SUBJECT: Documents concerning Gelman Sciences, Inc. Consent Judgment

Please note that the Department of Environmental Quality (DEQ) is minimizing the number of hard copy documents being provided to the Information Repositories in an effort to conserve resources, staff time and expense involved with these mailings. The underlined documents are available on the DEQ's Gelman web site and hard copies are not being sent. **It is our understanding that the Ann Arbor District Library is printing all documents for their repository. There are no hard copies included in this mailing.**

These documents are the most recent submittals, responses or other information pertinent to the Gelman Sciences, Inc. project. These documents are provided by the DEQ to facilitate public review as this project progresses.

The information on each of the seven areas related to the remediation is listed separately. NPDES Permit correspondence and Discharge Monitoring Reports, general correspondence and Quarterly Reports are also listed separately. Please contact me at 517-780-7937 or by e-mail at [kolons@michigan.gov](mailto:kolons@michigan.gov), if you have any concerns or questions or would like to be added to the list of people who receive a digital copy of these letters by e-mail.

If you have a digital copy of this letter and are connected to the internet, you may click on any of the linked documents below (underlined) to access them directly. You can also access the web site directly by entering <http://www.michigan.gov/deqrrd> into your web browser's address screen, scroll to "Contaminated Sites List" and click on "Gelman Sciences, Inc. Site of Contamination".
