**Courses Outline and Agenda:**

The DEQ in cooperation with Waste Water Education 501(c)(3) based in Traverse City, Michigan which is under the direction of Ms. Dendra J. Best, has approved separate courses for Continuing Septage Education (CSE).

The following credit hours webinar based CSE classes have been approved by MDEQ. Correct answers of 75% will be the passing minimum plus there will be a written assignment for each component.

**2018- 006b. Bugs Without Borders - Basic best practices for recognizing and minimizing exposure to ticks and tick born infections. 1 CSE -**

- Exposure to ticks has become a serious issue for onsite wastewater service providers  
This class will discuss best practices for use of chemical and non-chemical preventative measures; removal techniques; recognition of tick habitat; recognition of tick born disease symptoms. Fleas and Mosquitoes is a full hour and 15 minutes with an assignment to create a tick, and Mosquitoes best practices information sheet for their employees.

**Course Cancellation/Rescheduling:** Some courses may be cancelled or rescheduled due to low enrollment/registration or other reasons. The DEQ is not responsible for any course cancelled or rescheduled by a course sponsor. Course sponsors are strongly encouraged to notify the DEQ and those who have

registered for the course in a timely manner when a course is cancelled or rescheduled prior to the date the course is scheduled to be offered. Course attendees from Michigan are encouraged to make adequate consultation with the course sponsor before registering for the course.

Additional information about the reimbursement, you may call Mr. Matt Rockhold, DEQ, at 517-284-6540.

Questions regarding the above courses may be directed to the Director of Wastewater Education 501(c)(3) Ms. Dendra J. Best, at 231-233-1806.
