This information must be included in all applications to implement Best Management Practices.

General Instructions

The Best Management Practice (BMP) Sheet should be filled in completely. The form totals automatically. Number the page and include in your grant application. Additional pages can be inserted if needed to list all sites proposed for treatment under this proposal. Note that the grant and match totals on the bottom of the BMP Sheet(s) should correspond with information on the Grant Proposal Budget Sheet.

Organization: Fill in the name of the organization applying for the grant.

Project Name: Fill in the name of the project from your “Request for a full proposal” email from the Department of Environment, Great Lakes, and Energy (EGLE). The title included on the Notice of Intent form may have been edited for length or program need.

Tracking Code: Fill in the tracking code number supplied by EGLE. This is an 8-digit number beginning with “2023-00.”

BMP Table - Follow the column-by-column directions below to fill in the table.

Site Name/Number and digital Lat/Long. This should be based on the names of sites included in EGLE approved watershed management plan being implemented. Include the lat/long of the site in digital format following the name or number.

Pollutant Source. For each site, list the source of pollutants that will be addressed by the proposed BMPs: Agriculture, Construction, Forestry, Mining, Recreation, Residential, Streambank/Shoreline, Transportation, or Urban.

System of BMPs. Specify potential BMPs intended to be used to treat the site. Use the Michigan [Nonpoint Source Best Management Practices Manual](#), [Natural Resources Conservation Service Technical Guide](#), [Sustainable Soil and Water Quality Practices on Forest Land](#) (PDF), or the [Low Impact Development Manual for Michigan](#) (PDF) as a reference. Include all potential BMPs that will be used in the site treatment.

Estimated Cost Per Site. Include all costs needed for the source, including supplies, materials, equipment, and labor, but excluding engineering or design costs.

Grant Funds. List the amount of grant funds you are proposing to use to pay for the proposed BMPs.

Local Match. List the amount coming from other local sources. Contact [NPS staff](#) in for assistance on what constitutes local match.

Other Funds. List any other funds that will be used to implement the BMPs that cannot count as match for the project (typically federal funds). Contact [NPS staff](#) for what constitutes “other funds”.

Sources of Other Funds. At the bottom of the page, indicate the source(s) of other funds.
