Section 11526a(1)(c) of Part 115 prohibits the owner or operator of a landfill from accepting for disposal in this state solid waste that was generated outside of this state unless the country, state, province, or local jurisdiction in which the solid waste was generated is approved by the EGLE for inclusion on the list compiled by the EGLE under Section 11526b. Section 11526b(2) provides that a country, state, province, or local jurisdiction that demonstrates equivalent disposal prohibitions shall be included on the list prepared by the EGLE if they:

1. Provide the EGLE with documentation that the country, state, province, or local jurisdiction prohibits from disposal in a landfill the items prohibited from disposal in a landfill located in this state, or
2. Prevent from disposal in a landfill the items prohibited from disposal in a landfill located in this state through enforceable solid waste disposal requirements that are comparable to this part.

Such documentation must include all pertinent statutes, administrative regulations, and ordinances.
