MULCHING HEAD		
Basic Factory Options		
ROTORS		
2000	Mulching Head Smooth Rotor <i>Comes equipped with 30 carbide tipped tools as standard equipment. Optional single-edge knife tools available. Replacement teeth available through parts. Carbide tooth: T312862 Knife tooth: T338203</i> <i>Used for ground engagement of 1-2". The smooth drum creates less of a HP draw when mixing wood material into the top layer of the dirt. Spiral design also makes it so that fewer tools are engaging the wood material at any given time.</i>	No Added Cost
2001	Mulching Head DCR Rotor <i>Replacement teeth available through parts. Knife tooth: T464410. Comes equipped with 24 double-edge knife tools as standard equipment.</i> <i>Ideal when you need to process material into a fine end product. The depth control rings provide a smaller bite to create a fast cut with less horsepower draw. The DCR is not recommended for sandy and rocky environments or a job where you may engage the ground; this can cause faster wear.</i>	USD \$7,812.00

STATE OF MICHIGAN

Contract No. 25000000222

Agricultural, Grounds, Turf, Earth Moving, and Roadside Maintenance Equipment

SCHEDULE B3 SPECIFICATION PRICING

1. The Contractor must provide a pricing schedule for the proposed Contract Activities using Microsoft Excel. The pricing schedule should be submitted in a modifiable format (e.g., Microsoft Word or Excel); however, you may also submit an additional pricing schedule in a non-modifiable format (e.g., PDF). Failure to complete the pricing schedule as requested may result in disqualification of your proposal.
2. Price proposals must include all costs, including but not limited to, any one-time or set-up charges, fees, and potential costs that Contractor may charge the State (e.g., shipping and handling, per piece pricing, and palletizing).
3. The Contractor is encouraged to offer quick payment terms. The number of days must not include processing time for payment to be received by the Contractor's financial institution.
Quick payment terms: NA % discount off invoice if paid within NA days after receipt of invoice.
4. By submitting its proposal, the Contractor certifies that the prices were arrived at independently, and without consultation, communication, or agreement with any other Contractor.
5. All items below for PURCHASE shall be evaluated based on a single purchase at each prosperity region (13 single purchases). If delivery pricing is per mile, the delivery cost shall be calculated from the nearest dealer location to the estimated central location of each region. Mileage is calculated one way.
 - a). (Purchase price x 13) + (Delivery cost at all 13 prosperity regions) + (13 Hours of training) or
 - b). (Purchase price x 13) + (Mileage rate x mileage from nearest dealer to each estimated central prosperity region) + (13 Hours of training)
6. All items below for RENTAL shall be evaluated based on a combination of a single daily, weekly, and a monthly rental in each prosperity region. Delivery and pickup shall be calculated for each single rental (13 x 3 = 39 single purchases). If delivery/pickup pricing is per mile, the delivery/pickup cost shall be calculated from the nearest dealer location to the estimated central location of each region. Mileage is calculated one way for each pickup and delivery.
 - a). (Daily rental price x 13) + (Delivery and pickup cost at all 13 prosperity regions) + (Weekly rental price x 13) + (Delivery and pickup cost at all 13 prosperity regions) + (Monthly rental price x 13) + (Delivery and pickup cost at all 13 prosperity regions) or
 - b). (Daily rental price x 13) + (Delivery and pickup mileage rate x mileage to and from nearest dealer to each estimated central prosperity region) + (Weekly rental price x 13) + (Delivery and pickup mileage rate x mileage to and from nearest dealer to each estimated central prosperity region) + (Monthly rental price x 13) + (Delivery and pickup mileage rate x mileage to and from nearest dealer to each estimated central prosperity region)

7. Refer to "Standard Contract Terms", section 7, regarding administration fee.
