STANDARD CONTRACT TERMS

This STANDARD CONTRACT (“**Contract**”) is agreed to between the State of Michigan (the “**State**”) and The Rapid Group, LLC (“**Contractor**”), a Michigan limited liability company. This Contract is effective on October 1, 2022 (“**Effective Date**”), and unless terminated, expires on September 30, 2027.

This Contract may be renewed for up to five (5) additional one-year period(s). Renewal is at the sole discretion of the State and will automatically extend the Term of this Contract. The State will document its exercise of renewal options via Contract Change Notice.

The parties agree as follows:

1. **Duties of Contractor.** Contractor must perform the services and provide the deliverables described in **Schedule A – Statement of Work** (the “**Contract Activities**”). An obligation to provide delivery of any commodity is considered a service and is a Contract Activity.

Contractor must furnish all labor, equipment, materials, and supplies necessary for the performance of the Contract Activities unless otherwise specified in Schedule A.

Contractor must: (a) perform the Contract Activities in a timely, professional, safe, and workmanlike manner consistent with standards in the trade, profession, or industry; (b) meet or exceed the performance and operational standards, and specifications of the Contract; (c) provide all Contract Activities in good quality, with no material defects; (d) not interfere with the State’s operations; (e) obtain and maintain all necessary licenses, permits or other authorizations necessary for the performance of the Contract; (f) cooperate with the State, including the State’s quality assurance personnel, and any third party to achieve the objectives of the Contract; (g) return to the State any State-furnished equipment or other resources in the same condition as when provided when no longer required for the Contract; (h) assign to the State any claims resulting from state or federal antitrust violations to the extent that those violations concern materials or services supplied by third parties toward fulfillment of the Contract; (i) comply with all State physical and IT security policies and standards which will be made available upon request; and (j) provide the State priority in performance of the Contract except as mandated by federal disaster response requirements. Any breach under this paragraph is considered a material breach.

Contractor must also be clearly identifiable while on State property by wearing identification issued by the State, and clearly identify themselves whenever making contact with the State.

2. **Notices.** All notices and other communications required or permitted under this Contract must be in writing and will be considered given and received: (a) when verified by written receipt if sent by courier; (b) when actually received if sent by mail without verification of receipt; or (c) when verified by automated receipt or electronic logs if sent by facsimile or email.

5. **Performance Guarantee.** Contractor must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the Contract and must provide proof upon request. The State may require a performance bond (as specified in Schedule A – Statement of Work) if, in the opinion of the State, it will ensure performance of the Contract.

6. **Insurance Requirements.** See Schedule C.

7. **Administrative Fee and Reporting.** Contractor must pay an administrative fee of 1% on all payments made to Contractor under the Contract including transactions with the State (including its departments, divisions, agencies, offices, and commissions), MiDEAL members, and other states (including governmental subdivisions and authorized entities). Administrative fee payments must be made online by check or credit card at: <https://www.thepayplace.com/mi/dtmb/adminfee>

Contractor must submit an itemized purchasing activity report, which includes at a minimum, the name of the purchasing entity and the total dollar volume in sales. Reports should be mailed to MiDeal@michigan.gov.

The administrative fee and purchasing activity report are due within 30 calendar days from the last day of each calendar quarter.

8. **Extended Purchasing Program.** This contract is extended to MiDEAL members. MiDEAL members include local units of government, school districts, universities, community colleges, and nonprofit hospitals. A current list of MiDEAL members is available at www.michigan.gov/mideal.

Upon written agreement between the State and Contractor, this contract may also be extended to: (a) other states (including governmental subdivisions and authorized entities) and (b) State of Michigan employees.

If extended, Contractor must supply all Contract Activities at the established Contract prices and terms. The State reserves the right to impose an administrative fee and negotiate additional discounts based on any increased volume generated by such extensions.

Contractor must submit invoices to, and receive payment from, extended purchasing program members on a direct and individual basis.

9. **Relationship of the Parties.** The relationship between the parties is that of independent contractors. Contractor, its employees, and agents will not be considered employees of the State. No partnership or joint venture relationship is created by virtue of this Contract. Contractor, and not the State, is responsible for the payment of wages, benefits and taxes of Contractor’s employees and any subcontractors. Prior performance

does not modify Contractor's status as an independent contractor. Neither party has authority to contract for nor bind the other party in any manner whatsoever.

1. **Intellectual Property Rights.** If Schedule A, Statement of Work, requires Contractor to create any intellectual property, Contractor hereby acknowledges that the State is and will be the sole and exclusive owner of all right, title, and interest in the Contract Activities and all associated intellectual property rights, if any. Such Contract Activities are works made for hire as defined in Section 101 of the Copyright Act of 1976. To the extent any Contract Activities and related intellectual property do not qualify as works made for hire under the Copyright Act, Contractor will, and hereby does, immediately on its creation, assign, transfer and otherwise convey to the State, irrevocably and in perpetuity, throughout the universe, all right, title and interest in and to the Contract Activities, including all intellectual property rights therein.
2. **Subcontracting.** Contractor may not delegate any of its obligations under the Contract without the prior written approval of the State. Contractor must notify the State at least 90 calendar days before the proposed delegation and provide the State any information it requests to determine whether the delegation is in its best interest. If approved, Contractor must: (a) be the sole point of contact regarding all contractual matters, including payment and charges for all Contract Activities; (b) make all payments to the subcontractor; and (c) incorporate the terms and conditions contained in this Contract in any subcontract with a subcontractor. Contractor remains responsible for the completion of the Contract Activities, compliance with the terms of this Contract, and the acts and omissions of the subcontractor. The State, in its sole discretion, may require the replacement of any subcontractor.
3. **Staffing.** The State's Contract Administrator may require Contractor to remove or reassign personnel by providing a notice to Contractor.
4. **Background Checks.** Pursuant to Michigan law, all agencies subject to IRS Pub. 1075 are required to ask the Michigan State Police to perform fingerprint background checks on all employees, including Contractor and Subcontractor employees, who may have access to any database of information maintained by the federal government that contains confidential or personal information, including, but not limited to, federal tax information. Further, pursuant to Michigan law, any agency described above is prohibited from providing Contractors or Subcontractors with the result of such background check. For more information, please see Michigan Public Act 427 of 2018. Upon request, or as may be specified in Schedule A, Contractor must perform background checks on all employees and subcontractors and its employees prior to their assignment. The scope is at the discretion of the State and documentation must be provided as requested. Contractor is responsible for all costs associated with the requested background checks. The State, in its sole discretion, may also perform background checks.
5. **Assignment.** Contractor may not assign this Contract to any other party without the prior approval of the State. Upon notice to Contractor, the State, in its sole discretion, may assign in whole or in part, its rights or responsibilities under this Contract to any other party. If the State determines that a novation of the Contract to a third party is necessary, Contractor will agree to the novation and provide all necessary documentation and signatures.
6. **Change of Control.** Contractor will notify the State, within 30 days of any public announcement or otherwise once legally permitted to do so, of a change in Contractor's organizational structure or ownership. For purposes of this Contract, a change in control means any of the following: (a) a sale of more than 50% of Contractor's stock; (b) a sale of substantially all of Contractor's assets; (c) a change in a majority of Contractor's board members; (d) consummation of a merger or consolidation of Contractor with any other entity; (e) a change in ownership through a transaction or series of transactions; (f) or the board (or the stockholders) approves a plan of complete liquidation. A change of control does not include any consolidation or merger effected exclusively to change the domicile of Contractor, or any transaction or series of transactions principally for bona fide equity financing purposes.

In the event of a change of control, Contractor must require the successor to assume this Contract and all of its obligations under this Contract.

7. **Ordering.** Contractor is not authorized to begin performance until receipt of authorization as identified in Schedule A.
8. **Acceptance.** Contract Activities are subject to inspection and testing by the State within 30 calendar days of the State's receipt of them ("**State Review Period**"), unless otherwise provided in Schedule A. If the Contract Activities are not fully accepted by the State, the State will notify Contractor by the end of the State Review Period that either: (a) the Contract Activities are accepted but noted deficiencies must be corrected; or (b) the Contract Activities are rejected. If the State finds material deficiencies, it may: (i) reject the Contract Activities without performing any further inspections; (ii) demand performance at no additional cost; or (iii) terminate this Contract in accordance with Section 24, Termination for Cause.

Within 10 business days from the date of Contractor's receipt of notification of acceptance with deficiencies or rejection of any Contract Activities, Contractor must cure, at no additional cost, the deficiency and deliver unequivocally acceptable Contract Activities to the State. If acceptance with deficiencies or rejection of the Contract Activities impacts the content or delivery of other non-completed Contract Activities, the parties' respective Program Managers must determine an agreed to number of days for re-submission that minimizes the overall impact to the Contract. However, nothing herein affects, alters, or relieves Contractor of its obligations to correct deficiencies in accordance with the time response standards set forth in this Contract.

If Contractor is unable or refuses to correct the deficiency within the time response standards set forth in this Contract, the State may cancel the order in whole or in part. The State, or a third party identified by the State, may perform the Contract Activities and recover the difference between the cost to cure and the Contract price plus an additional 10% administrative fee.

