**ORDER FOR RELIEF FROM STAY**

The Michigan Department of Natural Resources and Environment (DNRE), by and through its attorneys, has filed a Motion for Relief from Stay with respect to the property located at 2338 North Oceana Drive in Hart, Michigan (the Property). The Property is a site of environmental contamination. DNRE is seeking access to the Property to conduct response activities to address environmental contamination on the Property. The Court finds that DNRE has set forth a sufficient legal and factual basis supporting its Motion for Relief from Stay.

THEREFORE, IT IS HEREBY ORDERED that the Automatic Stay is modified as to Movant with respect to the property located at 2338 North Oceana Drive in Hart, Michigan in order that the Movant may pursue a state court action to obtain access to the property for the purpose of conducting response activities to address environmental contamination on the Property.

IT IS SO ORDERED.
