts not subject to the Invoice Dispute, and (b) unpaid Fees stated in an Invoice Dispute Report to be accurately invoiced are due within 30 days after delivery of such report. If an Invoice Dispute is submitted after the Payment Due Date and the Invoice Dispute Report states that Fees paid were incorrectly invoiced, then Google will issue a credit equal to the agreed amount.

3.4 Overdue Payments.

(a) If Customer's payment is overdue, then Google may (i) charge interest on overdue amounts at 1.5% per month (or the highest rate permitted by law, if less) from the Payment Due Date until paid in full, and (ii) Suspend the Services.

(b) Customer will reimburse Google for all reasonable expenses (including attorneys' fees) incurred by Google in collecting overdue payments except where such payments are due to Google's billing inaccuracies.

3.5 Purchase Orders. If Customer requires a purchase order number on its invoice, Customer will provide a purchase order number in the Order Form. If Customer does not provide a purchase order number, then (a) Google will invoice Customer without a purchase order number, and (b) Customer will pay invoices without a purchase order number referenced. Any terms on a purchase order are void.

3.6 RESERVED.

4. Intellectual Property.

4.1 Intellectual Property Rights. Except as expressly described in the Agreement, the Agreement does not grant either party any rights, implied or otherwise, to the other's content or Intellectual Property. As between the parties, Customer retains all Intellectual Property Rights in Customer Data and Customer Applications, and Google retains all Intellectual Property Rights in the Services and Software.

4.2 Feedback. At its option, Customer may provide feedback and suggestions about the Services to Google ("Feedback"). If Customer provides Feedback, then Google and its Affiliates may use that Feedback without restriction and without obligation to Customer.

5. Confidentiality.

5.1 Use and Disclosure of Confidential Information. The Recipient will only use the Disclosing Party's Confidential Information to exercise its rights and fulfill its obligations under the Agreement, and will use reasonable care to protect against the disclosure of the Disclosing Party's Confidential Information. Notwithstanding any other provision in the Agreement, the Recipient may disclose the Disclosing Party's Confidential Information (a) to its Delegates who have a need to know and who are bound by confidentiality obligations at least as protective as those in this Section 5 (Confidentiality); (b) with the Disclosing Party's written consent; or (c) as strictly necessary to comply with Legal Process, provided the Recipient promptly notifies the Disclosing Party prior to such disclosure unless the Recipient is legally prohibited from doing so. The Recipient will comply with the Disclosing Party's reasonable requests to oppose disclosure of its Confidential Information. Google acknowledges that the Customer may be subject to and must comply with the Freedom of Information Act (FOIA) or similar Open Records/Sunshine law.

5.2 **Redirect Disclosure Request.** If the Recipient receives Legal Process for the Disclosing Party's Confidential Information, the Recipient will first attempt to redirect the third party to request it from the Disclosing Party directly. To facilitate this request, the Recipient may provide the Disclosing Party's basic contact information to the third party.

6. **Marketing and Publicity.** Each party may use the other party's Brand Features in connection with the Agreement as permitted in the Agreement. Customer may state publicly that it is a Google customer and display Google Brand Features in accordance with the Trademark Guidelines. Customer and Google will work together on an announcement of Customer being a Google customer, which will take place on a mutually agreed upon date within 6 months of the Effective Date. Additionally, with prior written consent, the parties may engage in joint marketing activities such as customer testimonials, announcements, press engagements, public speaking events, and analyst interviews. A party may revoke the other party's right to use its Brand Features with 30 days' written notice. Any use of a party's Brand Features will inure to the benefit of the party holding Intellectual Property Rights to those Brand Features.

7. **Representations and Warranties.** Each party represents and warrants that it (a) has full power and authority to enter into the Agreement and (b) will comply with all laws and regulations applicable to its provision, receipt, or use of the Services, as applicable.

8. **Disclaimer.** Except as expressly provided for in the Agreement, to the fullest extent permitted by applicable law, Google (a) does not make any warranties of any kind, whether express, implied, statutory, or otherwise, including warranties of merchantability, fitness for a particular use, noninfringement, or error-free or uninterrupted use of the Services or Software and (b) makes no representation about content or information accessible through the Services.

9. **Indemnification.**

9.1 **Google Indemnification Obligations.** Google will defend Customer and its Affiliates participating under the Agreement ("Customer Indemnified Parties"), and indemnify them against Indemnified Liabilities in any Third-Party Legal Proceeding to the extent arising from an allegation that the Customer Indemnified Parties' use of Google Indemnified Materials infringes the third party's Intellectual Property Rights.

9.2 **Customer Indemnification Obligations.** Subject to applicable federal or state law, and without waiving sovereign immunity, Customer will defend Google and its Affiliates and indemnify them against Indemnified Liabilities in any Third-Party Legal Proceeding to the extent arising from (a) any Customer Indemnified Materials or (b) Customer's or an End User's use of the Services in breach of the AUP or the Use Restrictions. This

section will not apply if the Customer is prohibited from agreeing to any vendor indemnification requirement.

9.3 Indemnification Exclusions. Sections 9.1 (Google Indemnification Obligations) and 9.2 (Customer Indemnification Obligations) will not apply to the extent the underlying allegation arises from (a) the indemnified party's breach of the Agreement or (b) a combination of the Google Indemnified Materials or Customer Indemnified Materials (as applicable) with materials not provided by the indemnifying party under the Agreement, unless the combination is required by the Agreement.

