ALLIANCE FOR UNIFORM HAZMAT TRANSPORTATION

Dear Transporter:

The new Alliance website (<https://www.hazmatalliance.org>) is now ready for use. The website application process streamlines the entire application process for Uniform Program applicants, saves the data for faster and easier renewals each year, and reduces calculation errors and missing data. The website is used for both new applications and renewals. New Uniform Program applicants or Uniform Program permit renewals should complete the long form. Uniform Program registration renewals should complete the short form.

Upon accessing the website, click on "Create Account". After reading and agreeing to the terms and conditions, click on "Getting Started" to begin the application process. Once each page has been completed, please be certain to click on "Save and Continue" to save the work in progress. After completing all parts of the online application, a completed PDF document will be presented for printing. This printed form must be signed and mailed along with the required fees. Please note that handwritten applications will be returned. For subsequent renewals, simply update information that has changed from the previous year. Please retain the password provided during the initial application process to enable the application in subsequent years.

Uniform Program applicants who also transport liquid industrial waste in Michigan should complete the Attachment A fee worksheet (EQP 5122A) and submit the required vehicle registration fees. Permit and processing fees are paid as part of the Uniform Program application process.

To pay fees online, please go to the following website:

<https://www.thepayplace.com/mi/deq/hazwaste/billpreview.aspx>

Enter Payment Verification Code: Hauler@138

After paying the required fees please mail a copy of the payment receipt and the original application to:
