Agenda

Welcome

A short presentation, including:

- Background on enforcement
- What is a Consent Judgement?
- Requirements of the Consent Judgement
- EGLE inspections & continued compliance monitoring

There will be time for your questions during the meeting.

BACKGROUND:

EGLE and the US EPA have conducted several investigations of the landfill. Due to continued non-compliance, EGLE and the Michigan Attorney General's Office filed a lawsuit against the landfill in October 2020. The Michigan Attorney General's Office, on behalf of EGLE, finalized a [Consent Judgement](#) against Arbor Hills Landfill on March 7, 2022. The Consent Judgement contains a robust compliance plan, [Supplemental Environmental Projects \(SEPs\)](#), and penalties for past violations and stipulated penalties for future violations of the consent judgement. [Summary of the Consent Judgement and SEPs.](#)

EGLE promotes the equitable treatment and meaningful involvement of Michigan's residents regarding the development, implementation, and enforcement of laws, regulations, and policies. Equitable treatment means that no group of people bears a disproportionate share of the negative consequences resulting from governmental, industrial, or commercial operations and policies. Meaningful involvement means all people have an opportunity to participate in decisions that affect their environment and/or health.

EGLE does not discriminate on the basis of race, sex, religion, age, national origin, color, marital status, disability, political beliefs, height, weight, genetic information, or sexual orientation in the administration of any of its programs or activities, and prohibits intimidation and retaliation, as required by applicable laws and regulations.
