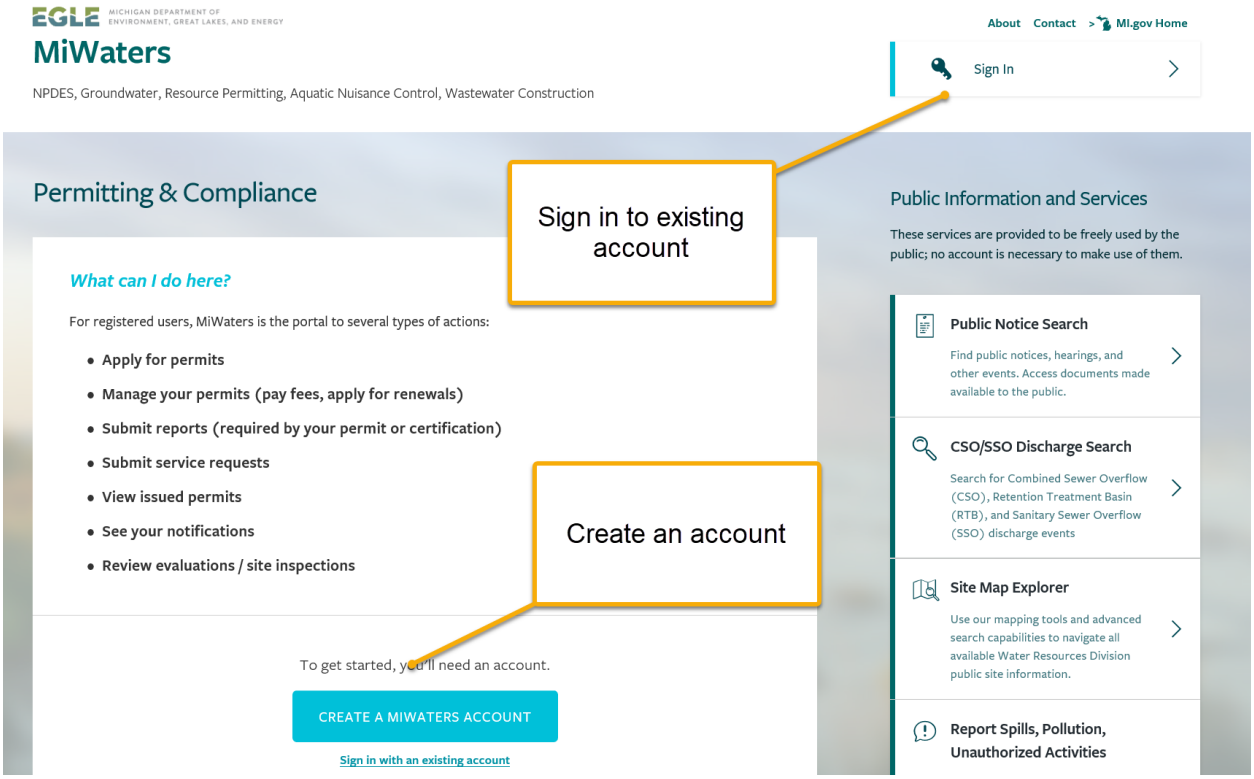
How to Start a New Permit Application to Recover Abandoned Property from the Great Lakes

