CREDIT: The courses will count toward the septage education (CSE) requirements outlined in Section 11703 of part 117. Only the CSE credits earned by the “responsible agent” for a given Michigan licensed septage firm will be credited to that firm.

Due to concurrent course session scheduling, no more than 7 CSE credits may be earned during the conference.

A certificate will be issued for each class attended.

Registration/Fees: For further information, contact Wisconsin Liquid Waste Carriers Association at www.wlwca.com. You may also call Mr. Jeffrey Beiriger at 888-782-6815.

Course Cancellation/Rescheduling: Some courses may be cancelled or rescheduled due to low enrollment/registration or other reasons. The Michigan Department of Environment, Great Lakes, and Energy (EGLE) is not responsible for any course cancelled or rescheduled by a course sponsor. Course sponsors are strongly encouraged to notify EGLE and those who have registered for the course in a timely manner when a course is cancelled or rescheduled prior to the date the course is scheduled to be offered. Course attendees from Michigan are encouraged to make adequate consultation with the course sponsor before registering for the course.

For additional information, you may call Mr. Matt Rockhold, EGLE, at 517-284-6540.
