

MICHIGAN DEPARTMENT OF  
ENVIRONMENT, GREAT LAKES, AND ENERGY

## Work Location and Work Schedule

### Authority

*Pursuant to section 238 of PA 166 of 2022, the Michigan Department of Environment, Great Lakes, and Energy posts this notice that it has adopted a [hybrid policy](#) that includes in-person, remote, and alternative work arrangements. The department or agency has the authority to assign and schedule its employees and determine their work location. This policy also provides for work options contingent upon the operational needs of the department or agency. Approval is at the discretion of the department or agency and can be changed or rescinded based upon operational needs. The policy includes which positions may qualify for a work option, how to request one and the requirements necessary for approval.*