9. **Delivery.** Contractor must deliver all Contract Activities F.O.B. destination, within the State premises with transportation and handling charges paid by Contractor, unless otherwise specified in Schedule A. All containers and packaging become the State's exclusive property upon acceptance.
10. **Risk of Loss and Title.** Until final acceptance, title and risk of loss or damage to Contract Activities remains with Contractor. Contractor is responsible for filing, processing, and collecting all damage claims. The State will record and report to Contractor any evidence of visible damage. If the State rejects the Contract Activities, Contractor must remove them from the premises within 10 calendar days after notification of rejection. The risk of loss of rejected or non-conforming Contract Activities remains with Contractor. Rejected Contract Activities not removed by Contractor within 10 calendar days will be deemed abandoned by Contractor, and the State will have the right to dispose of it as its own property. Contractor must reimburse the State for costs and expenses incurred in storing or effecting removal or disposition of rejected Contract Activities.
11. **Warranty Period.** The warranty period, if applicable, for Contract Activities is a fixed period commencing on the date specified in Schedule A. If the Contract Activities do not function as warranted during the warranty period, the State may return such non-conforming Contract Activities to the Contractor for a full refund.
12. **Invoices and Payment.** Invoices must conform to the requirements communicated from time-to-time by the State. All undisputed amounts are payable within 45 days of the State's receipt. Contractor may only charge for Contract Activities provided as specified in Schedule A. Invoices must include an itemized statement of all charges. The State is exempt from State sales tax for direct purchases and may be exempt from federal excise tax, if Services purchased under this Agreement are for the State's exclusive use. Notwithstanding the foregoing, all fees are exclusive of taxes, and Contractor is responsible for all sales, use and excise taxes, and any other similar taxes, duties and charges of any kind imposed by any federal, state, or local governmental entity on any amounts payable by the State under this Contract.

The State has the right to withhold payment of any disputed amounts until the parties agree as to the validity of the disputed amount. The State will notify Contractor of any dispute within a reasonable time. Payment by the

State will not constitute a waiver of any rights as to Contractor's continuing obligations, including claims for deficiencies or substandard Contract Activities. Contractor's acceptance of final payment by the State constitutes a waiver of all claims by Contractor against the State for payment under this Contract, other than those claims previously filed in writing on a timely basis and still disputed.

The State will only disburse payments under this Contract through Electronic Funds Transfer (EFT). Contractor must register with the State at <http://www.michigan.gov/SIGMAVSS> to receive electronic fund transfer payments. If Contractor does not register, the State is not liable for failure to provide payment. Without prejudice to any other right or remedy it may have, the State reserves the right to set off at any time any amount then due and owing to it by Contractor against any amount payable by the State to Contractor under this Contract.

Excluding federal government charges and terms, Contractor warrants and agrees that each of the fees, economic or product terms or warranties granted pursuant to this Contract are comparable to or better than the equivalent fees, economic or product term or warranty being offered to any commercial or government customer (including any public educational institution within the State of Michigan) of Contractor. If Contractor enters into any arrangements with another customer of Contractor to provide the products or services, available under this Contract, under more favorable prices, as the prices may be indicated on Contractor's current U.S. and International price list or comparable document, then this Contract will be deemed amended as of the date of such other arrangements to incorporate those more favorable prices, and Contractor will immediately notify the State of such fee and formally memorialize the new pricing in a change notice.

13. **Liquidated Damages.** Liquidated damages, if applicable, will be assessed as described in Schedule A. The parties understand and agree that any liquidated damages (which includes but is not limited to applicable credits) set forth in this Contract are reasonable estimates of the State's damages in accordance with applicable law. The parties acknowledge and agree that Contractor could incur liquidated damages for more than 1 event. The assessment of liquidated damages will not constitute a waiver or release of any other remedy the State may have under this Contract for Contractor's breach of this Contract, including without limitation, the State's right to terminate this Contract for cause under Section 24 and the State will be entitled in its discretion to recover actual damages caused by Contractor's failure to perform its obligations under this Contract. However, the State will reduce such actual damages by the amounts of liquidated damages received for the same events causing the actual damages. Amounts due the State as liquidated damages may be set off against any fees payable to Contractor under this Contract, or the State may bill Contractor as a separate item and Contractor will promptly make payments on such bills.
14. **Stop Work Order.** The State may suspend any or all activities under the Contract at any time. The State will provide Contractor a written stop work order detailing the suspension. Contractor must comply with the stop work order upon receipt. Within 90 calendar days, or any longer period agreed to by Contractor, the State will either: (a) issue a notice authorizing Contractor to resume work, or (b) terminate the Contract or delivery order. The State will not pay for Contract Activities, Contractor's lost profits, or any additional compensation during a stop work period.
15. **Termination for Cause.** The State may terminate this Contract for cause, in whole or in part, if Contractor, as determined by the State: (a) endangers the value, integrity, or security of any location, data, or personnel; (b) becomes insolvent, petitions for bankruptcy court proceedings, or has an involuntary bankruptcy proceeding filed against it by any creditor; (c) engages in any conduct that may expose the State to liability; (d) breaches any of its material duties or obligations; or (e) fails to cure a breach within the time stated in a notice of breach. Any reference to specific breaches being material breaches within this Contract will not be construed to mean that other breaches are not material.

If the State terminates this Contract under this Section, the State will issue a termination notice specifying whether Contractor must: (a) cease performance immediately, or (b) continue to perform for a specified period. If it is later determined that Contractor was not in breach of the Contract, the termination will be deemed to have

been a Termination for Convenience, effective as of the same date, and the rights and obligations of the parties will be limited to those provided in Section 25, Termination for Convenience.

The State will only pay for amounts due to Contractor for Contract Activities accepted by the State on or before the date of termination, subject to the State's right to set off any amounts owed by the Contractor for the State's reasonable costs in terminating this Contract. The Contractor must pay all reasonable costs incurred by the State in terminating this Contract for cause, including administrative costs, attorneys' fees, court costs, transition costs, and any costs the State incurs to procure the Contract Activities from other sources.

- 16. Termination for Convenience.** The State may immediately terminate this Contract in whole or in part without penalty and for any reason, including but not limited to, appropriation or budget shortfalls. The termination notice will specify whether Contractor must: (a) cease performance of the Contract Activities immediately, or (b) continue to perform the Contract Activities in accordance with Section 26, Transition Responsibilities. If the State terminates this Contract for convenience, the State will pay all reasonable costs, as determined by the State, for State approved Transition Responsibilities.
- 17. Transition Responsibilities.** Upon termination or expiration of this Contract for any reason, Contractor must, for a period of time specified by the State (not to exceed 180 calendar days), provide all reasonable transition assistance requested by the State, to allow for the expired or terminated portion of the Contract Activities to continue without interruption or adverse effect, and to facilitate the orderly transfer of such Contract Activities to the State or its designees. Such transition assistance may include, but is not limited to: (a) continuing to perform the Contract Activities at the established Contract rates; (b) taking all reasonable and necessary measures to transition performance of the work, including all applicable Contract Activities, training, equipment, software, leases, reports and other documentation, to the State or the State's designee; (c) taking all necessary and appropriate steps, or such other action as the State may direct, to preserve, maintain, protect, or return to the State all materials, data, property, and confidential information provided directly or indirectly to Contractor by any entity, agent, vendor, or employee of the State; (d) transferring title in and delivering to the State, at the State's discretion, all completed or partially completed deliverables prepared under this Contract as of the Contract termination date; and (e) preparing an accurate accounting from which the State and Contractor may reconcile all outstanding accounts (collectively, "**Transition Responsibilities**"). This Contract will automatically be extended through the end of the transition period.
- 18. Indemnification.** Contractor must defend, indemnify and hold the State, its departments, divisions, agencies, offices, commissions, officers, and employees harmless, without limitation, from and against any and all actions, claims, losses, liabilities, damages, costs, attorney fees, and expenses (including those required to establish the right to indemnification), arising out of or relating to: (a) any breach by Contractor (or any of Contractor's employees, agents, subcontractors, or by anyone else for whose acts any of them may be liable) of any of the promises, agreements, representations, warranties, or insurance requirements contained in this Contract; (b) any infringement, misappropriation, or other violation of any intellectual property right or other right of any third party; (c) any bodily injury, death, or damage to real or tangible personal property occurring wholly or in part due to action or inaction by Contractor (or any of Contractor's employees, agents, subcontractors, or by anyone else for whose acts any of them may be liable); and (d) any acts or omissions of Contractor (or any of Contractor's employees, agents, subcontractors, or by anyone else for whose acts any of them may be liable).

The State will notify Contractor in writing if indemnification is sought; however, failure to do so will not relieve Contractor, except to the extent that Contractor is materially prejudiced. Contractor must, to the satisfaction of the State, demonstrate its financial ability to carry out these obligations.

