

***Dept. of Environment, Great Lakes and Energy
List of Registered Manufacturers of Electronics and their brands
for Program Year 2021 – effective March 15, 2021.***

The following alphabetically listed manufacturers have registered their listed brands in Michigan for program year 2020. In accordance with in Act 451, Part 173, Section 17305 the listed Covered Electronic Devices (CEDs) brands are accepted for sale to Michigan households and small businesses through retail outlets located in Michigan and internet retailers selling to Michigan locations.

CEDs include computer monitors; desktop, laptop, and tablet computers; televisions and other video display devices with a screen of at least 4” in the longest diagonal direction; desktop printers and printer-fax-scanner-copier combinations. For more information on the requirements of the Michigan Electronics Takeback Program visit the program [webpage](#).
