

MICHIGAN DEPARTMENT OF ENVIRONMENT, GREAT LAKES, AND ENERGY
MIENVIRO CERTIFIER AGREEMENT

This Agreement will allow you to electronically submit forms and reports using Michigan Department of Environment, Great Lakes, and Energy's (EGLE) MiEnviro system when those forms and reports require a signature, using the account identified by your email address. To receive the necessary authorization, a request to be a certifier must be made by a Site Administrator for you in MiEnviro (under the authorized users' area), and you must fill out this form completely, sign it, have the verification signed by an Authorized Representative (see page 3) and send the original to:

Certifier Agreement Administrator
Michigan Department of Environment, Great Lakes, and Energy
P.O. Box 30457
Lansing, MI 48909-7957

Faxes, photocopies, and other facsimiles will not suffice.

If you are a certifier for multiple facilities, a separate MiEnviro Certifier Agreement is required for each site, or if the details on this certification form apply to multiple sites, you may attach a spreadsheet listing all applicable sites.