The State is entitled to: (i) regular updates on proceeding status; (ii) participate in the defense of the proceeding; (iii) employ its own counsel; and to (iv) retain control of the defense, at its own cost and expense, if the State deems necessary. Contractor will not, without the State's prior written consent (not to be unreasonably withheld), settle, compromise, or consent to the entry of any judgment in or otherwise seek to terminate any claim, action, or proceeding.

Any litigation activity on behalf of the State, or any of its subdivisions under this Section, must be coordinated with the Department of Attorney General. An attorney designated to represent the State may not do so until approved by the Michigan Attorney General and appointed as a Special Assistant Attorney General.

The State is constitutionally prohibited from indemnifying Contractor or any third parties.

19. **Infringement Remedies.** If, in either party's opinion, any piece of equipment, software, commodity, or service supplied by Contractor or its subcontractors, or its operation, use or reproduction, is likely to become the subject of a copyright, patent, trademark, or trade secret infringement claim, Contractor must, at its expense: (a) procure for the State the right to continue using the equipment, software, commodity, or service, or if this option is not reasonably available to Contractor, (b) replace or modify the same so that it becomes non-infringing; or (c) accept its return by the State with appropriate credits to the State against Contractor's charges and reimburse the State for any losses or costs incurred as a consequence of the State ceasing its use and returning it.
20. **Limitation of Liability and Disclaimer of Damages. IN NO EVENT WILL THE STATE'S AGGREGATE LIABILITY TO CONTRACTOR UNDER THIS CONTRACT, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR BY STATUTE OR OTHERWISE, FOR ANY CLAIM RELATED TO OR ARISING UNDER THIS CONTRACT, EXCEED THE MAXIMUM AMOUNT OF FEES PAYABLE UNDER THIS CONTRACT.** The State is not liable for consequential, incidental, indirect, or special damages, regardless of the nature of the action.
21. **Disclosure of Litigation, or Other Proceeding.** Contractor must notify the State within 14 calendar days of receiving notice of any litigation, investigation, arbitration, or other proceeding (collectively, "**Proceeding**") involving Contractor, a subcontractor, or an officer or director of Contractor or subcontractor, that arises during the term of the Contract, including: (a) a criminal Proceeding; (b) a parole or probation Proceeding; (c) a Proceeding under the Sarbanes-Oxley Act; (d) a civil Proceeding involving: (1) a claim that might reasonably be expected to adversely affect Contractor's viability or financial stability; or (2) a governmental or public entity's claim or written allegation of fraud; or (3) any complaint filed in a legal or administrative proceeding alleging the Contractor or its subcontractors discriminated against its employees, subcontractors, vendors, or suppliers during the term of this Contract; or (e) a Proceeding involving any license that Contractor is required to possess in order to perform under this Contract.
22. **State Data.** All data and information provided to Contractor by or on behalf of the State, and all data and information derived therefrom, is the exclusive property of the State ("**State Data**"); this definition is to be construed as broadly as possible. Upon request, Contractor must provide to the State, or a third party designated by the State, all State Data within 10 calendar days of the request and in the format requested by the State. Contractor will assume all costs incurred in compiling and supplying State Data. No State Data may be used for any marketing or commercial purposes.
23. **Reserved.**
24. **Non-Disclosure of Confidential Information.** The parties acknowledge that each party may be exposed to or acquire communication or data of the other party that is confidential, privileged communication not intended to be disclosed to third parties.
 - a. **Meaning of Confidential Information.** For the purposes of this Contract, the term "**Confidential Information**" means all information and documentation of a party that: (a) has been marked "confidential" or with words of similar meaning, at the time of disclosure by such party; (b) if disclosed orally or not marked "confidential" or with words of similar meaning, was subsequently summarized in writing by the disclosing party and marked "confidential" or with words of similar meaning; or, (c) should reasonably be recognized as confidential information of the disclosing party. The term "Confidential Information" does not include any information or documentation that was or is: (a) subject to disclosure under the Michigan Freedom of Information Act (FOIA); (b) already in the possession of the receiving party without an obligation of confidentiality; (c) developed independently by the receiving party, as demonstrated by the receiving party,

without violating the disclosing party's proprietary rights; (d) obtained from a source other than the disclosing party without an obligation of confidentiality; or, (e) publicly available when received, or thereafter became publicly available (other than through any unauthorized disclosure by, through, or on behalf of, the receiving party). For purposes of this Contract, in all cases and for all matters, State Data is deemed to be Confidential Information.

- b. **Obligation of Confidentiality.** The parties agree to hold all Confidential Information in strict confidence and not to copy, reproduce, sell, transfer, or otherwise dispose of, give or disclose such Confidential Information to third parties other than employees, agents, or subcontractors of a party who have a need to know in connection with this Contract or to use such Confidential Information for any purposes whatsoever other than the performance of this Contract. The parties agree to advise and require their respective employees, agents, and subcontractors of their obligations to keep all Confidential Information confidential. Disclosure to a subcontractor is permissible where: (a) use of a subcontractor is authorized under this Contract; (b) the disclosure is necessary or otherwise naturally occurs in connection with work that is within the subcontractor's responsibilities; and (c) Contractor obligates the subcontractor in a written contract to maintain the State's Confidential Information in confidence. At the State's request, any employee of Contractor or any subcontractor may be required to execute a separate agreement to be bound by the provisions of this Section.
- c. **Cooperation to Prevent Disclosure of Confidential Information.** Each party must use its best efforts to assist the other party in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limiting the foregoing, each party must advise the other party immediately in the event either party learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Contract and each party will cooperate with the other party in seeking injunctive or other equitable relief against any such person.
- d. **Remedies for Breach of Obligation of Confidentiality.** Each party acknowledges that breach of its obligation of confidentiality may give rise to irreparable injury to the other party, which damage may be inadequately compensable in the form of monetary damages. Accordingly, a party may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies which may be available, to include, in the case of the State, at the sole election of the State, the immediate termination, without liability to the State, of this Contract or any Statement of Work corresponding to the breach or threatened breach.
- e. **Surrender of Confidential Information upon Termination.** Upon termination of this Contract or a Statement of Work, in whole or in part, each party must, within 5 calendar days from the date of termination, return to the other party any and all Confidential Information received from the other party, or created or received by a party on behalf of the other party, which are in such party's possession, custody, or control; provided, however, that Contractor must return State Data to the State following the timeframe and procedure described further in this Contract. Should Contractor or the State determine that the return of any Confidential Information is not feasible, such party must destroy the Confidential Information and must certify the same in writing within 5 calendar days from the date of termination to the other party. However, the State's legal ability to destroy Contractor data may be restricted by its retention and disposal schedule, in which case Contractor's Confidential Information will be destroyed after the retention period expires.

25. Data Privacy and Information Security.

- a. **Undertaking by Contractor.** Without limiting Contractor's obligation of confidentiality as further described, Contractor is responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (a) ensure the security and confidentiality of the State Data; (b) protect against any anticipated threats or hazards to the security or integrity of the State Data; (c) protect against unauthorized disclosure, access to, or use of the

State Data; (d) ensure the proper disposal of State Data; and (e) ensure that all employees, agents, and subcontractors of Contractor, if any, comply with all of the foregoing. In no case will the safeguards of Contractor's data privacy and information security program be less stringent than the safeguards used by the State, and Contractor must at all times comply with all applicable State IT policies and standards, which are available to Contractor upon request.

- b. Audit by Contractor.** No less than annually, Contractor must conduct a comprehensive independent third-party audit of its data privacy and information security program and provide such audit findings to the State.
 - c. Right of Audit by the State.** Without limiting any other audit rights of the State, the State has the right to review Contractor's data privacy and information security program prior to the commencement of Contract Activities and from time to time during the term of this Contract. During the providing of the Contract Activities, on an ongoing basis from time to time and without notice, the State, at its own expense, is entitled to perform, or to have performed, an on-site audit of Contractor's data privacy and information security program. In lieu of an on-site audit, upon request by the State, Contractor agrees to complete, within 45 calendar days of receipt, an audit questionnaire provided by the State regarding Contractor's data privacy and information security program.
 - d. Audit Findings.** Contractor must implement any required safeguards as identified by the State or by any audit of Contractor's data privacy and information security program.
 - e. State's Right to Termination for Deficiencies.** The State reserves the right, at its sole election, to immediately terminate this Contract or a Statement of Work without limitation and without liability if the State determines that Contractor fails or has failed to meet its obligations under this Section.
- 26. Reserved.**
- 27. Reserved.**
- 28. Records Maintenance, Inspection, Examination, and Audit.** Pursuant to MCL 18.1470, the State or its designee may audit Contractor to verify compliance with this Contract. Contractor must retain and provide to the State or its designee and the auditor general upon request, all records related to the Contract through the term of the Contract and for 4 years after the latter of termination, expiration, or final payment under this Contract or any extension ("**Audit Period**"). If an audit, litigation, or other action involving the records is initiated before the end of the Audit Period, Contractor must retain the records until all issues are resolved.

Within 10 calendar days of providing notice, the State and its authorized representatives or designees have the right to enter and inspect Contractor's premises or any other places where Contract Activities are being performed, and examine, copy, and audit all records related to this Contract. Contractor must cooperate and provide reasonable assistance. If financial errors are revealed, the amount in error must be reflected as a credit or debit on subsequent invoices until the amount is paid or refunded. Any remaining balance at the end of the Contract must be paid or refunded within 45 calendar days.

This Section applies to Contractor, any parent, affiliate, or subsidiary organization of Contractor, and any subcontractor that performs Contract Activities in connection with this Contract.

- 29. Representations and Warranties.** Contractor represents and warrants: (a) Contractor is the owner or licensee of any Contract Activities that it licenses, sells, or develops and Contractor has the rights necessary to convey title, ownership rights, or licensed use; (b) all Contract Activities are delivered free from any security interest, lien, or encumbrance and will continue in that respect; (c) the Contract Activities will not infringe the patent, trademark, copyright, trade secret, or other proprietary rights of any third party; (d) Contractor must assign or otherwise transfer to the State or its designee any manufacturer's warranty for the Contract Activities; (e) the Contract Activities are merchantable and fit for the specific purposes identified in the Contract; (f) the Contract signatory has the authority to enter into this Contract; (g) all information furnished by Contractor in connection with the Contract fairly and accurately represents Contractor's business, properties, finances, and operations as

A breach of this Section is considered a material breach of this Contract, which entitles the State to terminate this Contract under Section 24, Termination for Cause.

30. **Conflicts and Ethics.** Contractor will uphold high ethical standards and is prohibited from: (a) holding or acquiring an interest that would conflict with this Contract; (b) doing anything that creates an appearance of impropriety with respect to the award or performance of the Contract; (c) attempting to influence or appearing to influence any State employee by the direct or indirect offer of anything of value; or (d) paying or agreeing to pay any person, other than employees and consultants working for Contractor, any consideration contingent upon the award of the Contract. Contractor must immediately notify the State of any violation or potential violation of these standards. This Section applies to Contractor, any parent, affiliate, or subsidiary organization of Contractor, and any subcontractor that performs Contract Activities in connection with this Contract.
31. **Compliance with Laws.** Contractor must comply with all federal, state and local laws, rules and regulations.
32. **Reserved.**
33. **Reserved.**
34. **Nondiscrimination.** Under the Elliott-Larsen Civil Rights Act, 1976 PA 453, MCL 37.2101, *et seq.*, the Persons with Disabilities Civil Rights Act, 1976 PA 220, MCL 37.1101, *et seq.*, and [Executive Directive 2019-09](#). Contractor and its subcontractors agree not to discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or a matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex (as defined in Executive Directive 2019-09), height, weight, marital status, partisan considerations, any mental or physical disability, or genetic information that is unrelated to the person's ability to perform the duties of a particular job or position. Breach of this covenant is a material breach of this Contract.
35. **Unfair Labor Practice.** Under MCL 423.324, the State may void any Contract with a Contractor or subcontractor who appears on the Unfair Labor Practice register compiled under MCL 423.322.
36. **Governing Law.** This Contract is governed, construed, and enforced in accordance with Michigan law, excluding choice-of-law principles, and all claims relating to or arising out of this Contract are governed by Michigan law, excluding choice-of-law principles. Any dispute arising from this Contract must be resolved in the Michigan Court of Claims. Complaints against the State must be initiated in Ingham County, Michigan. Contractor waives any objections, such as lack of personal jurisdiction or *forum non conveniens*. Contractor must appoint an agent in Michigan to receive service of process.
37. **Non-Exclusivity.** Nothing contained in this Contract is intended nor is to be construed as creating any requirements contract with Contractor, nor does it provide Contractor with a right of first refusal for any future work. This Contract does not restrict the State or its agencies from acquiring similar, equal, or like Contract Activities from other sources.
38. **Force Majeure.** Neither party will be in breach of this Contract because of any failure arising from any disaster or acts of god that are beyond their control and without their fault or negligence. Each party will use commercially reasonable efforts to resume performance. Contractor will not be relieved of a breach or delay caused by its subcontractors. If immediate performance is necessary to ensure public health and safety, the State may immediately contract with a third party.
39. **Dispute Resolution.** The parties will endeavor to resolve any Contract dispute in accordance with this provision. The dispute will be referred to the parties' respective Contract Administrators or Program Managers.

Such referral must include a description of the issues and all supporting documentation. The parties must submit the dispute to a senior executive if unable to resolve the dispute within 15 business days. The parties will continue performing while a dispute is being resolved, unless the dispute precludes performance. A dispute involving payment does not preclude performance.

Litigation to resolve the dispute will not be instituted until after the dispute has been elevated to the parties' senior executive and either concludes that resolution is unlikely or fails to respond within 15 business days. The parties are not prohibited from instituting formal proceedings: (a) to avoid the expiration of statute of limitations period; (b) to preserve a superior position with respect to creditors; or (c) where a party makes a determination that a temporary restraining order or other injunctive relief is the only adequate remedy. This Section does not limit the State's right to terminate the Contract.

- 40. **Media Releases.** News releases (including promotional literature and commercial advertisements) pertaining to the Contract or project to which it relates must not be made without the prior written approval of the State, and then only in accordance with the explicit written instructions of the State.

- 42. **Entire Agreement and Order of Precedence.** This Contract, which includes Schedule A – Statement of Work, and schedules and exhibits, is the entire agreement of the parties related to the Contract Activities. This Contract supersedes and replaces all previous understandings and agreements between the parties for the Contract Activities. If there is a conflict between documents, the order of precedence is: (a) first, this Contract, excluding its schedules, exhibits, and Schedule A – Statement of Work; (b) second, Schedule A – Statement of Work as of the Effective Date; and (c) third, schedules expressly incorporated into this Contract as of the Effective Date. NO TERMS ON CONTRACTOR'S INVOICES, ORDERING DOCUMENTS, WEBSITE, BROWSE-WRAP, SHRINK-WRAP, CLICK-WRAP, CLICK-THROUGH OR OTHER NON-NEGOTIATED TERMS AND CONDITIONS PROVIDED WITH ANY OF THE CONTRACT ACTIVITIES, OR DOCUMENTATION HEREUNDER, EVEN IF ATTACHED TO THE STATE'S DELIVERY OR PURCHASE ORDER, WILL CONSTITUTE A PART OR AMENDMENT OF THIS CONTRACT OR IS BINDING ON THE STATE OR ANY AUTHORIZED USER FOR ANY PURPOSE. ALL SUCH OTHER TERMS AND CONDITIONS HAVE NO FORCE AND EFFECT AND ARE DEEMED REJECTED BY THE STATE AND THE AUTHORIZED USER, EVEN IF ACCESS TO OR USE OF THE CONTRACT ACTIVITIES REQUIRES AFFIRMATIVE ACCEPTANCE OF SUCH TERMS AND CONDITIONS.
- 43. **Severability.** If any part of this Contract is held invalid or unenforceable, by any court of competent jurisdiction, that part will be deemed deleted from this Contract and the severed part will be replaced by agreed upon language that achieves the same or similar objectives. The remaining Contract will continue in full force and effect.
- 44. **Waiver.** Failure to enforce any provision of this Contract will not constitute a waiver.

- 45. Survival.** Any right, obligation or condition that, by its express terms or nature and context is intended to survive, will survive the termination or expiration of this Contract; such rights, obligations, or conditions include, but are not limited to, those related to transition responsibilities; indemnification; disclaimer of damages and limitations of liability; State Data; non-disclosure of Confidential Information; representations and warranties; insurance and bankruptcy.

FEDERAL PROVISIONS ADDENDUM

This addendum applies to purchases that will be paid for in whole or in part with funds obtained from the federal government. The provisions below are required, and the language is not negotiable. If any provision below conflicts with the State's terms and conditions, including any attachments, schedules, or exhibits to the State's Contract, the provisions below take priority to the extent a provision is required by federal law; otherwise, the order of precedence set forth in the Contract applies. Hyperlinks are provided for convenience only; broken hyperlinks will not relieve Contractor from compliance with the law.

