### Overview

In December 2018 the Legislature established the Renewing Michigan’s Environment Program (Program) through 2018 PA 588. The Program is funded by \$69.0 million annually from tax revenue and is to be used for three specific purposes: environmental cleanup and redevelopment (65%), recycling (22%), and waste management (13%).

### Beginning Fund Balance

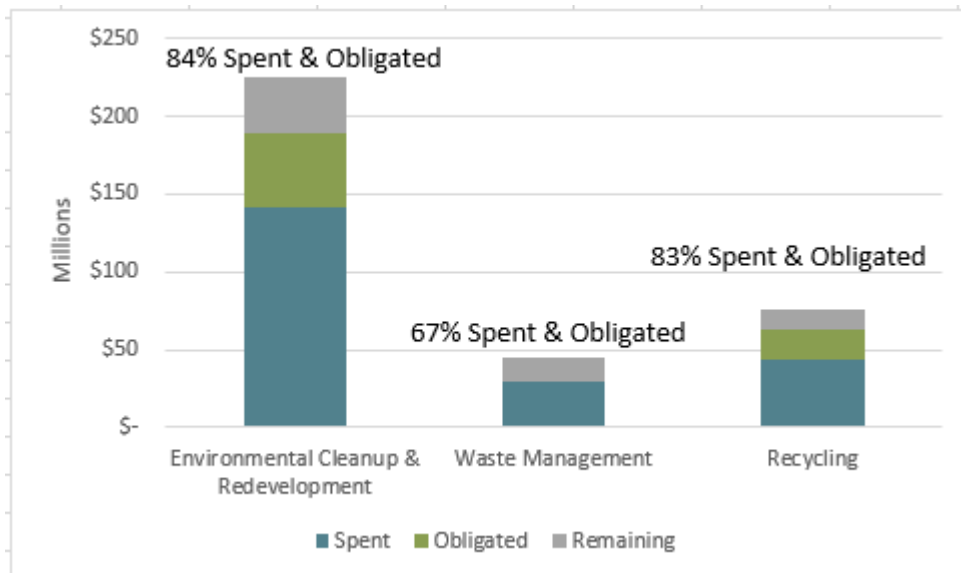

To begin fiscal year 2023 on October 1, 2022, the Program had an unobligated fund balance of \$58.3 million, which carried forward from the previous fiscal year.

### Revenues

In fiscal year 2023, \$69.0 million in tax revenue was received in the Renew Michigan Fund, along with \$6.5 million in interest earnings.

