PUBLIC NOTICE

The City of Sault Ste. Marie operates a Wastewater Treatment Plant, located at 1171 E Portage Ave, Sault Ste Marie, MI 49783. The treatment plant plans to start accepting porta-john waste that's collected inside the city limits only from licensed waste haulers. We will not be accepting any septic tank waste. Must have contract with the city before any porta-john waste can be disposed of. A copy of the proposed operating plan is available for review at city hall during normal business hours.

Written comments on the proposed plan should be submitted by June 17, 2022 at the WWTP 1171 E Portage Ave Sault Ste Marie, MI 49783 Attn: Brian Masterson WWTP Superintendent.
