40 CFR 270.14(b)(20) states the applicability of other Federal Laws as indicated in 40 CFR 270.3 that may apply to Hazardous Wastes Management (HWM) facilities. Due to the location of EQD and the nature of operations that is and will be performed, the requirements of 40 CFR 270.14(b)(20) do not apply. However, EQD is subject to the SARA Title III Requirements.
