

WAMC Survey and KPI Committee  
April 28, 2023

Attendees:

Jenny Shaw, Brian Vilmont, Olivia Olsztyn-Budry, Randall Roost, Carrie Ricker Cox

Meeting Notes:

- Thoughts on the Overall Recommendations & Cover letter
- Something related to training and operators as an asset – Brian to write draft language
- EGLE data collection
  - SAW grant have data
  - Drinking water have sanitary survey and reliability – can EGLE reinforce need to submit that data for WAMC?
    - Are the regional engineers aware of WAMC and can they mention, hey we have to do this too
  - If already collected data, should not be too hard to resubmit
- Data tool has been changed to need money to help collect data that is already submitted from miEnviro
- Note about timeliness and email to assist in More data
  - Send data out earlier
  - Obtain email addresses for contacts and not just snail mail
- Should say of the xx number of miles submitted this many had condition and this is the break down
  - Carrie to add language
- Group – think about WAMC survey
  - Any questions would like added
  - Possibly questions we are not using to stop asking

ACTION ITEMS:

- Carrie to Cancel next meeting
- ALL review and comment
- Carrie and Brian to help write annual report to MIC
- Carrie to change footage language on bullet for condition
- Group – think about adding or removing questions
