

1,4-Dioxane Isoconcentration Contours

- Unit E
- Unit D2
- Current 7.2 ppb contour interpretation, subject to pending delineation investigation
- Other Items
- 1,4-Dioxane Concentration
- Data Not Used
- Unit E Extraction Well Operating During Sampling
- Unit E Extraction Well Compliance Monitoring Well
- Horizontal Well Screen
- Plugged or Abandoned
- Soil Boring

Well Type

- Artesian Well
- Extraction Well
- Injection Well
- Monitor Well
- Production Well
- Current/Former Drinking Water Well
- Unit E Extraction Well Operating During Sampling
- Unit E Extraction Well Compliance Monitoring Well
- Horizontal Well Screen
- Plugged or Abandoned
- Soil Boring

1,4-Dioxane Isoconcentration Map

Unit E (April 2021 - September 2021)

Gelman Sciences, Scio Twp., Washtenaw County, Michigan
