Office of the **Clean Water Public Advocate**

MICHIGAN DEPARTMENT OF  
ENVIRONMENT, GREAT LAKES, AND ENERGY

A glass of water being poured into it, with water droplets on the surface.

# **Current Drinking Water Issues**

Kris Donaldson,  
Clean Water Public Advocate

A photograph of water being poured into a clear glass, set against a blue background. The water is captured in motion, creating splashes and bubbles. The glass sits on a surface with water droplets scattered around it. The entire image has a semi-transparent blue overlay.

# **Clean Water Ambassador Updates & Discussion**

A glass of water with water being poured into it, set against a blue background with water droplets.

# Wrap-up & Reminders

Emily Posthumus, EGLE

# Wrap-up & Reminders

- Navigating from Zoom to Teams
- Volunteers are welcome to help distribute bottled water in Benton Harbor. Sign up at [Mi Lead Safe - Benton Harbor \(michigan.gov\)](https://www.michigan.gov/mileadsafe)
- Reminder: Due to the holiday season, we are consolidating our November and December meetings. Our next meeting will be on **December 16 at 6pm**