9.4 Indemnification Conditions. Sections 9.1 (Google Indemnification Obligations) and 9.2 (Customer Indemnification Obligations) are conditioned on the following:

(a) The indemnified party must promptly notify the indemnifying party in writing of any allegation(s) that preceded the Third-Party Legal Proceeding and cooperate reasonably with the indemnifying party to resolve the allegation(s) and Third-Party Legal Proceeding. If breach of this Section 9.4(a) prejudices the defense of the Third-Party Legal Proceeding, the indemnifying party's obligations under Section 9.1 (Google Indemnification Obligations) or 9.2 (Customer Indemnification Obligations) (as applicable) will be reduced in proportion to the prejudice.

(b) The indemnified party must tender sole control of the indemnified portion of the Third-Party Legal Proceeding to the indemnifying party, subject to the following: (i) the indemnified party may appoint its own non-controlling counsel, at its own expense; and (ii) any settlement requiring the indemnified party to admit liability, pay money, or take (or refrain from taking) any action, will require the indemnified party's prior written consent, not to be unreasonably withheld, conditioned, or delayed.

9.5 Remedies.

(a) If Google reasonably believes the Services might infringe a third party's Intellectual Property Rights, then Google may, at its sole option and expense, (i) procure the right for Customer to continue using the Services, (ii) modify the Services to make them non-infringing without materially reducing their functionality, or (iii) replace the Services with a non-infringing, functionally equivalent alternative.

(b) If Google does not believe the remedies in Section 9.5(a) are commercially reasonable, then Google may Suspend or terminate the impacted Services. If Google terminates Services under this Section 9.5 (Remedies), then upon Customer request (i) Google will refund to Customer any unused prepaid Fees that Customer paid to Google for use of the terminated Services, and (ii) if Customer has made financial commitments in an Order Form or addendum to the Agreement, then

Google will agree to amend such commitments proportional to Customer's spend on the terminated Services in the year preceding the termination of the Services.

9.6 Sole Rights and Obligations. Without affecting either party's termination rights, this Section 9 (Indemnification) states the parties' sole and exclusive remedy under the Agreement for any third-party allegations of Intellectual Property Rights infringement covered by this Section 9 (Indemnification).

10. Liability.

10.1 Limited Liabilities.

(a) To the extent permitted by applicable law and subject to Section 10.2 (Unlimited Liabilities), neither party will have any Liability arising out of or relating to the Agreement for any

- (i) indirect, consequential, special, incidental, or punitive damages or
- (ii) lost revenues, profits, savings, or goodwill.

(b) Each party's total aggregate Liability for damages arising out of or relating to the Agreement is limited to the Fees Customer paid under the applicable Services Schedule during the 12 month period before the event giving rise to Liability.

10.2 Unlimited Liabilities. Nothing in the Agreement excludes or limits either party's Liability for:

- (a) death, personal injury, or tangible personal property damage resulting from its negligence or the negligence of its employees or agents;
- (b) its fraud or fraudulent misrepresentation;
- (c) its obligations under Section 9 (Indemnification);
- (d) its infringement of the other party's Intellectual Property Rights;
- (e) its payment obligations under the Agreement; or

11.2 Termination for Convenience. Subject to any financial commitments in an Order Form or addendum to the Agreement, Customer may terminate the Agreement or an Order Form for convenience with 30 days' prior written notice to Google.

11.3 Termination for Breach.

(a) Termination of an Order Form. Either party may terminate an Order Form if the other party is in material breach of the applicable Services Schedule and fails to cure that breach within 30 days after receipt of written notice.

(b) Termination of the Agreement. Either party may terminate the Agreement if the other party (i) is in material breach of the Agreement and fails to cure that breach within 30 days after receipt of written notice, (ii) ceases its business operations, or (iii) becomes subject to insolvency proceedings and such proceedings are not dismissed within 90 days.

11.4 Effects of Termination. If the Agreement terminates, then all Services Schedules and Order Forms also terminate. If an Order Form terminates or expires, then after that Order Form's termination or expiration effective date, (a) all rights and access to the Services under that Order Form will terminate (including access to Customer Data, if applicable), unless otherwise described in the applicable Services Schedule, and (b) Google will send Customer a final invoice (if applicable) for payment obligations under that Order Form. Termination or expiration of one Order Form will not affect other Order Forms.

12.7 No Agency. The Agreement does not create any agency, partnership, or joint venture between the parties.

12.8 No Waiver. Neither party will be treated as having waived any rights by not exercising (or delaying the exercise of) any rights under the Agreement.

12.9 Severability. If any part of the Agreement is invalid, illegal, or unenforceable, the rest of the Agreement will remain in effect.

- b. For Federal Government Entities. If Customer is a federal government entity then the following applies: This Agreement will be governed by and interpreted and enforced in accordance with the laws of the United States of America without reference to conflict of laws. Solely to the extent permitted by federal law: (i) the laws of the State of California (excluding California's choice of law rules) will apply in the absence of applicable federal law; and (ii) FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE PARTIES CONSENT TO PERSONAL JURISDICTION IN, AND THE EXCLUSIVE VENUE OF, THE COURTS IN SANTA CLARA COUNTY, CALIFORNIA.

12.15 Entire Agreement. The Agreement states all terms agreed between the parties, and supersedes any prior or contemporaneous agreements between the parties relating to the subject matter of the Agreement. In entering into the Agreement, neither party has relied on, and neither party will have any right or remedy based on, any statement, representation, or warranty (whether made negligently or innocently), except those expressly described in the Agreement.