1. Equal Employment Opportunity

If this Contract is a “**federally assisted construction contract**” as defined in [41 CFR Part 60-1.3](#), and except as otherwise may be provided under [41 CFR Part 60](#), then during performance of this Contract, the Contractor agrees as follows:

- 1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- 2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- 3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.
- 4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- 5) The Contractor will comply with all provisions of [Executive Order 11246](#) of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- 6) The Contractor will furnish all information and reports required by [Executive Order 11246](#) of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- 7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in [Executive Order 11246](#) of

September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in [Executive Order 11246](#) of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

- 8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of [Executive Order 11246](#) of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

2. Davis-Bacon Act (Prevailing Wage)

If this Contract is a **prime construction contract** in excess of \$2,000, the Contractor (and its Subcontractors) must comply with the Davis-Bacon Act ([40 USC 3141-3148](#)) as supplemented by Department of Labor regulations ([29 CFR Part 5](#), "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"), and during performance of this Contract the Contractor agrees as follows:

- 1) All transactions regarding this contract shall be done in compliance with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146-3148) and the requirements of 29C.F.R. pt. 5 as may be applicable. Absent exigent circumstances, agencies shall not deny youthful inmates daily large-muscle exercise and any legally required special education services to comply with this provision. <p>(e) The facility shall not search or physically examine a transgender or intersex inmate for the sole purpose of determining the inmate's genital status. In addition, the agency shall ensure that written materials are provided in formats or through methods that ensure effective communication with inmates with disabilities, including inmates who have intellectual disabilities, limited reading skills, or who are blind or have low vision. An agency is not required to take actions that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity, or in undue financial and administrative burdens, as those terms are used in regulations promulgated under title II of the Americans With Disabilities Act, 28 CFR 35.164.</p>
<p>(b) The agency shall take reasonable steps to ensure meaningful access to all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment to inmates who are limited English proficient, including steps to provide interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary.</p>
<p>(c) The agency shall not rely on inmate interpreters, inmate readers, or other types of inmate assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the inmate’s safety, the performance of first-response duties under § 115.64, or the investigation of the inmate’s allegations.</p>

<p>(g) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination.</p>

(b) Intake screening shall ordinarily take place within 72 hours of arrival at the facility.
(c) Such assessments shall be conducted using an objective screening instrument.

(b) The agency shall make individualized determinations about how to ensure the safety of each inmate.
(c) In deciding whether to assign a transgender or intersex inmate to a facility for male or female inmates, and in making other housing and programming assignments, the agency shall consider on a case-by-case basis whether a placement would ensure the inmate’s health and safety, and whether the placement would present management or security problems.
(d) Placement and programming assignments for each transgender or intersex inmate shall be reassessed at least twice each year to review any threats to safety experienced by the inmate.
(e) A transgender or intersex inmate’s own views with respect to his or her own safety shall be given serious consideration.

(f) Transgender and intersex inmates shall be given the opportunity to shower separately from other inmates.

<i>Screening for Risk of Sexual Victimization and Abusiveness</i> § 115.43 Protective custody.
(a) Inmates at high risk for sexual victimization shall not be placed in involuntary segregated housing unless an assessment of all available alternatives has been made, and a determination has been made that there is no available alternative means of separation from likely abusers. If a facility cannot conduct such an assessment immediately, the facility may hold the inmate in involuntary segregated housing for less than 24 hours while completing the assessment.
(b) Inmates placed in segregated housing for this purpose shall have access to programs, privileges, education, and work opportunities to the extent possible. If the facility restricts access to programs, privileges, education, or work opportunities, the facility shall document: <ol style="list-style-type: none"> (1) The opportunities that have been limited; (2) The duration of the limitation; and (3) The reasons for such limitations.

<p>(d)(1) The agency shall issue a final agency decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance.</p> <p>(2) Computation of the 90-day time period shall not include time consumed by inmates in preparing any administrative appeal.</p> <p>(3) The agency may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. The agency shall notify the inmate in writing of any such extension and provide a date by which a decision will be made.</p> <p>(4) At any level of the administrative process, including the final level, if the inmate does not receive a response within the time allotted for reply, including any properly noticed extension, the inmate may consider the absence of a response to be a denial at that level.</p>
<p>(e)(1) Third parties, including fellow inmates, staff members, family members, attorneys, and outside advocates, shall be permitted to assist inmates in filing requests for administrative remedies relating to allegations of sexual abuse, and shall also be permitted to file such requests on behalf of inmates.</p> <p>(2) If a third party files such a request on behalf of an inmate, the facility may require as a condition of processing the request that the alleged victim agree to have the request filed on his or her behalf, and may also require the alleged victim to personally pursue any subsequent steps in the administrative remedy process.</p> <p>(3) If the inmate declines to have the request processed on his or her behalf, the agency shall document the inmate’s decision.</p>

(e) The facility shall report all allegations of sexual abuse and sexual harassment, including third-party and anonymous reports, to the facility's designated investigators.
<i>Official Response Following an Inmate Report</i> <i>§ 115.62 Agency protection duties.</i>
When an agency learns that an inmate is subject to a substantial risk of imminent sexual abuse, it shall take immediate action to protect the inmate.
<i>Official Response Following an Inmate Report</i> <i>§ 115.63 Reporting to other confinement facilities.</i>
(a) Upon receiving an allegation that an inmate was sexually abused while confined at another facility, the head of the facility that received the allegation shall notify the head of the facility or appropriate office of the agency where the alleged abuse occurred.
(b) Such notification shall be provided as soon as possible, but no later than 72 hours after receiving the allegation.
(c) The agency shall document that it has provided such notification.

<p><i>Official Response Following an Inmate Report</i> <i>§ 115.65 Coordinated response.</i></p>
<p>The facility shall develop a written institutional plan to coordinate actions taken in response to an incident of sexual abuse, among staff first responders, medical and mental health practitioners, investigators, and facility leadership.</p>
<p><i>Official Response Following an Inmate Report</i> <i>§ 115.66 Preservation of ability to protect inmates from contact with abusers.</i></p>
<p>(a) Neither the agency nor any other governmental entity responsible for collective bargaining on the agency's behalf shall enter into or renew any collective bargaining agreement or other agreement that limits the agency's ability to remove alleged staff sexual abusers from contact with any inmates pending the outcome of an investigation or of a determination of whether and to what extent discipline is warranted.</p>
<p>(b) Nothing in this standard shall restrict the entering into or renewal of agreements that govern:</p> <p>(1) The conduct of the disciplinary process, as long as such agreements are not inconsistent with the provisions of §§ 115.72 and 115.76; or</p> <p>(2) Whether a no-contact assignment that is imposed pending the outcome of an investigation shall be expunged from or retained in the staff member's personnel file following a determination that the allegation of sexual abuse is not substantiated.</p>
<p><i>Official Response Following an Inmate Report</i> <i>§ 115.67 Agency protection against retaliation.</i></p>
<p>(a) The agency shall establish a policy to protect all inmates and staff who report sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other inmates or staff, and shall designate which staff members or departments are charged with monitoring retaliation.</p>
<p>(b) The agency shall employ multiple protection measures, such as housing changes or transfers for inmate victims or abusers, removal of alleged staff or inmate abusers from contact with victims, and emotional support services for inmates or staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.</p>
<p>(c) For at least 90 days following a report of sexual abuse, the agency shall monitor the conduct and treatment of inmates or staff who reported the sexual abuse and of inmates who were reported to have suffered sexual abuse to see if there are changes that may suggest possible retaliation by inmates or staff, and shall act promptly to remedy any such retaliation. Items the agency should monitor include any inmate disciplinary reports, housing, or program changes, or negative performance reviews or reassignments of staff. The agency shall continue such monitoring beyond 90 days if the initial monitoring indicates a continuing need.</p>
<p>(d) In the case of inmates, such monitoring shall also include periodic status checks.</p>

<p>(d) When the quality of evidence appears to support criminal prosecution, the agency shall conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.</p>
<p>(e) The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person's status as inmate or staff. No agency shall require an inmate who alleges sexual abuse to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation.</p>
<p>(f) Administrative investigations: (1) Shall include an effort to determine whether staff actions or failures to act contributed to the abuse; and (2) Shall be documented in written reports that include a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings.</p>
<p>(g) Criminal investigations shall be documented in a written report that contains a thorough description of physical, testimonial, and documentary evidence and attaches copies of all documentary evidence where feasible.</p>

<p>(b) If the agency did not conduct the investigation, it shall request the relevant information from the investigative agency in order to inform the inmate.</p>
<p>(c) Following an inmate's allegation that a staff member has committed sexual abuse against the inmate, the agency shall subsequently inform the inmate (unless the agency has determined that the allegation is unfounded) whenever: (1) The staff member is no longer posted within the inmate's unit;</p>

<p>(2) The staff member is no longer employed at the facility; (3) The agency learns that the staff member has been indicted on a charge related to sexual abuse within the facility; or (4) The agency learns that the staff member has been convicted on a charge related to sexual abuse within the facility.</p>

<p>(b) Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.</p>
<p>(c) Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member’s disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.</p>
<p>(d) All terminations for violations of agency sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.</p>

<p>(a) Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with inmates and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies.</p>

<p><i>Discipline</i> <i>§ 115.78 Disciplinary sanctions for inmates.</i></p>
<p>(a) Inmates shall be subject to disciplinary sanctions pursuant to a formal disciplinary process following an administrative finding that the inmate engaged in inmate-on-inmate sexual abuse or following a criminal finding of guilt for inmate-on-inmate sexual abuse.</p>
<p>(b) Sanctions shall be commensurate with the nature and circumstances of the abuse committed, the inmate’s disciplinary history, and the sanctions imposed for comparable offenses by other inmates with similar histories.</p>
<p>(c) The disciplinary process shall consider whether an inmate’s mental disabilities or mental illness contributed to his or her behavior when determining what type of sanction, if any, should be imposed.</p>
<p>(d) If the facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility shall consider whether to require the offending inmate to participate in such interventions as a condition of access to programming or other benefits.</p>
<p>(e) The agency may discipline an inmate for sexual contact with staff only upon a finding that the staff member did not consent to such contact.</p>

(f) For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation.
(g) An agency may, in its discretion, prohibit all sexual activity between inmates and may discipline inmates for such activity. An agency may not, however, deem such activity to constitute sexual abuse if it determines that the activity is not coerced.
<i>Medical and Mental Care</i>

I. OVERVIEW OF THE MICHIGAN DEPARTMENT OF CORRECTIONS

THE MICHIGAN DEPARTMENT OF CORRECTIONS RESPONSIBILITY

The goal of the Michigan Department of Corrections is to provide the greatest amount of public protection while making the most efficient use of the State's resources. It meets its goal by ensuring that the state's judges and other criminal justice administrators have the broadest possible array of viable sentencing and sanctioning options, and by ensuring that appropriate supervision is maintained so that Michigan's neighborhoods, families and citizens can be protected.

