

**CHANGE OF CAMPGROUND PROGRAM
CONSTRUCTION PERMIT AND LICENSE FEES**

In 2004, the Public Health Code, 1978 PA 368, as amended, was revised to authorize the Department of Environment, Great Lakes, and Energy (EGLE) to charge construction permit and license fees for campgrounds. These fees replaced the general fund tax dollars formerly used to fund the campground program. This revision also authorized that the fees be adjusted every three years by an amount that reflects the cumulative annual percentage change in the Detroit consumer price index. The sixth and most recent three-year change is in effect beginning 10/01/2022 with an increase of 16.2%.

The adjusted Campground Construction Permit fee schedule is as follows and is effective through 2025:

Construction Permit Category	Comment	Adjusted Fee
New Campground	New Facility	\$881
Campground Addition or Modification	Existing Facility	\$329

The EGLE Campground Construction Permit Application reflects this adjusted fee schedule. The Construction Permit Application, directions, and the Campground Act and Rules are available on our webpage at Michigan.gov/EGLECampgrounds.

The adjusted license renewal fee schedule is based on the number of campsites. The following licensing fee schedule is effective through 2023, 2024, and 2025:

License Fee Category	Comment	Adjusted Fee
Annual Renewal for 5 – 25 sites	Before December 31	\$109
Annual Renewal for 26 – 50 sites	Before December 31	\$146
Annual Renewal for 51 – 75 sites	Before December 31	\$184
Annual Renewal for 76 – 100 sites	Before December 31	\$221
Annual Renewal for 101 – 500 sites	Before December 31	\$330
Annual Renewal for >500 sites	Before December 31	\$734
Late Annual Renewal	In addition to above, after December 31	\$100
Transfer	New Owner	\$92

License renewal applications and invoices are mailed to campground owners every mid-October. Please note that an additional \$100 late fee is assessed after December 31.

Local health departments are entitled to collect additional fees for services provided, such as campground inspections. Please contact your local health department for inspection fee information or to request your annual inspection. Please do not send local health department inspection fees to EGLE.

These fee adjustments also apply to **TEMPORARY CAMPGROUND LICENSES**. For additional information about temporary campgrounds, please visit our webpage and click the link entitled “Steps for Obtaining a Temporary Campground License.”