### Expenditures

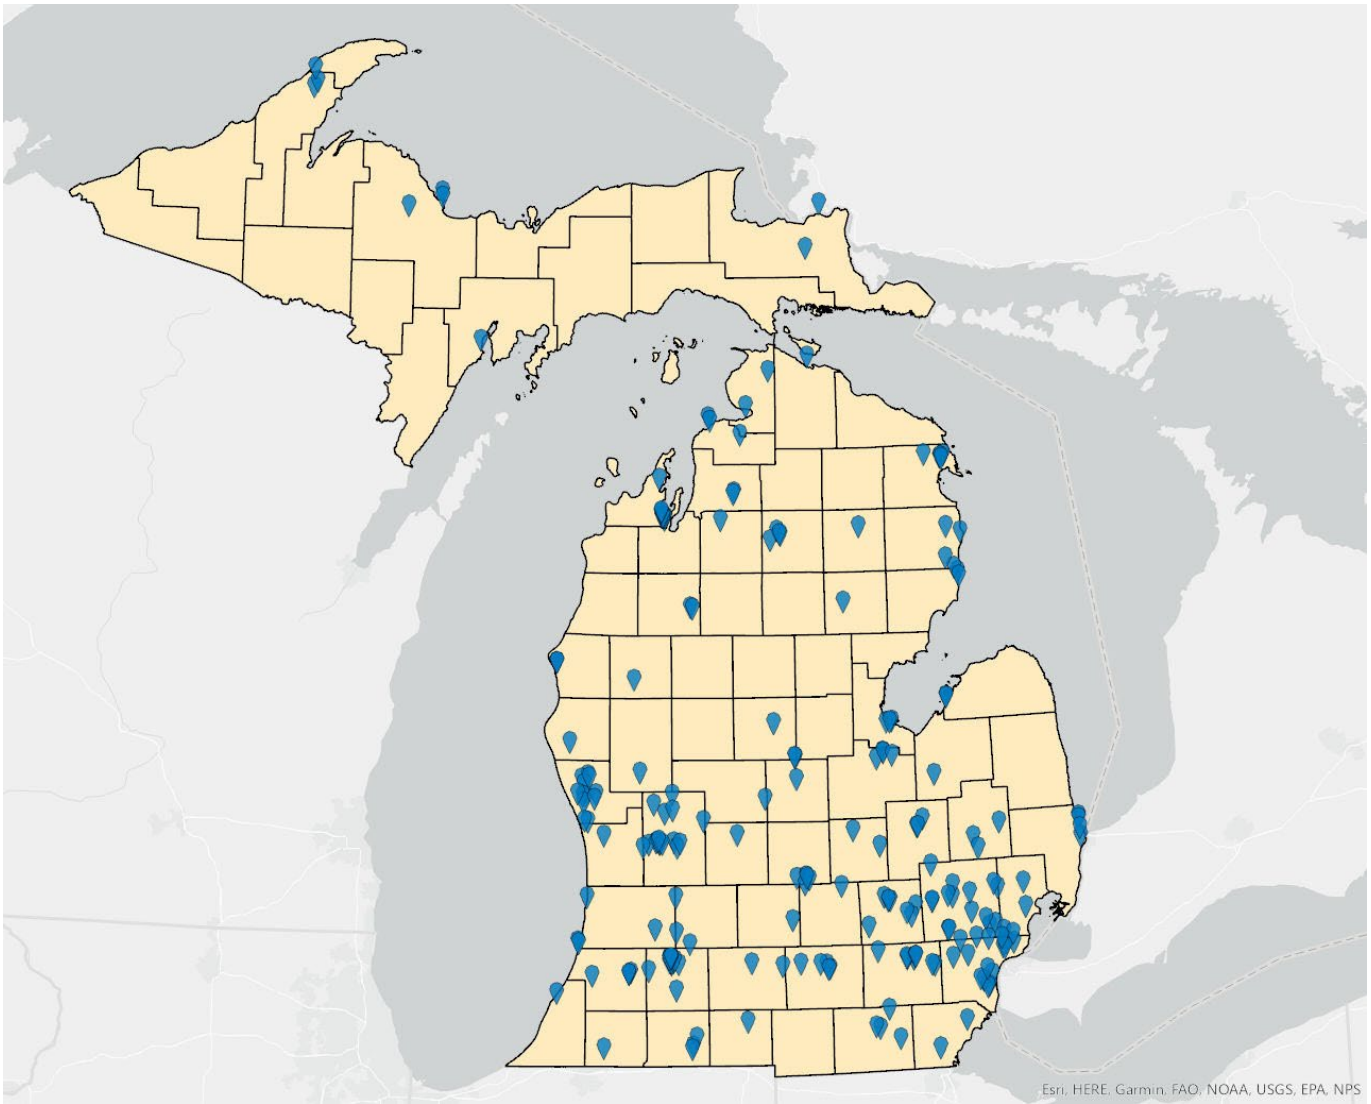

As of September 30, 2023, EGLE has spent and obligated 81% or \$281.4 million of the annual allocations of \$345.8 million since its inception in fiscal year 2019.

For fiscal year 2023 only, EGLE spent and obligated \$120.4 million against current and prior year projects that continued from previous years.

