USER QUESTIONNAIRE

This form is the **User Questionnaire**, as defined and required by ASTM E1527-13. The "User" is the party seeking to use the Phase I Environmental Site Assessment. The User's responses to these questions are an important element to meeting the All Appropriate Inquiry rule. It is acceptable to write "Do not know".

PROPERTY ADDRESS:

123 W. Allegan Street & 215 S. Capitol Avenue

FORM COMPLETED BY:

Joe Bolin - Per conversation with Jud Sorensen

RELATIONSHIP TO PROPERTY:

Michigan DTMB Representative

QUESTIONNAIRE

Please complete this information to the best of your knowledge.

1. Are you aware of any environmental cleanup liens against the property that are filed under federal, tribal, state, or local law? Yes No

2. Are you aware of any Activity and Land Use Limitations (AULs), such as engineering controls, land use restrictions, or institutional controls that are in place at the site and/or have been filed or recorded in a registry under federal, tribal, state, or local law? Yes No

3. As the User of this Environmental Site Assessment, do you have any specialized knowledge or experience related to the property or nearby properties? For example, are you involved in the same line of business as the current or former occupants of the property or an adjoining property so that you would have specialized knowledge of the chemicals and processes used by that type of business? Yes No

4. Does the purchase price being paid for the property reasonably reflect the fair market value of the property? Yes No N/A

If you conclude that there is a difference from fair market value, is the lower price because contamination is known or believed to be present at the property?

No

Materials Testing Consultants, INC.

5. Are you aware of commonly known or reasonably ascertainable information about the property that would help the Environmental Professional to identify conditions indicative of releases or threatened releases?

For example:

Do you know the past uses of the property?

State Senate

Do you know of specific chemicals that are present or once were present at the property?

No

Do you know of any spills or other chemical releases that have taken place at the property?

No

Do you know of any environmental cleanups that have taken place at the property?

Limited Asbestos Abatement

Any other environmental significant information?

No

6. Based on your knowledge and experience related to the property, are there any obvious indicators that point to the presence or likely presence of contamination at the property?

No
