## NASPO Price and Product List

### Equipment and Turnkey Packages

Item Number	Description	List price	25% MSRP Discount
TK001	<p>10' single axle package with air controls (less chassis)</p> <p>Custom plow frame with 4" X 10" DA cylinder. LED plow lights with heated lenses &amp; mounting brackets. 41R12 full trip power reverse plow. 10' SS dump body with CS90 DA hoist. Whelen Emergency light pkg 3 light rear, cab shield, mount front power load cover. 3/4" pintle plate with 45 Ton pintle hook. Central hyd system, piston pump, valve tank combo, valves for dump, reversible plow, spreader manifold, pneumatic actuators, basic spreader control. 10' stainless steel dual auger spreader with screens and hold downs.</p>	\$ 162,520	\$ 121,890
TK002	<p>14' tandem axle package with air controls (less chassis)</p> <p>Custom plow frame with 4" x 10" DA cylinder. LED plow lights with heated lenses &amp; mounting brackets. 41R12 full trip power reverse plow. 14' SS dump body with CS130DA hoist. Whelen Emergency light pkg 3 light rear, cab shield, mount front power load cover. 3/4" pintle plate with 45 Ton pintle hook. Central hyd system, piston pump, valve tank combo, valves for dump, reversible plow, spreader manifold, pneumatic actuators, basic spreader control. 14' stainless steel dual auger spreader with screen and hold downs.</p>	\$ 180,595	\$ 135,446
TK003	<p>15' Tandem package with basic electric controls (less chassis)</p> <p>Custom plow frame with 4" x 10" DA cylinder. LED plow lights with heated lenses &amp; mounting brackets. 41R12 full trip power reverse plow. 15' SS dump body with CS140DA hoist. Whelen Emergency light pkg 3 light rear, cab shield, mount front power load cover. 3/4" pintle plate with tow 45 Ton pintle hook. Central hyd system, piston pump, valve tank combo, valves for dump, reversible plow, spreader manifold, pneumatic actuators, basic spreader control. 15' stainless steel dual auger spreader with screen and hold downs.</p>	\$ 191,616	\$ 143,712
TK004	<p>16' Tandem package with enhanced electric controls (less chassis)</p> <p>Custom plow frame with 4" x 10" DA cylinder. LED plow lights with heated lenses &amp; mounting brackets. 41R12 full trip power reverse plow. 16' SS dump body with CS150DA hoist. Whelen Emergency light pkg 3 light rear, cab shield, mount front power load cover. 3/4" pintle plate with tow?? Ton pintle hook. Central hyd system, piston pump, valve tank combo, valves for dump, reversible plow, spreader manifold with prewet cartridge, pneumatic actuators, basic spreader control. 15' stainless steel dual auger spreader with screen and hold downs.</p>	\$ 203,131	\$ 152,348
TK005	<p>14' Tandem flat floor Proline package with enhanced electric controls (less chassis)</p> <p>Custom plow frame with 4" X 10" DA cylinder. LED plow lights with heated lenses &amp; mounting brackets. 41R12 full trip power reverse plow. 14' SS Flat floor Proline - dual auger with CS130DA hoist. Whelen Emergency light pkg 3 light rear, cab shield, mount front power load cover. 3/4" pintle plate with 45 Ton pintle hook. Central hyd system, piston pump, valve tank combo, valves for dump, reversible plow, spreader manifold, electric joysticks, enhanced spreader control.</p>	\$ 194,200	\$ 145,650
TK006	<p>14/15 Proline 2 "U" body package with enhanced electric controls (less chassis)</p> <p>Custom plow frame with 4" x 10" cylinder. LED plow lights with heated lenses &amp; mounting brackets. 41R12 full trip power reverse plow. 14/15 SS Proline - dual auger with hoist. Whelen emergency light package 3 light rear, cab shield mount front power load cover. 3/4" pintle plate with 45 Ton pintle hook. Central hyd system, piston pump, valve tank combo, valves for dump, spreader manifold, electric actuators, enhanced spreader control.</p>	\$ 199,753	\$ 149,815
TK007	Medium Duty chassis	\$ 98,768	\$ 74,076
TK008	Medium Duty electric package (less chassis)	\$ 91,703	\$ 68,777
TK009	Medium Duty hydraulic package (less chassis)	\$ 137,268	\$ 102,951
TK010	<p>Snow and Ice removal equipment installed on an International HV507 Tandem axle chassis with Cummins 350HP engine and Allison 3000 transmission. Equipment consists of a 15' Stainless Viking dump body, warning light system, load cover, and pintle hook fully installed. Front plow hitch and Viking 12' snow plow along with a 14' dual auger Viking spreader. All operational with a crankshaft pump, electronic joysticks, and a ground speed capable spreader controller.</p>	\$ 397,068	\$ 297,801

TK011	Snow and Ice removal equipment installed on a Mack Granite MHD Tandem axle chassis with Cummins 350HP engine and Allison 3000 transmission. Equipment consists of a 15' Stainless Viking dump body, warning light system, load cover, and pintle hook fully installed. Front plow hitch and Viking 12' snow plow along with a 14' dual auger Viking spreader. All operational with a crankshaft pump, electronic joysticks, and a ground speed capable spreader controller.	\$ 407,048	\$ 305,286
TK012	Snow and Ice removal equipment installed on a Western Star 4700SF Tandem axle chassis with Cummins 370HP engine and Allison 3000 transmission. Equipment consists of a 15' Stainless Viking dump body, warning light system, load cover, and pintle hook fully installed. Front plow hitch and Viking 12' snow plow along with a 14' dual auger Viking spreader. All operational with a crankshaft pump, electronic joysticks, and a ground speed capable spreader controller.	\$ 421,165	\$ 315,874
TK013	Snow and Ice removal equipment installed on a Freightliner 108SD Tandem axle chassis with Cummins 350HP engine and Allison 3000 transmission. Equipment consists of a 15' Stainless Viking dump body, warning light system, load cover, and pintle hook fully installed. Front plow hitch and Viking 12' snow plow along with a 14' dual auger Viking spreader. All operational with a crankshaft pump, electronic joysticks, and a ground speed capable spreader controller.	\$ 397,127	\$ 297,845
TK014	Snow and Ice removal equipment installed on a Kenworth T800 Tandem axle chassis with ISX12 425HP engine and Eaton 18-speed transmission. Equipment consists of a 15' Stainless Viking dump body, warning light system, load cover, and pintle hook fully installed. Front plow hitch and Viking 12' snow plow along with a 14' dual auger Viking spreader. All operational with a crankshaft pump, electronic joysticks, and a ground speed capable spreader controller.	\$ 443,544	\$ 332,658