Our vision is to protect the public and build trust within Michigan communities.

Our mission is to create a safer Michigan through effective offender management and supervision in our facilities and communities while holding offenders accountable and promoting their rehabilitation.

THE STRUCTURE

The Department gets its authority and the sources of influence on Department operations through the U.S. Constitution, Michigan Constitution and Michigan Compiled Law.

The Department's structure and direction for operations is provided through:

- i. Administrative Rules, which interpret the laws for State Agencies.
- ii. Policy Directives (PD), which provide the Department's direction and focus.
- iii. Director's Office Memorandum (DOM), which are implemented as temporary policies when an immediate response is necessary in providing direction.
- iv. Operating Procedures (OP), which are written statements on how the policies are to be implemented.

The Director is the chief administrative officer of the Department and thus is responsible for the overall operation of the Department. The Director is appointed by the Governor.

The Department of Corrections is divided into Administrations. All correctional institutions operated by the Department are under the Correctional Facilities Administration (CFA), which is headed by a Deputy Director, who reports to the Chief Deputy Director and is responsible for the operation of all correctional institutions.

Each institution within the Correctional Facilities Administration (CFA) is administered by a Warden. The Warden is responsible for the overall operation of their institution.

In the absence of the Warden a designee will maintain responsibility over the operation of the institution.

For the purposes of this training, we will refer to the Warden and their designee as the Facility Head.

Throughout this training we will frequently refer to the facility head, and policies. You know now that we are referring to the Warden or designee and the documents that give us our direction.

II. APPROVAL PRIOR TO ENTERING A CORRECTIONAL FACILITY

Regardless of the purpose for entering a correctional facility, entry is only allowed when explicit approval has been given by the facility head.

Paperwork should be filled out prior to coming on site.

Training must be completed in accordance with PD 02.05.100 New Employee Training Program and the current New Employee Training Plan.

The business that is being conducted, along with the type of contact that you will have with the offenders at a CFA facility will determine the necessary training that is required.

This program (Program A) is orientation training, which is required for all contractors, vendors, skilled trades, construction workers, student interns and volunteers providing intermittent services.

Law Enforcement Information Network (LEIN) application and personal information is necessary in order to complete the approval process.

When applicable, an ID card is generated after being LEIN cleared by using the information from the form.

Regardless of the purpose for entering a correctional facility, only allowable items will be carried into and out of the facility. See OP 04.04.100 Gate Manifests and Attachment A, Allowable Items Without Gate Manifest.

According to PD 04.04.110, Contraband is property (items) which is not allowed on facility grounds by State law, Administrative Rule or Department policy or procedure.

Proper dress and equipment for duty while inside of a correctional facility is just as important as what is brought onto facility grounds and when left unattended can become contraband. Be sure not to leave items unattended and take everything out with you that you brought in.

Drugs and Alcohol are not to be brought onto state property, whether it is intended to be left in a vehicle or not.

Individuals who staff have a reasonable suspicion of their being under the influence of drugs

and/or alcohol will not be allowed to enter into the facility.

Being “under the influence” is any behavior, actions, words, odor, or other evidence which is indicative of an individual who is or has been using drugs and/or alcoholic beverages.

Reasonable suspicion is suspicion based on a specific fact or facts and rational inferences drawn from those facts, based upon the knowledge and experience of corrections staff.

Prescription and/or over the counter medications may be authorized to bring onto facility grounds as follows:

The allowable items list (Attachment A, OP 04.04.100) will describe what and how much over the counter medications are authorized.

Prescription medications may be allowable on facility grounds, but only with authorization as given by the facility head and an Administrative Manifest is required (See OP 04.04.100 – Gate Manifests).

Prescribed **medical marijuana is not** an allowable item even though it is prescribed.

All individuals entering onto correctional facility property are subject to search (See PD 04.04.110 Search and Arrests in Correctional Facilities). Anyone refusing to be searched will not be allowed entrance into the facility and will be asked to leave the property.

The Department's responsibility to manage and control the State's correctional facilities includes the duty to prevent contraband from entering those facilities.

Pursuant to MCL 800.281 et seq., it is a felony to bring any of the following items into a correctional facility or onto facility property where prisoners may have access to them without prior written permission of the Warden:

1. Any weapon, including a pocketknife, or other implement which may be used to injure another person, or which may be used in aiding a prisoner to escape;
2. Any alcoholic beverage or poison, except that not more than two ounces of wine may be brought into a facility for use by a clergy member during religious ceremonies;
3. Any prescription drug or controlled substance without written certification of need from a licensed physician, except that prescription drugs and controlled substances may be brought into a correctional facility as medical supplies for that facility. The physician's written certification must include the name of the person prescribed the drug or controlled substance, the prescribed dosage and frequency, and the reason it was prescribed.
4. Controlled Substance is defined as a drug, substance, or immediate precursor as set forth in MCL 333.7201 to 333.7231, including heroin, cocaine, LSD, and marijuana.

In addition to those items prohibited by State law, Department policy prohibits other items from being brought into a correctional facility or on facility grounds.

1. Personal cellular telephones and pagers are prohibited.
2. Personal cellular telephones (PD 04.04.100 paragraph L.) are not permitted on facility grounds or regional offices except in a locked motor vehicle in designated parking areas and in secured areas designated by the Warden or the highest-ranking supervisor of the regional office for this purpose (e.g., locked locker).
3. In the State of Michigan, it is a felony to provide a cell phone to a prisoner under MCL 800.283a.
4. Audio or visual recording devices, including cameras, are prohibited unless approved by the Warden.
5. Tobacco products also are prohibited both inside a correctional facility and on facility grounds.

Visitors also are prohibited from bringing money into a correctional facility, except where allowed for use of vending machines.

Wardens may prohibit other items from being brought into their respective facilities; however, items may not be prohibited that are otherwise specifically allowed pursuant to Department policy.

Members of the public entering a correctional facility are subject to search in order to prevent the introduction of contraband. If a member of the public refuses to be searched, s/he will not be forced to submit, unless a search warrant has been obtained, but entry into the secured area of the facility on that occasion shall be denied and s/he may be required to leave the premises. A person subject to a clothed body search who is wearing clothing which prevents a thorough clothed body search also shall be denied entry and may be required to leave the premises.

Members of the Public are defined as visitors, volunteers, attorneys, contractors, elected state officials, and anyone else who is not an employee.

A pat-down search is defined as a brief manual and visual inspection of body surfaces, clothing, briefcases, and similar items. The only clothing items that may be required to be removed are outerwear (e.g., coats, jackets, hats) and shoes. All items shall be removed from pockets.

A clothed body search is defined as a thorough manual and visual inspection of all body surfaces, hair, clothing, wigs, briefcases, prostheses, and similar items and visual inspection of the mouth, ears, and nasal cavity. The only clothing items that may be required to be removed are outerwear (e.g., coats, jackets, hats), shoes, and socks; however, all items shall be removed from pockets.

All members of the public shall be required to walk through a screening device or submit to the use of a hand-held screening device prior to entering a CFA institution; however, this requirement may be waived by the Warden for anyone personally escorted by the Warden or his/her designee. Any personal property which is taken inside the security perimeter of a CFA institution shall be searched.

III. VEHICLES ON CFA FACILITY PROPERTY

All vehicles that enter the property of a CFA facility must be properly licensed and registered.

All vehicles that enter the property and that are operated while at a CFA facility must be operated only by properly licensed and certified individuals.

All vehicles that are brought onto CFA facility grounds must be parked in authorized areas only.

If a vehicle is discovered in an area of the facility grounds which has been posted against trespassing, the vehicle and its occupants may be detained while the appropriate law enforcement agency is summoned.

All vehicles must be properly secured.

No keys left inside or outside of the vehicle. Lockable doors and compartments.

Securable windows.

Vehicles entering in the security perimeter must have the steering wheel secured with a "Club" security device or similar device in accordance with the CFA facility operating procedure.

No unauthorized items are to be stored in the vehicle.

The appropriate law enforcement agency shall be called whenever a person is found to be in possession of a non-authorized alcoholic beverage, poisonous substance, controlled substance, prescription drug, or weapon(s).

