**Legend**

- SSO - Sanitary sewer overflow elimination points
- CSO - Combined sewer overflow elimination points
- PFOS - Biosolids scoring for PFOS
- Water Quality - Water quality severity points
- AM - Project is part of an Asset Management Program
- REG - Project is part of a regionalization effort
- RES - Project involves resiliency components (e.g. pumping or type of pumps, electrical systems, basement backup protection, etc.)
- OVER - applicant is designated as overburdened
- SIGN - applicant is designated as significantly overburdened

**Legend**

- TMDL - Projects that make progress towards achieving total maximum daily load pollutant load reduction
- RSR - Projects that result in reduced storm water runoff volume
- IWQ - Projects that result in an increased water quality treatment of an existing discharge
- DEI - Projects that results in disconnection of existing impervious surfaces
- BMP - Project that result in regional best management practices to address known site issues
- AM - Project is part of an approved Asset Management Program
- REG - Project is for regionalization of systems
- OVER - Applicant is designated as overburdened
- SIGN - Applicant is designated as significantly overburdened

## Project Scoring Summary Report

NPS

Project #	Project Name, Location, Description			Compliance	TMDL	WQS	HQW	HPUV	WILL	Partnership	Total Points
5884-01	Caledonia Drain #007 Drainage District	Shiawassee County	Non Point Source - Streambank stabilization	0	0	0	200	200	0	100	500
5885-01	Chipman Drain #091 Drainage District	Shiawassee County	Non Point Source - Streambank stabilization	0	0	0	200	200	0	100	500

### Legend

TMDL - Projects that implement an action from a dissolved oxygen total maximum daily load

WQS - Projects that address violations of water quality standards

HQW - Points for projects where the watershed contains high quality waters

HPUV - Points for projects where the watershed has high public use value

WILL - Points if there is high landover or municipal willingness to participate in controlling NPS in the watershed

Partnership - Points if there are ongoing local, federal, or state NPS initiatives in the watershed