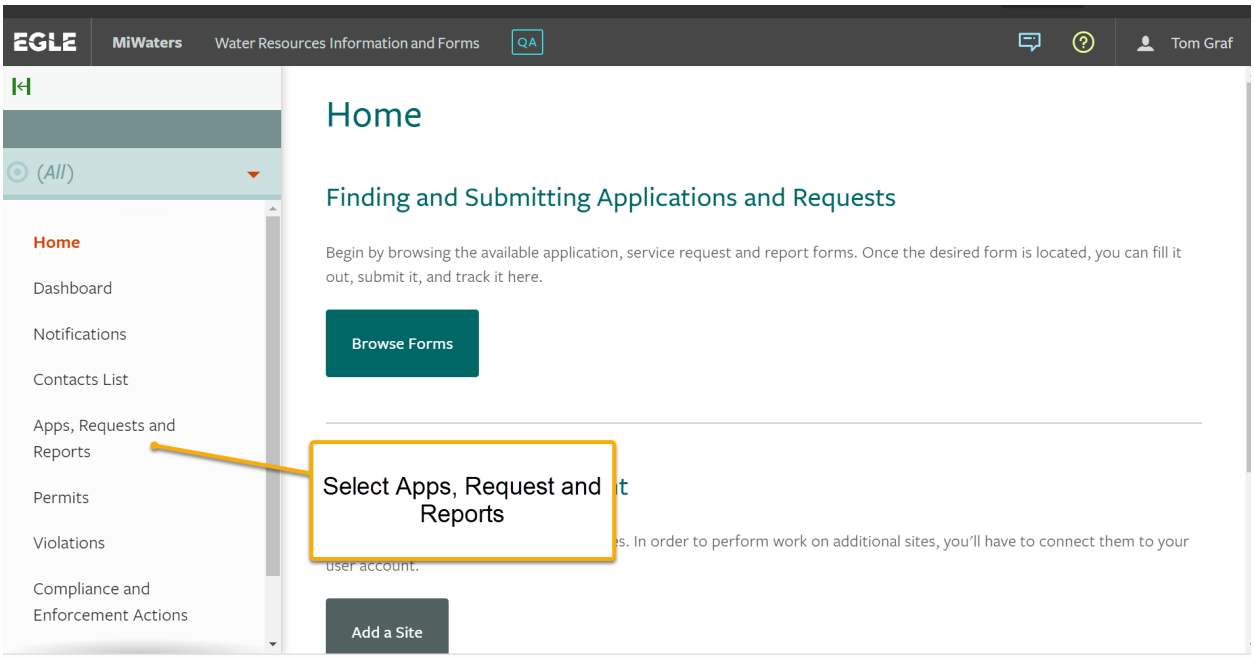
Water Resources Division

1. Either create an account in MiEnviro (formerly MiWaters) or Sign Into your Account here:

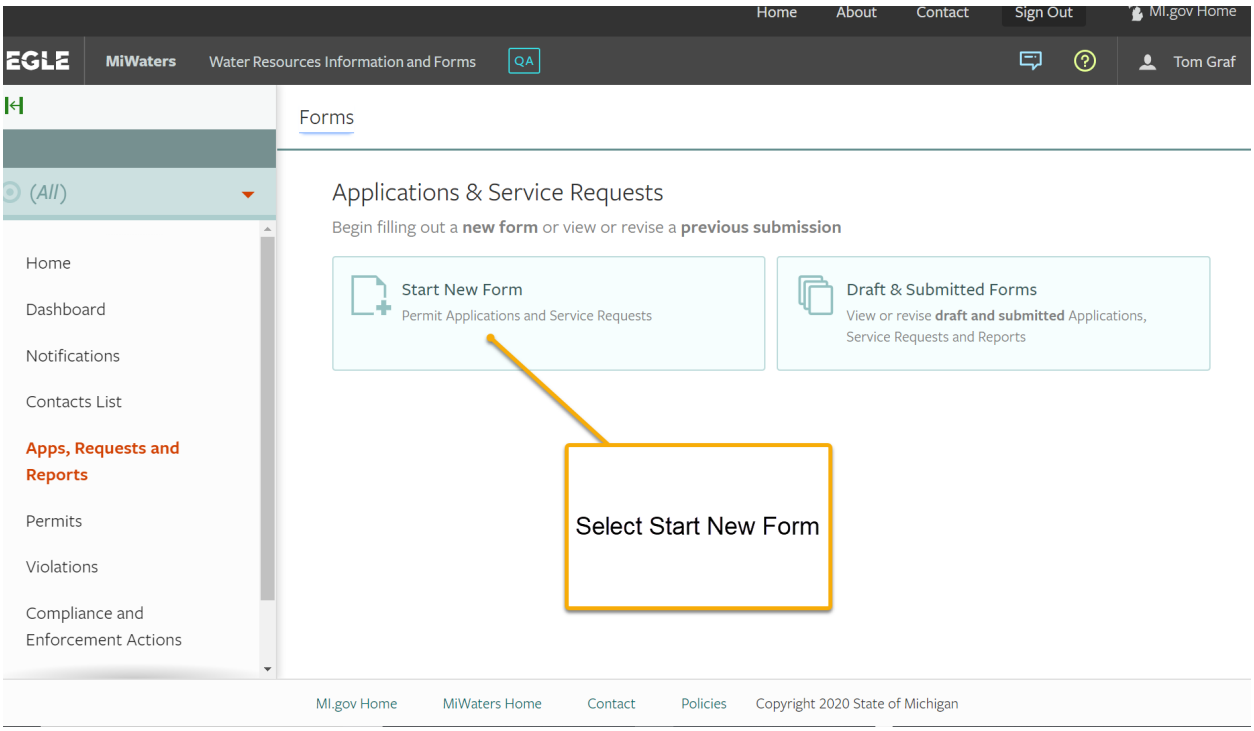
https://mienviro.michigan.gov/ncore/external/home



