Notice of Public Information Meeting for US Ecology Romulus, Inc. Hazardous Waste Management Facility Operating License Application

The Michigan Department of Environment, Great Lakes, and Energy (EGLE), Materials Management Division (MMD), is hosting a public information meeting regarding the hazardous waste management facility operating license renewal application for US Ecology Romulus, Inc (USE Rom). This facility is currently permitted to store a variety of hazardous waste in tanks and containers and to treat those wastes in tanks located at 36345 Van Born Road, Romulus, Michigan. USE Rom is proposing to convert some of its hazardous waste tank storage capacity to container storage capacity. The purpose of the meeting is to provide information regarding the application and answer questions from the community.
