SUBJECT: Report on the Community Pollution Prevention Fund

In accordance with Section 445.573f(5) of Initiated Law 1 of 1976, as amended (Bottle Bill), following is the Department of Environment, Great Lakes, and Energy's (EGLE) annual report on the Community Pollution Prevention Fund (Fund) that summarizes Pollution Prevention (P2) grants provided, contractual commitments made and achieved, and an evaluation of the effectiveness of this Fund for fiscal year (FY) 2024.

EGLE did not issue any P2 grants, nor did it make any contractual commitments pursuant to the Fund in FY 2024. This was a planned decision, as EGLE will be using recommendations from the FY 2022 community P2 grant project to develop future grant scopes of work.

If you need further information, please contact Elizabeth M. Browne, Director, Materials Management Division, at 517-242-2746; or you may contact me at 517-614-6873.
