

Source Water Protection Grant Application

To submit a Source Water Protection Grant Application, you must first set up a MILogin for Third Party account, then [request access to MiEHDWIS](#). This grant application will need to be [certified by the water supply designated certifier](#) on your grant application team. (This person is usually the operator in charge or someone who the water supply administrator has designated).

Application Instructions

1. From the MiEHDWIS My Work – Customer Portal home page, click **Submit New Request**.
2. Create the request by filling in the **Entity Type**, **Request Category**, **Type**, and **Entity**.
Note: Make sure to select the correct Entity. Start typing in the name of the Entity and a drop down will appear. Select the correct Entity from that drop down list.
3. Click **Create**.

4. Click **Basic Info Collection**.

- Fill out both forms listed in the Task pane. Once you have completed the forms, click the **Answer Four Questions** button. Your answers will generate reminder tasks to upload the necessary documents. Please answer all questions and then upload required files all at once after you have answered the questions.

Note: The four questions appear on the blue button. Answer all four questions and then upload supporting documents.

- Each of the form and file upload tasks in the Tasks pane must be completed before you can continue to the final Application Review step. **You may need to scroll through the Tasks pane to see all of the required tasks.** Once they have all been marked as completed, click the **Review Application** button.

For help, send an email or call 800-662-9278.

ACT-157859 - Source Water Protection Grant Application Submission

Current Status: Application Review

Conditions for Transition: Pending Certification

Restrict Transition if Tasks are Incomplete

Disclaimer: There are five new tasks listed at the bottom of the **Tasks** pane. Click on each **Review Form** button to open the form. Review and if necessary, edit the form content before clicking the **Submit** button at the bottom of each form. Also review that all of the required documents have been uploaded. If you need to revise any of these files, simply upload a new copy and provide a clear indication of revision in the file name and file description. Once all tasks have been marked as completed, click the **Pending Certification** button. This application will not be accepted by EGLE until it has been certified and submitted by a Water Supply Certifier. You may continue to upload documents up to the deadline of June 15, 2022. Incomplete applications will be automatically withdrawn after that date. Visit the [Source Water Protection website](#) for guidance. If you need assistance or have questions, contact Jason Bernick. Use the **Messages** pane on the lower left of this page to send a message, or contact by phone or email: 517-203-9631, jbernackj@egle.michigan.gov
