## A.1. General facility description

**GENERAL FACILITY DESCRIPTION**  
**WAYNE DISPOSAL INC. MID 048 090 633**

Wayne Disposal Site #2 (WDI) - MID 048 090 633) is a hazardous waste landfill located at 49350 North I-94 Service Drive in Belleville, Michigan. WDI was first established in 1970, before hazardous waste handling and disposal operations were regulated under state or federal law. Hazardous waste activities at WDI began in 1980. WDI's facility is designed and engineered to manage waste safely and securely. Facility operations include receiving and disposing of hazardous wastes meeting land disposal restrictions. WDI is permitted by Michigan Environment, Great Lakes and Energy under the facility operating license.