### Environmental Cleanup and Redevelopment

EGLE has partnered with local agencies to address contamination and implement brownfield redevelopments in over 200 sites across the state. Activities include remediation of sites contaminated with substances such as per- and polyfluoroalkyl substances (PFAS), water sampling, water analysis, and water monitoring. The map below provides an overview of sites that will be addressed:

Additional detail on the sites can be found in Appendix A or at the following site:  
<https://experience.arcgis.com/experience/a3db431c6b154b87a481e1122f726101>.

### Waste Management

Through the waste management allocation, EGLE supported efforts in the Solid Waste Program under Part 115, Solid Waste Management, and the Hazardous Waste Program under Part 111, Hazardous Waste Management, both within the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. In addition, staff provided oversight of leachate removal and operations and maintenance at the Richfield Landfill.

### Recycling

The Program will provide grants to local communities for recycling infrastructure, improvements to the quality of recyclables, market development, and agricultural recycling. Additional detail on grants awarded in fiscal year 2023 can be found in Appendix B. Details on existing contract expenditures that support recycling initiatives can be found in Appendix C.

### Ending Fund Balance

As of September 30, 2023, the ending unobligated fund balance was \$64.3 million and was carried forward to fiscal year 2024. The carryforward will be used to finish activities initially started within the Program.

### Going Forward

EGLE will continue to work closely with local communities to implement and support the Program to protect Michigan's environment and public health.

EGLE's Grants and Loans Dashboard has more detailed information for grants that have been awarded from the Renew Michigan Fund. Award amounts may not equal final disbursements if a community did not utilize their full grant amount. Departmental values for fiscal year 2023 will be added to the dashboard in mid-January 2024. Visit the dashboard and enter "Renew MI Grants" in the Grant Program field to see a map of grant projects: [EGLE Grants and Loans Dashboard - Fiscal Years 2019-2021 \(arcgis.com\)](https://arcgis.com/apps/opsdashboard/index.html#/70000000000000000000000000000000).

## Appendix A

### Department of Environment, Great Lakes, and Energy Remediation and Redevelopment Division Sites Addressed through Renew Michigan Environment Program

County	Location Name
Alcona	220 and 222 S 2nd Street
Alcona	Harrisville Sport Center
Allegan	Otsego Area Study
Allegan	Village of Douglas Contamination
Alpena	310 N 2nd Ave and 123 Water St
Alpena	Alpena Airfield Area PFAS
Alpena	Alpena Hide and Leather Company
Alpena	Werth Dry Cleaners Property - Former
Alpena	Wessel Road Quarry
Antrim	Tar Lake
Antrim	Wickes Manufacturing TCE Plume
Barry	Kavco Landfill
Barry	Misak Landfill
Bay	Euclid Ave. 300 S., Bay City
Bay	MDEQ Statewide PFAS Municipal Water Sampling
Bay	NRT 1100 Water St.
Berrien	Harbor Plating
Branch	71 Pearl Street Property
Calhoun	Brooks Foundry
Calhoun	Marshall Iron & Metal
Cass	Cass St Area Edwardsburg
Charlevoix	Charlevoix Municipal Well Field
Charlevoix	DME
Charlevoix	Lofts on Lake Street
Cheboygan	Cheboygan MGP
Chippewa	BF - Carbide Dock - Sault Ste. Marie (2023-2525)
Chippewa	Former Kincheloe AFB
Chippewa	Soo Locks Laundry - Former
Crawford	Camp Grayling - Lake Margrethe
Crawford	Grayling Area PFAS
Crawford	Grayling Northern Market
Crawford	Grayling Sawmill
Delta	BF - 111 North Third Street - Escanaba (2023-2533)
Delta	NuWay Cleaners, Escanaba
Eaton	916 South Main Street
Eaton	Wash King
Emmet	BF-Michigan Maple Block - Petoskey (2023-2536)
Emmet	Pellston Airport
Emmet	Petoskey Municipal Well Field
