

# Air Advisory Council Meeting

---

In-person  
August 28, 2024

# AAC Group Norms

Participate thoughtfully

Listen actively and with an ear to understanding.

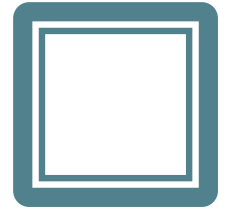

Ask questions and request clarification.

Criticize ideas, not individuals.

Communicate respectfully.

Take space/make space.

# Public Involvement: Group Activity

- Purpose:
  - Discuss AQD's Public Participation Process using a modified Rose, Bud, Thorn method.
  - Work with and hear from those outside your sector.
  - Create an additional advisory resource the AQD can use in future public comment planning and updates to policy and procedures.

# Public Involvement: Instructions

Break into groups (find those with your number)

Spend 7 minutes at each station brainstorming and including it on the board.

Spend 15 minutes reporting out  
(2-3 minutes per group)

# Public Involvement: Questions

- Rose: What do you appreciate about AQD's public participation process?
- Bud: What is something you think AQD should do differently?
- Thorn: What are the possible challenges to doing things differently?

# Time to Report Out

- Choose a speaker
- Tell the group something about your first prompt.
  - Start at rose: report on rose
  - Start at bud: report on bud
  - Start at thorn: report on thorn

# Any final thoughts or feedback?

- Did anything surprise you?
- Did you find your perspective aligned with your group?
