Additional Information

Overburdened Community Status Determination Worksheets for FY 2026 cannot be completed until early 2025. Once the form is available, it will be posted to the [SRF: Affordability Criteria website](#) and information will be sent to all applicants. Note that a new form is required every year for all applicants.

Please note: Applicants for CWSRF funding may be required to use a Qualifications-based Selection (QBS) process to select and hire an architectural and engineering firm for those costs to be eligible for CWSRF funding. This includes planning, design engineering and construction engineering services. Your assigned project manager will discuss these requirements in more detail.

After your submission is received, you will be contacted by an assigned EGLE Water Infrastructure Funding and Financing Section (WIFFS) project manager within the next couple weeks to discuss the next steps. The project manager can help to identify project funding opportunities, challenges, and project planning guidance to assist the efforts of the applicant and their consulting engineer.

For more information or questions, please visit our website at [Michigan.gov/CWSRF](#) and [Michigan.gov/DWSRF](#), or watch the [State Revolving Fund Informational Video Series](#). You may also contact WIFFS at 517-284-5433 or EGLE-WIFFS@Michigan.gov or the [SRF Project Manager](#) located in your EGLE District Office.

If you need this information in an alternate format, contact EGLE-Accessibility@Michigan.gov or call 800-662-9278.