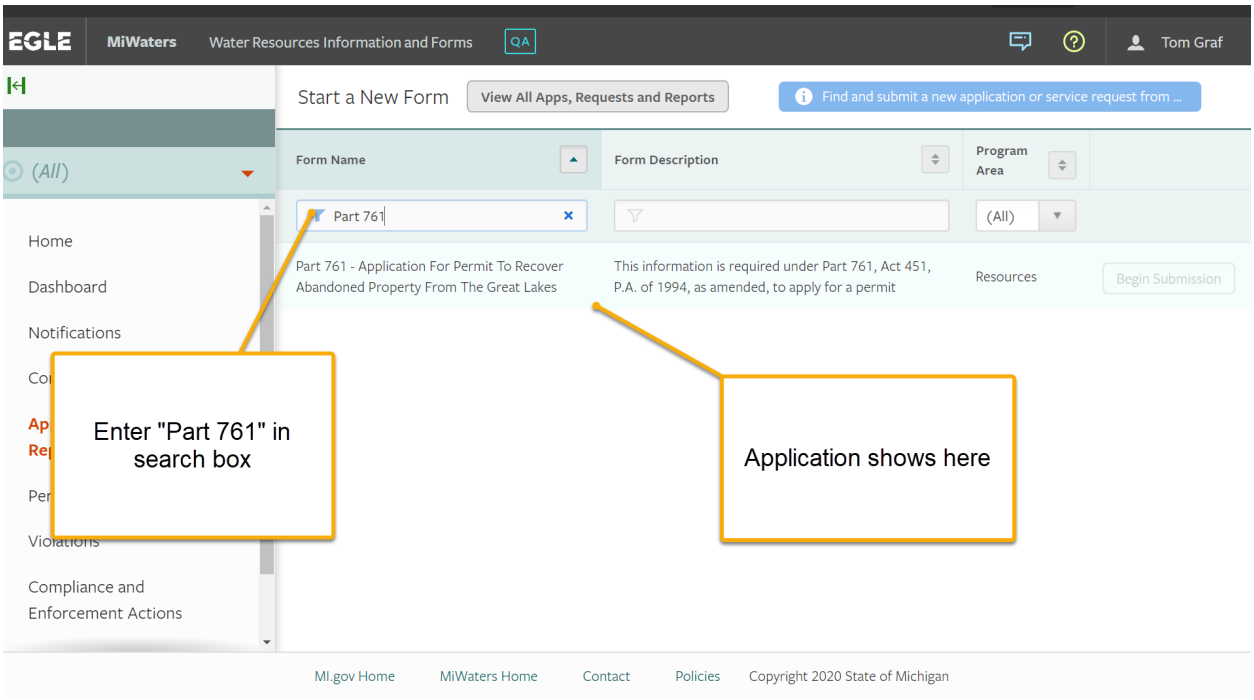
2. Select “Apps, Requests and Reports”



