

# ALLIANCE FOR UNIFORM HAZMAT TRANSPORTATION

## Guidance for Transporters

The [Alliance for Uniform Hazmat Transportation website \(hazmatalliance.org\)](https://hazmatalliance.org) streamlines the entire application process for Uniform Program applicants, saves the data for faster and easier renewals each year, and reduces calculation errors and missing data. The website is used for both new applications and renewals. New Uniform Program applicants or Uniform Program permit renewals should complete the long form. Uniform Program registration renewals should complete the short form.

Upon accessing the website, click on “**Create Account.**” After reading and agreeing to the terms and conditions, click on “**Getting Started**” to begin the application process. Once each page has been completed, please be certain to click on “**Save and Continue**” to save the work in progress.

After completing all parts of the online application, a completed PDF document will be presented for printing. **This printed form must be signed and submitted via email along with a payment receipt for the required fees.** Please retain the account password to ensure easy access to the application in subsequent years.

Uniform Program applicants who also transport liquid industrial waste in Michigan should complete the Attachment A fee worksheet ([EQP 5122A](#)) and submit the required vehicle registration fees. Permit and processing fees are paid as part of the Uniform Program application process.

Uniform Program fees should be paid at [ThePayPlace.com/mi/deq/hazwaste/billpreview.aspx](https://ThePayPlace.com/mi/deq/hazwaste/billpreview.aspx).