Absolutely no weapons are to be carried onto facility grounds or left in a vehicle regardless of whether a valid CCW allows the weapon to be carried.

Vehicles are subject to search as follows:

If it is suspected that there is contraband in a vehicle on facility grounds that does not belong to an employee, the matter shall be referred to the appropriate law enforcement agency. Employees shall not search the vehicle.

IV. TOOLS AND EQUIPMENT

Each Correctional Facilities Administration (CFA) institution is required to control items transported through all pedestrian and vehicle entrances in order to reduce the risk of contraband being brought into the institution, to prevent theft of state property, and to provide a record system for all packages, supplies, and materials brought into or out of the institution.

Employees, vendors, contractors, and individuals engaged in official business carrying items not listed on the list of allowable items must obtain a Gate Manifest (CSJ-404) in order to bring those items through the gates of an institution. This gate manifest is intended for a one time through use.

In the event an item is authorized to be brought through the gates on a daily basis, an Administrative Manifest (CSJ-127) shall be used for this purpose.

A Warden/Deputy Warden may issue an Administrative Manifest to employees carrying authorized items through the gates of his/her facility.

No manifest will be issued for an item specifically prohibited by Department policy or procedure (e.g. cellular telephones, personal pagers, pocket knives).

All items being brought through the gates into the facility will be searched. This includes items carried in, and those being removed, from the secure perimeter.

The person to whom the manifest is issued must present it along with the transported items when entering or departing the secure perimeter.

The Department has a specific policy for tool control which categorizes tools into two categories, critical and dangerous tools. Tools must be used, accounted for, secured, and stored in accordance with PD 4.4.120 Tool Control.

Tools, toolboxes, and equipment of contract workers performing services inside an institution shall be inventoried and inspected prior to entry into and exit from the institution. Staff designated to escort workers within the facility shall ensure tools are controlled with proper security and safety procedures and work activities are confined to authorized areas.

Critical tools are as follows:

Metal cutting tools, including hacksaws, metal cutting blades, chisels, files, bolt cutters, and pipe cutters.

Powered hand tools, drills and drill bits.

Portable jacks and hoists.

Wrenches 14" in length or longer.

Acetylene torches, cutting tips, gauges, torch parts, arc welders, plasma cutting equipment.

Grinders, emery wheels and abrasive discs.

Tubing, pipe and conduit benders.

Utility and carpet knives.

Explosively driven tools (e.g., ramset guns) and Ammunition.

Ladders nine feet in height or higher.

Wire cutters and other hand tools primarily designed to cut wire.

Dangerous tools are as follows:

Hand tools readily usable or adaptable as weapons, escape equipment or to defeat locking or security systems. Examples include screwdrivers and pliers. Wrenches less than 14" in length.

Ladders less than 9' in length.

Emery cloth and sandpaper.

Electric grinders not in use shall be locked in place with power positively locked out.

Safe handling of tools and equipment by authorized, licensed and certified users is necessary to ensure everyone's safety.

OSHA/MIOSHA standards must be maintained.

Tools must be properly removed from a CFA facilities secured perimeter if storage is not available inside of the facility.

It is the responsibility of a company contracted to perform work at CFA facilities to provide MSDS for all chemicals that will be utilized while working at a facility.

V. ENTRANCE INTO AND EXIT OUT OF THE CFA FACILITY

The facility head will ensure all individuals who are authorized entry into a correctional facility are advised of rules that they must follow while in the facility. The facility head may order any individual who disregards facility rules or the conditions under which entry was approved to immediately leave the facility.

Access is allowable only during approved days and hours of operation for contractors and their employees.

Access that is necessary outside of the approved days and times established for conducting business or completing the work requires special authorization from the facility head.

Use only authorized entrance and exit points into and out of the facility. Individuals who enter into and out of a CFA facility should use the main gate entrance.

Vehicle traffic that enters into and out of a CFA facility will use a sally port entrance. It is at these entrances that you will be registered and/or identified for entry. You and the items you take in or are bringing out will be searched at these points as well.

Staff escorts will be assigned, when necessary, at the point of entrance. You are to remain with the escort until you exit the facilities secured perimeter.

All areas of a CFA facility are restricted access areas except those which are specifically designated and authorized to complete the work you are there to do.

Utilizing authorized entrances/exits when entering or leaving buildings and work locations will aid in keeping workers out of restricted areas.

Consequences for non-compliance include being escorted off of the facility property and possibly having authorization for future access revoked by the facility head.

Persons found in restricted areas, on CFA facility property, without authorization may be arrested for trespassing under the trespassing laws relevant to corrections.

All workers who are expected on site should be present when they are expected. In the case of a no call/no show of expected workers, access may be denied.

Contact information will be provided when it is necessary for announcing delay's or absence of workers or work crews.

Overtime that is accrued by the facility to provide escorts for expected work within the facility may be charged to the contracted company when the schedule is not adhered to.

VI. PERSONAL PROTECTION DEVICES (PPD)

The purpose of a PPD is to offer access to an alarm system that alerts staff in the Control Center of the CFA facility that there is a problem and also provides a general location of where the PPD has been activated.

There are some facilities within CFA that do not require a PPD.

When a CFA facility provides a PPD, you will receive information on how to properly operate the PPD.

Generally, a PPD has push button alert activation, a pull-pin alert activation or both.

Depending on the facilities operating procedure a PPD may or may not be issued.

CFA facilities require that the PPD be properly worn so that it does not become lost and so that it is accessible by the user.

A PPD is not to be left lying around anywhere inside or outside of the facility.

The PPD is issued at a designated point within a facility and is returned usually at the same point where it was issued.

PPD's are considered sensitive items and are accounted for on each shift; therefore, a PPD should not be removed from facility grounds for any reason.

Proper use of a PPD requires that it is only activated when staff assistance is necessary.

An emergency type situation can occur at any time while inside of a CFA facility. The following is a list of examples which constitutes an emergency:

Injury or illness

Assault by a prisoner

Becoming disoriented inside of the facility

Areas covered with the PPD's ability to activate an alarm are determined by each facilities physical plant. Not all areas may be covered by PPD access. Information of this nature will be shared with each person that is required to wear a PPD.

VII. WHEN AUTHORIZED ITEMS BECOME CONTRABAND

Any item that you bring into a CFA facility, which is either on the allowable items list or has been properly authorized using a Gate Manifest/Administrative Manifest, is considered contraband when accessed by an offender.

There are specific items which are brought into the facility for offenders only by using proper channels. Consequences of improper security and control of tools and equipment can include serious physical injury and in the most extreme case even death.

Tools and equipment can be utilized by offenders to commit assaults, attempt escapes or for use in conducting unauthorized activities.

Careful cleanup and accountability of ALL items, including residual parts and pieces that occur as a result of performing proper work procedures, is essential for everyone's safety.

Pick up all nails, screws, wires. Clean up any broken glass. Remove and discard binding straps.

Remove every item or properly discard all items in approved disposal containers that are brought inside of a secured perimeter.

VIII. Prison Contact - Sexual Abuse, Sexual Harassment, Overfamiliarity and Unauthorized Contact

The Michigan Department of Corrections is committed to ensuring the safe and humane treatment of prisoners and a safe environment for all prisoners. An important part of a safe and humane environment includes being free from sexual abuse and sexual harassment.

The Department enforces a zero-tolerance standard for staff, contractual employees, and volunteers to engage in sexual abuse, sexual harassment and overfamiliarity with prisoners.

Sexual abuse is a term used to describe certain kinds of prohibited behavior. Sexual abuse includes non-consensual sexual acts and sexual harassment. Based upon an imbalance of power, sexual relationships between staff, contractual employees, and volunteers with a prisoner are NEVER consensual.

Sexual abuse of a prisoner by a staff member, contractor, or volunteer includes any of the following acts, with or without consent of the prisoner:

Sexual Conduct with Offender or Overly Familiar or Unauthorized Conduct/Sexual Relationship

- (1) Contact between the penis and the vulva or the penis and the anus, including penetration, however slight;
- (2) Contact between the mouth and the penis, vulva, or anus;

- (3) Contact between the mouth and any body part where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- (4) Penetration of the anal or genital opening, however slight, by a hand, finger, object, or other instrument, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- (5) Any other intentional contact, either directly or through the clothing, of or with the genitalia, anus, groin, breast, inner thigh, or the buttocks, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- (6) Any attempt, threat, or request by a staff member, contractor, or volunteer to engage in the activities described in paragraphs (1) through (5) of this section;
- (7) Any display by a staff member, contractor, or volunteer of his or her uncovered genitalia, buttocks, or breast in the presence of a prisoner, detainee, or resident, and (8) Voyeurism by a staff member, contractor, or volunteer which means an invasion of privacy of a prisoner for reasons unrelated to official duties, such as peering at a prisoner who is using a toilet in his or her cell to perform bodily functions; requiring a prisoner to expose his or her buttocks, genitals, or breasts; or taking images of all or part of a prisoner=s naked body or of a prisoner performing bodily functions.

