If you have any questions or concerns about this process, please contact [Mr. Mark Holmes](#), at CSS at (517) 285-6592.

**PSAP Administrator** – This role is established for the person who will be managing the accounts for the users within a specific PSAP jurisdiction. This role will typically be assigned to the 911 Director. This access is limited to PSAPs that are a branch of the entity that is party to the ‘memorandum of understanding’ for the 911 GIS Repository.

**Alternate PSAP Administrator(s) (optional)** – This role is established for a person to provide a backup role to the PSAP Administrator for assigning logins or accounts. This role will have the same permissions level in the system as the PSAP Administrator.

**Data Importer(s)** – This role is established for a person who will be providing GIS data updates to the repository system. This role can be assigned to a PSAP staff member, county GIS department staff member or a vendor. This role is typically assigned to the person who is maintaining the GIS data.

**Data Exporter(s)** – This role is established for a person who will be extracting GIS data from the repository for 911 purposes on a regular basis. For example, the data exporter might be the person who typically integrates GIS data with existing CAD systems.