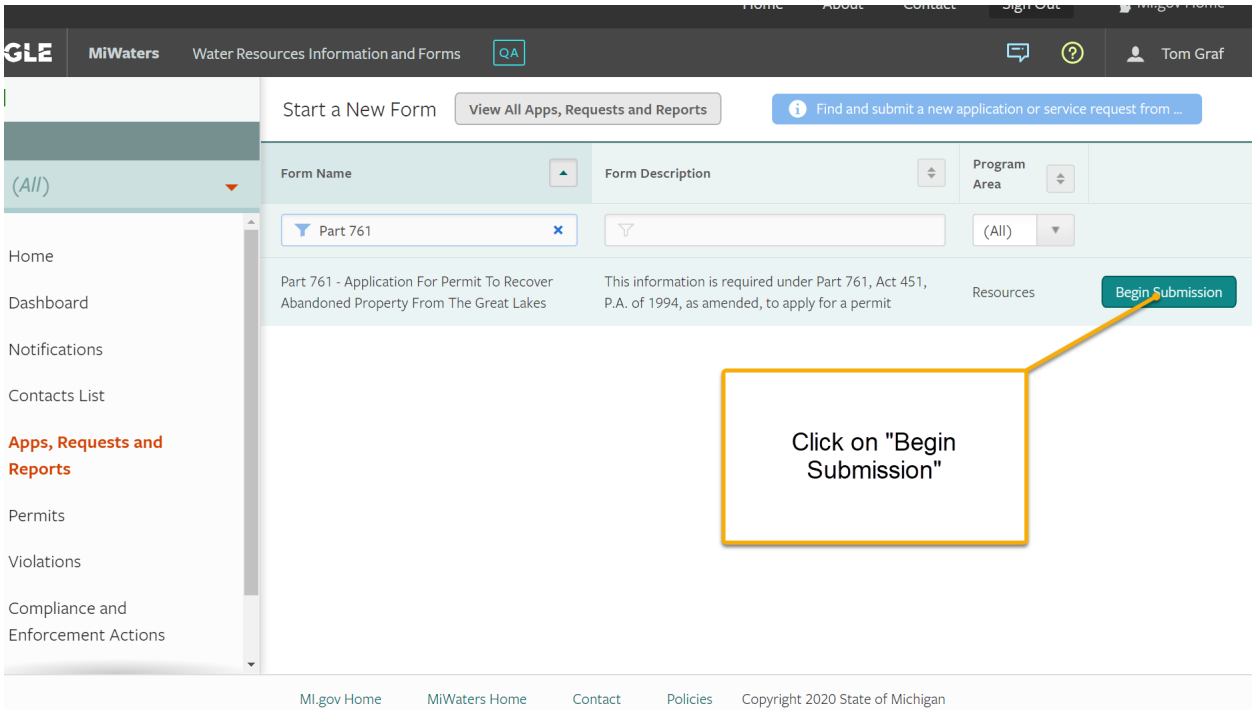
3. Select “Start New Form”



4. Enter “Part 761” in search box



5. Select “Begin Submission”

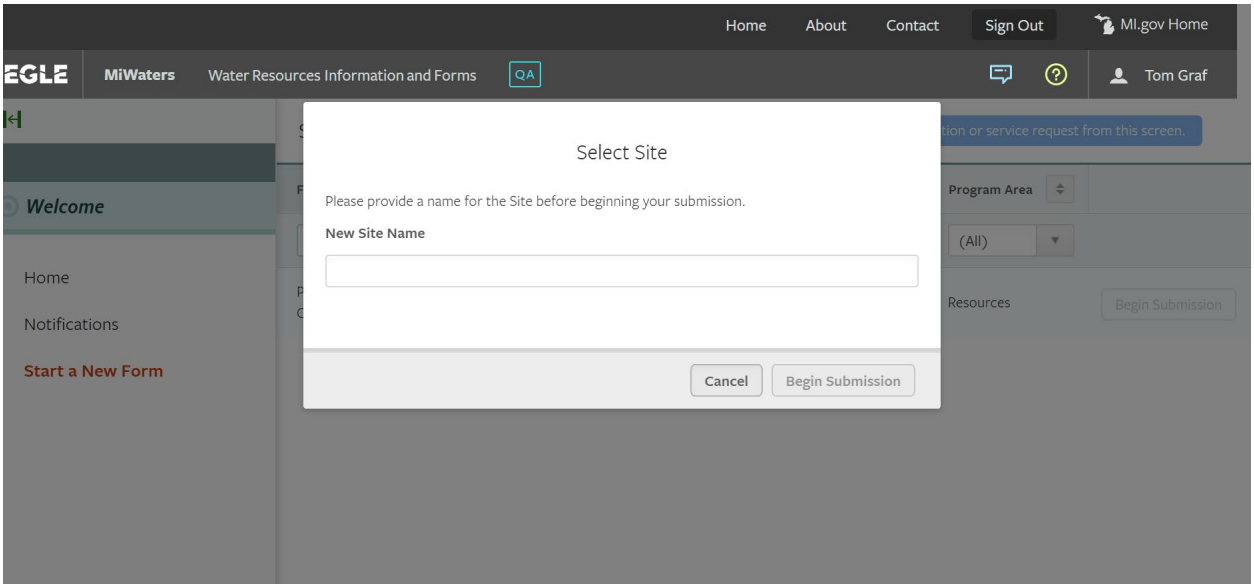


6. Create a Site

Create a Site Name for the application. Best way to name the site is:

a. Name of Great Lake: Superior/Michigan/Huron/St.Clair/Erie
b. Name of shipwreck (if known) or aircraft (ex. type – P-39) and abandoned property proposed for recovery (artifact to be recovered)

   Example: Superior – COMET – ship's wheel



6. Follow the steps in the Application to complete the application and submit.
