Further, pursuant to Michigan law, any agency described above is prohibited from providing Contractors or Subcontractors with the result of such background check. For more information, please see Michigan Public Act 427 of 2018. To the extent that background checks are required by Michigan law based on the services provided to this PA, such a requirement will be noted in an engagement specific Statement of Work and appended to that Statement of Work (or, at the Parties' election, this PA) at a later date.

5. EFT Terms of Payment.

To the extent set forth in Mich. Comp. Laws Serv. § 18.1283a (Payroll and payments by electronic funds transfer; implementation), payment by the State for the purchase of goods and services under this PA shall be made by electronic funds transfer.

In addition, if it is terminated for appropriation or budget shortfalls, it may be terminated immediately on prior written notice, provided that the State shall provide as much advance written notice as it is reasonably able to provide. The termination notice will specify whether Contractor must: (a) cease performance of the contract activities immediately, or (b) continue to perform the contract activities in accordance with the PA. For the avoidance of doubt, Contractor shall not be required to provide any tangible or intangible goods and/or services without the expectation of receiving payment as required by Michigan law.

interpretation of State of Michigan statutes, the State of Michigan Constitution, or the liability of any State employee; and to (iv) retain control of all or the applicable portion of the defense if the State deems necessary for matters pertaining to the validity or interpretation of State of Michigan statutes, the State of Michigan Constitution, or the liability of any State official or employee, and the State will consent to remove or dismiss AT&T from any portion of any matter so controlled by the State. Contractor will not, without the State's written consent (not to be unreasonably withheld, conditioned or delayed), settle, compromise, or consent to the entry of any judgment in or otherwise seek to terminate any claim, action, or proceeding.

Any litigation activity on behalf of the State, or any of its subdivisions under this Section, must be coordinated with the Department of Attorney General. An attorney designated to represent the State may not do so until approved by the Michigan Attorney General (not to be unreasonably withheld, conditioned or delayed), and appointed as a Special Assistant Attorney General (not to be unreasonably withheld, conditioned or delayed). For avoidance of doubt, the Michigan Attorney General's standard vetting of proposed Special Assistant Attorneys General will not be considered an "unreasonable condition" by AT&T.

8. Records Maintenance, Inspection, Examination, and Audit.

- a. To the extent set forth in Mich. Comp. Laws Serv. § 18.1470 (Procurement contract for services; audit of vendor to verify compliance; provision; availability; exemption; "auditor general" defined), with respect to the services provided to State Agencies pursuant to this PA (only), during the term of this PA, and for three (3) years after the latter of termination, expiration or final payment under this PA ("Financial Audit Period"), Contractor must maintain complete and accurate financial and accounting records associated with the PA, as and to the extent described in Mich. Comp. Laws Serv. § 18.1470. Subject to Contractor's security requirements, during the Financial Audit Period, upon the Michigan Auditor General's request, Contractor must make such financial and accounting records, available during normal business hours for inspection and audit by the Michigan Auditor General or its designee, provided that the State: a) provides Contractor with at least fifteen (15) days prior notice of any audit, and b) conducts or causes to be conducted such audit in a manner designed to minimize disruption of Contractor's normal business operations.
- b. The State may take copies and abstracts of materials audited, subject to Contractor's security requirements.
- c. The foregoing shall not limit the applicability of Section 4 (Maintenance of Records) of the Master Agreement or the obligation described in such provision to promptly correct any billing error that is revealed in a billing review.

9. Warranties and Representations. Contractor represents and warrants: Contractor is neither currently engaged in nor will engage in the boycott of a person based in or doing business with a strategic partner as described in 22 USC 8601 to 8606.

Breach of this covenant is a material breach of this PA.

Any dispute arising from this PA must be resolved in Michigan Court of Claims. Each of Contractor and State consents to venue in Ingham County, and waives any objections, such as lack of personal jurisdiction or *forum non conveniens*. PA must appoint agents in Michigan to receive service of process.

13. Non-Exclusivity. Nothing contained in this PA is intended nor will be construed as creating any requirements contract with Contractor. This PA does not restrict the State or its agencies from acquiring similar, equal, or like contract activities from other sources.

- 14. Media Releases.** News releases (including promotional literature and commercial advertisements) pertaining to the PA or any project to which it relates must not be made without prior written State approval, and then only in accordance with the explicit written instructions of the State. The foregoing shall not be construed to limit the discretion of Purchasing Entities to issue news releases or of AT&T to collaborate with Purchasing Entities to issue news releases about such Purchasing Entities or their activities in connection with this PA (in each case, with the prior written consent of the applicable Purchasing Entity).
- 15. Website Incorporation.** The State is not bound by any content on Contractor's website unless expressly incorporated into this PA. The Contractor is not bound by any content on State's website unless expressly incorporated into this PA.

Federal Provisions Addendum

This addendum applies to purchases that will be paid for in whole or in part with funds obtained from the federal government. If any provision below conflicts with the State's terms and conditions, including any attachments, schedules, or exhibits to the State's Contract, the provisions below take priority to the extent a provision is required by federal law; otherwise, the order of precedence set forth in the Contract applies. Hyperlinks are provided for convenience only; broken hyperlinks will not relieve Contractor from compliance with the law. As used below in this addendum, the term "Contract" refers to the PA to which this addendum is attached.

AT&T shall not engage in "construction work" in a manner that would cause this Contract to be a "federally assisted construction contract," as defined in 41 C.F.R. § 60-1.3.