Sexual Harassment

Verbal comments or gestures of a sexual nature to a prisoner by a staff member, contractor, or volunteer, including demeaning references to gender, sexually suggestive or derogatory comments about body or clothing, or obscene language or gestures.

Reporting Requirements

Anyone who observes sexual abuse/sexual harassment or receives an allegation of sexual abuse/sexual harassment, must report it to the appropriate supervisor immediately.

In addition to the Department=s policy requirement that all allegations of sexual abuse, including sexual harassment, must be reported the Department is also required by federal and state law to report sexual abuse to outside authorities.

Sexual activity against a prisoner which may constitute a felony shall be reported to appropriate law enforcement authorities. For example, Michigan law MCL 750.520c provides that employees, contractual employees, or volunteers who engage in sexual contact with prisoners can be charged with a felony, Criminal Sexual Conduct in the second degree.

All reported allegations of sexual abuse/sexual harassment, shall be referred to the Internal Affairs section for investigation. All allegations shall also be referred to the Michigan State Police or other appropriate law enforcement agency for investigation in accordance with policy and law.

In addition to reporting incidents of sexual abuse to the Michigan State Police, the Department must report all allegations of sexual abuse to the county department of social services of the county in which the abuse is suspected of having or believed to have occurred.

A contractual employee or volunteer who engages in sexual abuse/sexual harassment will be prohibited from providing services within any Department correctional facility.

Remember:

Treat any suggestion or allegation of sexual assault, abuse, or contact as serious. A report of sexual abuse by a prisoner is to be kept confidential and shared only according to policy and law.

Overfamiliarity or Unauthorized Contact

The Department also enforces a zero-tolerance standard for staff, contractual employees, and volunteers to engage in overfamiliarity with prisoners.

Overfamiliarity involves staff, contractual employees, and volunteers engaging in, or attempting to engage in conduct likely to result in intimacy or a close personal relationship with a prisoner. The following behavior between staff, contractual employees, and volunteers and prisoners is prohibited:

- a. Exchanging personal letters or gifts.
- b. Requesting or granting special favors.
- c. Discussing personal matters, unless specifically related to a prisoner's case.
- d. Engaging in horseplay.
- e. Flirting.
- f. Addressing each other by first name or a nickname.

Overfamiliarity or Unauthorized Contact with an offender includes the following types of relationships and behaviors:

Engaging in overfamiliarity with an offender, or a family member or listed visitor of an offender.

Having a personal relationship with an offender, the offender's family, or visitors at the facility you are working. Where such cases arise that there is already a personal relationship established prior to working at the facility, this information must be disclosed to include the name, number and location of the offender.

Making contact with any offender, family member of an offender or a listed visitor of an offender outside the regular performance of the job.

Giving or receiving letters, money, personal mementos, telephone numbers, legal or other services to or from an offender or a family member or a listed visitor of an offender.

Conversation of a sexual or romantic nature. Sexual abuse or sexual harassment of an offender's family members or listed visitors.

Financial involvement with offenders, family members of offenders, or listed visitors.

Giving or receiving messages, pictures or goods.

If unavoidable contact is made with an offender, a family member of an offender or a listed visitor of an offender, such contact must be reported in writing to the facility head through proper channels.

Allowable contact is defined based on the type of work you are conducting at the CFA facility. Any contact outside of the work you are doing could be inappropriate contact.

Offenders may try to have a conversation with you through a fence or by yelling across the yard. DON'T DO IT.

Generally, an offender will not attempt to have an inappropriate conversation when staff are around.

Reporting contact or attempts to contact is required at any time an offender attempts to have a conversation, asks you to do something for them, asks you to bring something to them or asks you to contact someone for them.

Consequences of unauthorized contact or overfamiliarity will lead to being escorted out of the facility and possibly not being able to work at any other Department facility.

If the overfamiliarity is deemed a felony, the case will be turned over to the Michigan State Police or other appropriate Law Enforcement Agency and could lead to prosecution and incarceration for up to 15 years in prison.

Dos and Don'ts of working in a CFA facility are as follows:

DO stay with your escorting staff member. DO dress appropriately for your job:

-Clean shirt and pants

-Under garments worn

-Clothing which is loose fitting

-Clothing which does not expose DO consider where you are working. DO ask questions about everything.

DO report everything unusual or questionable. DO refer visitors to staff if they ask questions.

Don't leave tools & equipment unsecured. Make sure tools are inventoried.

Don't talk or visit with prisoners.

Don't do anything if the emergency siren sounds. You will receive direction from staff on what action to take.

Don't come to the facility without proper identification.

Don't bring any controlled items such as, butane lighters, knives, liquor, weapons, ammunition, dice, cameras or anything else into the prison.

Don't give money, cigarettes or any other items to prisoners.

Don't leave your keys in your vehicle.

Don't leave your vehicle unsecured (unlocked) on prison property. **Don't** attempt to enter or exit the prison at any place other than where you are instructed to do so by staff.

Don't smoke or (chew tobacco) on prison property.

Don't forget to ask for staff assistance if you don't understand any of these rules.

IX. EMERGENCIES

Sirens sounding inside of a CFA facility indicate a number of situations depending on what the siren sounds like.

The procedures to follow when a siren is sounded will be issued to you from the facility you are working.

Staff will direct you on what to do and where to go.

Each CFA facility is required to conduct a siren test monthly which may require non-employee's of the facility to exit the secured perimeter. This will cause a "work stop" for a couple of hours when this occurs.

When medical emergencies occur you should report it verbally to the nearest staff member, activate your PPD or use a nearby telephone. Do not attempt to leave the area unless none of the options mentioned are available.

X. WORKSITE PROTOCOLS

Harassment of any kind is not tolerated at any Department facility.

The definition that the Department recognizes as being discriminatory harassment is: Unwelcome advances, requests for favors, and other verbal or non-verbal communication or conduct (e.g., comments, innuendo, threats, jokes, pictures, and gestures) based on race, color, national origin, disability, sex, sexual orientation, age, height, weight, marital status, religion, genetic information or partisan considerations.

Forms of harassment include but are not limited to: discriminatory harassment and sexual harassment.

Consequences of harassment are both personal and professional. Such actions can lead to civil suits as well as felony convictions.

Reporting harassment (i.e. victim of or witness to) should be done through proper channels. Any supervisor at a CFA facility is trained in proper reporting of complaints.

Authorized break areas/restrooms are to be the only areas utilized by non-employees of CFA facilities. This will help to ensure that restricted areas are not visited by unauthorized personnel.

Telephones for personal and business use will be as directed by the facility head.

Health care staff is not available for the purpose of providing care to anyone at CFA facilities except offenders.

Onsite care is not authorized for use unless it is a life-or-death emergency.

Locations that are available within the community can be utilized in accordance with their policies and ambulance services, if necessary, will be utilized in accordance with their policies as well.

CFA facilities have a Warden and Administrators assigned to act as facility heads. The Warden is the facility head and when absent assigns their designee.

The facility head has full rights to the facility. Some of those rights include and are not limited to:

Revoking permissions.

Adjusting authorities.

Alter working hours and days.

All items and personnel that are allowed inside.

Tours are not allowed without explicit authorization.

Proper authority is necessary for all activities and items as well as personnel for entrance into, exit out of and while on the grounds of any facility.

The facility Inspector is the person of contact for all questions, concerns and approvals.

Contact information for key personnel of the facility should be made available while you are working at the CFA facility.

Workplace safety is covered by Civil Service Commission Rule 2-20.

Rule 2-20 prohibits employees from (1) engaging in acts of violence and threats of violence and (2) possessing or carrying firearms or explosives unless expressly authorized by the appointing authority.

Rule 2-20 requires employees to report violations involving acts or threats of violence or possessing or carrying firearms or explosives. If an employee becomes aware of an act of violence or a threat of violence, the employee shall immediately report the act or threat to the appointing authority or the appointing authority's designee.

Consequences of violating Rule 2-20 will include being escorted from facility grounds, possibly not being approved for work at any Department facility and may be referred to the Michigan State Police or other appropriate Law Enforcement Agency which could lead to a felony conviction.

Health and Safety requirements.

The Department is required by OSHA/MIOSHA standards to ensure the safety of its employees be maintained in accordance with applicable standards.

Reporting violations, hazards, emergencies and concerns should be done through proper channels which begins with the CFA facility head.

Consequences of non-compliance to MIOSHA standards, Department rules and any other applicable entity will be determined based on the circumstances and the issue at hand as well as in accordance with the stated standards.

XI. CONCLUSION

After completing this training, it may seem as if there are so many rules to working inside a CFA facility that it may be intimidating. To simplify things, remember these keys:

You are working inside of a correctional facility (a prison) where everything you say and do will be observed.

If you have contact with offenders, offender's families etc. outside of your regular job duties report it to your supervisor.

If you are unsure about anything, ask a staff member for assistance.

Don't give or leave anything for an offender and don't take anything from an offender.

The remainder of the orientation program should be used to answer and/or clarify any questions and to address other issues which may be specific to a particular work site.
